PURPOSE: Consideration of CSCDC audited financial statements for fiscal years ending June 30, 2017 and June 30, 2018.

BACKGROUND AND SUMMARY:
Attached for the consideration of the Board are the CSCDC audited financial statements for fiscal year ending June 30, 2017 and June 30, 2018. Novogradac & Company, LLP prepared the reports working with the League of California Cities and CSCDC staff. Highlights from the audited financial statements include the following:

1. **Closing Fees** – CSCDC received $0 and $3,500,000, respectively in 2017 and 2018, in closing fees from NMTC transactions.

2. **Asset Management Fees** – CSCDC received $383,307 and $533,439, respectively in 2017 and 2018, in asset management fees from previously closed NMTC transactions.

3. **Expenses** – CSCDC incurred a total of $311,638 and $4,177,795, respectively in 2017 and 2018, in expenses, comprised primarily of sponsorship fees, legal, accounting, asset management and other professional fees.

4. **Cash Flows** – CSCDC’s cash positions were $311,645 and $116,831 at the end of 2017 and 2018, respectively. The $194,814 reduction in cash primarily reflects a decrease in restricted net assets of $137,485, and changes in reservation fees payable and bad debt expense.

The audit provides more detail on expense allocation, including sponsorship fees and the NMTC awards administered.

Report of Independent Auditors

To the Board of Directors of
California Statewide Communities Development Corporation:

We have audited the accompanying financial statements of California Statewide Communities Development Corporation, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of California Statewide Communities Development Corporation as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – ORGANIZATION

California Statewide Communities Development Corporation (the "Organization"), a California nonprofit public benefit corporation, was formed on May 6, 2011 to qualify as a Community Development Entity (CDE) and to engage in such activities which qualify for New Markets Tax Credits (NMTC) pursuant to Section 45D of the Internal Revenue Code.

The Organization has been certified by the Community Development Financial Institutions Fund of the U.S. Department of Treasury ("CDFI Fund") as a CDE. As a CDE, the Organization’s primary mission is to invest in Subsidiary Allocatees (“Limited Liability Companies”) that provide loans, equity investments, or financial services to qualified businesses in Low-Income Communities in the Organization’s service area of California. As of June 30, 2018 and 2017, the Organization has received $143,000,000 of NMTC investment authority from the CDFI Fund.

The NMTC program provides investors with credits against federal income taxes they incur. NMTCs are passed through to an investor for each Qualified Equity Investment (QEI) made in a CDE certified as such by the CDFI Fund. The investor receives credits over a seven-year period for each QEI, equal to 39% of the QEI amount (5% during each of years one through three and 6% during each of years four through seven). The CDEs use the QEI proceeds to make Qualified Low-Income Community Investments (QLICIs) to Qualified Active Low-Income Community Businesses (QALICBs). QLICIs include loans to or equity investments in QALICBs or other CDEs. CDEs must comply with various federal requirements or investors risk recapture of tax credits plus penalties and interest thereon.

The Organization is governed by a Board of Directors. As a not-for-profit corporation exempt from Federal income tax under Section 501(c)(4) of the Internal Revenue Code, and therefore without tax liability, the Organization cannot itself use NMTCs. In order to utilize the allocation received by the Organization from the CDFI Fund, the Board of Directors of the Organization suballocates NMTC investment authority to various Limited Liability Companies, which are CDEs organized and managed by the Organization. The Organization seeks to suballocate NMTC investment authority to CDEs that provide investments in projects that accomplish goals consistent with the mission of the Organization and in accordance with certain terms agreed to in the allocation agreements with the CDFI Fund.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

Basis of presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets: Net assets that are not subject to donor-imposed stipulations that may or will be expendable by the board for any purpose in performing the Organization’s primary objectives.

Temporarily Restricted Net Assets: Net assets that are subject to donor-imposed stipulations that may or will be met either by the Organization’s actions and/or the passage of time.

Permanently Restricted Net Assets: Net assets that are subject to donor-imposed stipulations whereby the resources are to be preserved in perpetuity.
NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of presentation (continued)

The Organization's net assets are not subject to donor-imposed restrictions. Accordingly, all net assets are accounted for as unrestricted net assets.

Concentration of Credit Risk

The Organization maintains cash in banks which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on these accounts.

Income Taxes

The Organization is a not-for-profit organization exempt from income tax under Section 501(c)(4) of the Internal Revenue Code and from California income and franchise taxes under Revenue and Taxation Code Section 23701(d).

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Organization to report information regarding its exposure to various tax positions taken by the Organization. Management has determined whether any tax positions have met the recognition threshold and has measured the Organization's exposure to those tax positions. Management believes that the Organization has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state taxing authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Organization are recorded in expenses. No interest or penalties from federal or state taxing authorities were recorded in the accompanying financial statements.

