Originally constructed in 1965, the Project is currently in fair to poor overall condition and in need of rehabilitation.

The Project was purchased out of foreclosure by the use of NSP funds from the City of Fresno. The scope of the rehabilitation includes replacing cabinets, countertops, windows, flooring, roofs, appliances, fixtures, bathtub refinishing, landscape repairs and some ADA compliance installations.

c. Viewpoint Educational Foundation, City of Calabasas, County of Los Angeles; up to $40 million in 501(c)3 non-profit revenue bonds
SUMMARY AND RECOMMENDATIONS

DATE: MARCH 1, 2012

APPLICANT: VIEWPOINT EDUCATIONAL FOUNDATION

AMOUNT: UP TO $40 MILLION OF NONPROFIT REVENUE AND REFUNDING BONDS

PURPOSE: FINANCE CAPITAL IMPROVEMENT AND REFINANCE EXISTING DEBT

PRIMARY ACTIVITY: K THROUGH 12TH GRADE EDUCATION

LEGAL STRUCTURE: 501(C)(3) CORPORATION

Background:

Viewpoint School ("Viewpoint") is a nondenominational, nonprofit, college-preparatory day school that was founded in Calabasas, California in 1961. Four divisions constitute the school: Primary School (K-2), Lower School (3-5), Middle School (6-8), and Upper School (9-12). Viewpoint offers a challenging academic program emphasizing excellence and achievement and providing individualized attention.

In 2004, CSCDA issued $16,000,000 in revenue bonds ("Series 2004 Bonds") on behalf of Viewpoint to refund their First Mortgage Bonds, 1999 Series, and payoff an existing promissory note to Meadow Oaks School, Inc., the proceeds of which were used to purchase Meadow Oaks School. In addition, bond proceeds were used to fund a portion of the construction of new facilities, rehabilitation of the campus, fund a reserve fund and pay costs of issuance.

In 2008, CSCDA issued $20,000,000 in revenue bonds ("Series 2008 Bonds") to refund the Series 2004 Bonds and finance the acquisition, design, approval, construction and development of certain educational facilities, furnishings and equipment located on the school’s campus.

Viewpoint has requested that CSCDA issue up to $40,000,000, the proceeds of which will be used to refinance the Series 2004 Bonds and Series 2008 Bonds. The remaining funds will be used for capital improvements to finance the acquisition, design, approval, construction, renovation, installation and development of facilities at the campus, including: one or more new elementary school buildings and related facilities, new campus support services facilities, enhanced and/or expanded infrastructure and parking improvements to certain athletic facilities including the west campus softball field, the west campus pool and Rasmussen Family pavilion, and miscellaneous enhancements, repairs, refurbishment and improvements to existing facilities and infrastructure. Additionally, bond proceeds will be used to pay various costs of issuance and other related costs with respect to the obligations.

By refinancing the Series 2004 Bonds and Series 2008 Bonds, Viewpoint is expected to achieve 8% present value savings, or over $3,000,000 of cash flow savings over the life of the 2012 Bonds.
Viewpoint’s application was filed on January 18, 2012. Previously the commission approved bond issuances for Viewpoint in 2004 and 2008 for $16,000,000 and $20,000,000, respectively.

Agency Approvals:

A TEFRA hearing was held at the Calabasas City Council meeting on February 22, 2012 where the financing was unanimously approved.

Students have sponsored and participated in activities that have supported such organizations as the West Valley Food Pantry, Haiti Relief, Book Ends, St. Jude’s Cancer Research, Saving the Rainforest and Coral Reef, Habitat for Humanity, Guide Dogs of America, and Children Helping Poor and Homeless People. The Primary School contributes annually to their Pennies for a Purpose Project which supports UNICEF and School on Wheels, a program that provides one-on-one tutoring for homeless children in Los Angeles.

The school and its students benefit tremendously from the dynamic parent leadership of the Multicultural Committee of the VSSA (Viewpoint’s parent association). The VSSA Multicultural Committee recognizes, celebrates, and supports the cultural diversity of Viewpoint School, and strives to develop an understanding and appreciation of different cultures. The Committee sponsors activities designed to enrich educational programs, enhance cultural awareness, foster ethnic diversity, and advocate for the successful recruitment and retention of historically underrepresented students.

Tuition Costs:

Annual tuition for non-scholarship students is $24,600 for the Primary School, $25,400 for the Lower School, $27,200 for the Middle School, and $29,100 for the Upper School.

Item VI

Discuss and approve CDLAC Annual Applicant Public Benefits and Ongoing Compliance Self-Certification procedures; and,

Item VII

Discuss and approve compliance monitoring fee for affordable housing projects when the qualified project period has expired
SUMMARY AND RECOMMENDATIONS

REQUEST: DISCUSS AND APPROVE POLICY FOR SUBMITTING CDLAC ANNUAL APPLICANT PUBLIC BENEFITS AND ONGOING COMPLIANCE SELF-CERTIFICATION AND DISCUSS AND APPROVE COMPLIANCE MONITORING FEE FOR AFFORDABLE HOUSING PROJECTS WHEN THE QUALIFIED PROJECT PERIOD HAS EXPIRED

DATE: MARCH 1, 2012

Agenda Items VI & VII

Background:

In October 2011 the California Debt Limit Allocation Committee (“CDLAC”) approved additional reporting requirements for all projects that were awarded allocation and are currently within an existing bond regulatory period and/or compliance period. The Issuer is required to complete and submit the Applicant Self Certification form (attached as Exhibit A), certifying whether or not the Project meets the terms and conditions of the Project’s CDLAC Resolution. The Applicant Self-Certification must be submitted by the Issuer to CDLAC no later than March 1st of each year; however, for calendar year 2012 only, Issuers may submit Applicant Self-Certification forms for all pre-2011 bond issuances no later than the extended deadline of September 1, 2012 (Self-Certifications for 2011 issuances are still due March 1, 2012).

Staff proposes filling out the form by obtaining a self-certification from each Project Sponsor to certify that the Project meets the requirements stipulated in the CDLAC Resolution. In the event that the terms and conditions are not met, staff will work with CDLAC and the Project Sponsor to correct noncompliance.

CDLAC currently requires that all regulatory periods for projects receiving bond allocation be for a minimum of 55 years. Pursuant to CDLAC’s new regulation 5144, CSCDA will be required to facilitate the ongoing compliance certification process throughout the term of the 55 year Regulatory Agreement. Staff recommends that the Commission institute a nominal annual compliance monitoring fee of $1,000 per housing project which will become effective when bonds have been repaid and the project is beyond the term of the federal compliance period.

Recommendation:

Approve the proposed policy to submit the CDLAC Annual Applicant Public Benefits and Ongoing Compliance Self-Certification and approve the proposed $1000 annual compliance monitoring fee.
Annual Applicant Public Benefits and Ongoing Compliance Self-Certification

ACKNOWLEDGMENT: The California Debt Limit Allocation Committee (“CDLAC” or “Committee”) does not expect to hold an Applicant (Issuer) responsible for conditions they are not aware of; only for the Applicant to confirm their understanding of the status of the project based upon their own post-issuance compliance procedures. CDLAC will not review the Applicant’s procedures, and in good faith, will assume that the Applicant has in-place procedures they judge to adequately satisfy their post-issuance responsibilities as defined under the Internal Revenue Code and CDLAC Regulations. An Applicant is free to request project information from the Project Sponsor and rely on that information if they believe it satisfies their own compliance procedures and responsibilities. That information can then serve as the basis for the Applicant’s response to the questions within this certification.

INSTRUCTIONS: Per the CDLAC Regulations, all Projects within an existing bond regulatory period and/or CDLAC compliance period shall be monitored for compliance with the terms and conditions of the Committee Resolution by the Applicant (Issuer). The Applicant shall complete and submit the Annual Applicant Public Benefits and On-going Compliance Self Certification provided on the CDLAC website; certifying whether or not the Project meets the terms and conditions of the Committee Resolution. The self certification must be submitted by the Applicant to CDLAC no later than March 1 of each year (or at such other time as defined in the CDLAC Regulations or requested by the Committee).

Discuss and approve exception to CSCDA annual fee policy for San Sevaine Villas
SUMMARY AND RECOMMENDATIONS

DATE: MARCH 1, 2012

PURPOSE: DISCUSS AND APPROVE EXCEPTION TO CSCDA ANNUAL FEE POLICY FOR SAN SEVAINE VILLAS

CSCDA PROGRAM: HOUSING

Background:

On July 10, 2009, CSCDA issued $30,000,000 in Multifamily Housing Revenue Bonds to Northtown Housing Development Corporation (the “Borrower”) for the acquisition and construction of a project in the City of Rancho Cucamonga known as San Sevaine Villas (the “Project”).

CSCDA’s current issuance policy provides that housing developers are eligible for a one-time reduction in annual administration fees based on conversion from construction to permanent financing within two years of the bond issuance date.

The Project converted from its construction financing to permanent loan on December 28, 2011 which is approximately five and half months beyond the two year limit for conversion under existing CSCDA policy. The Borrower has requested that CSCDA grant an exception due to the fact that it took the Borrower longer to achieve the lease-up requirements for the permanent loan.

Recommendations:

Staff recommends that the Commission grant the Borrower a policy exception enabling the Borrower to pay future annual administrative fees calculated at its permanent loan at the time of conversion.
Item IX

Discuss and approve proposed revisions to CSCDA fee schedule for nonprofit borrowers
DATE: MARCH 1, 2012
REQUEST: DISCUSS AND APPROVE PROPOSED REVISIONS TO CSCDA FEE SCHEDULE FOR NONPROFIT BORROWERS

Background/Discussion:

On December 7, 2011, the Commission approved certain revisions to CSCDA’s annual fee schedule for housing developers in order to provide greater incentives to loyal borrowers.

CSCDA’s current fee schedule rewards loyal nonprofit borrowers by providing a tiered annual fee schedule based upon such borrower’s historical aggregate bond issuance through CSCDA. Specifically, the current annual administrative fees assessed to borrowers in the 501(c)(3) nonprofit bond program are as follows:

- Up to First $100 million: 0.03%
- Amount in excess of $100 million and less than $1 billion: 0.02%
- Amount in excess of $1 billion: 0.015%

The existing tiered fee schedule has already rewarded a number of CSCDA’s larger healthcare system borrowers. However, CSCDA also issues bonds for many smaller nonprofit organizations that provide charter and private school education, local healthcare facilities and other public benefits to communities throughout California. Some of these borrowers have brought multiple transactions through CSCDA but due to their smaller size, have not qualified for the lower annual fees assessed once a borrower has reached $100 million in aggregate issuances.

Staff proposes that the Commission consider a change to its 501(c)(3) nonprofit bond program’s annual administrative fee schedule in order to better recognize and incentivize repeat nonprofit borrowers.

Recommendation:

Staff recommends that the Commission approve and adopt the following:

501(c)(3) Nonprofit Bond Program Annual Administrative Fees:

- Up to first $100 million on first issuance: 0.03%
- Amount in excess of $100 million on first issuance or any subsequent issuance: 0.02%
- Amount in excess of $1 billion aggregate issuance: 0.015%

Subsequent issuances include refundings of existing CSCDA bonds and new project financings for the same Borrower.