Revenue Recognition

The Organization earns revenue by providing origination, underwriting, asset management, dissolution, and other services to the CDEs and QALICBs which are governed by the related operating and fee agreements. Sub-allocation, origination, and underwriting fees are recognized when QEIs are closed and are recorded as Closing Fee Income on the statement of activities and changes in net assets. Reservation fees for projects are recorded as a liability when received. A reservation fee would be included as revenue if the reservation of NMTC allocation is withdrawn. As of June 30, 2018 and 2017, there have been no instances of non-refundable reservation fees. Asset management fees are recognized as income as the Organization provides the services (generally over a seven-year period).

Investments in Community Development Entities

The Financial Accounting Standards Board issued guidance on the consolidation of variable interest entities (VIEs). The guidance, among other things, requires an enterprise to perform an analysis to determine whether the enterprise's variable interest or interests give it a controlling financial interest in a VIE and then identify the primary beneficiary of a VIE. The Organization has concluded that the CDEs are VIEs and that the Organization is not the primary beneficiary; as a result, the Organization is not required to consolidate its investments in the CDEs. The Organization's maximum exposure to loss as a result of its involvement with the CDEs remains limited to its capital contribution commitments to the CDEs. Accordingly, the investments have been recorded under the equity method of accounting. Under the equity method of accounting, the Organization's initial investment in these entities is recorded at cost. The Organization adjusts the carrying amount of its investments to recognize the Organization's share of results of operations after the date of initial investment. Distributions received from the entities reduce the Organization's carrying amount of the investment, while additional contributions increase the carrying amount of the investment. Since the Organization has no obligation to fund liabilities beyond its investment, including loans and advances, the carrying value of the investments may not be
NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments in Community Development Entities (continued)

reduced below zero. To the extent that equity losses are incurred when the Organization’s carrying value of the investments has reached zero, losses will be suspended and applied against future income.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all short-term financial instruments with a maturity of three months or less at the date of acquisition to be cash equivalents.

Subsequent Events

Subsequent events have been evaluated through December 21, 2018, which is the date the financial statements were available to be issued and there are no subsequent events requiring disclosure.

NOTE 3 – INVESTMENTS IN COMMUNITY DEVELOPMENT ENTITIES

The investments in the CDEs at June 30, 2018 and 2017 totaled $13,821 and $7,300, respectively.
NOTE 4 – RELATED PARTY TRANSACTIONS

Asset Management Fee Income

The Organization earns quarterly asset management fee income from each of the CDEs, prorated for partial quarters, as compensation for the ongoing administration and management of the CDEs (the “Asset Management Fee Income”). In addition, the CDEs incur certain expenses such as tax preparation fees, corporate filing fees, annual state franchise fees, etc. as discussed in the Fee and Expense Agreements between the QALICBs, CDEs, and the Organization. The Organization pays these expenses on behalf of the CDEs. Pursuant to each of the CDEs’ fee and expense agreements, the Organization is to be reimbursed for these costs (the “Reimbursement Income”). The Asset Management Fee Income and Reimbursement Income are collectively referred to and recorded as Asset Management Fee Income on the statement of activities and changes in net assets. For the years ended June 30, 2018 and 2017, the total Asset Management Fee Income earned from the CDEs was $533,429 and $383,307, respectively. At June 30, 2018 and 2017, the amount receivable from the CDEs included as due from related parties totaled $2,850 and $65,798, respectively. At June 30, 2018 and 2017, the CDEs prepaid $14,000 and $0, respectively, of Asset Management Fee Income to the Organization and has been included in deferred income on the accompanying financial statements. As of June 30, 2018 and 2017, $88,298 and $0, respectively, of receivables due from related parties was written-off as bad debt expense.

NOTE 5 – SPONSOR FEES

The Organization entered into a Services Agreement with Bridge Strategic Partners LLC ("BSP"). Pursuant to the Services Agreement with BSP, the Organization is to pay BSP a sponsor fee for NMTC and management services rendered. The sponsor fee is payable from net proceeds of closing fees received from each CDE and QALICB, less third party expenses as a result of closing each NMTC transaction. The Organization also pays California State Association of Counties (“CSAC”) and League of California Cities (“LCC”) for similar services provided. The sponsor fee is allocated among CSAC, LCC, and BSP (collectively, the “Sponsors”) 20%, 20% and 60%, respectively, for upfront fees and 30%, 30% and 40%, respectively for residual administration fees. For the years ended June 30, 2018 and 2017, the Organization incurred $2,795,154 and $0, respectively, of sponsor fees. At June 30, 2018 and 2017, the amount payable to the Sponsors was $0 and $24,846, respectively.

Pursuant to the New Markets Tax Credit Services Agreement, New Markets Support Company, LLC (“NMSC”) is to provide management services including ongoing accounting, compliance, and administrative services for each of the CDEs discussed in Note 3. In consideration of the services to be provided by NMSC, the Organization is to pay BSP, who in turn pays NMSC a fee each quarter for each CDE, pro-rated for partial calendar quarters. For the years ended June 30, 2018 and 2017, the Organization has incurred $240,699 and $180,000, respectively, of additional sponsor fees. At June 30, 2018 and 2017, the amount payable to NMSC was $65,877 and $45,000, respectively.

WHEREAS, the Authority is authorized and empowered by the Title 1, Division 7, Chapter 5 of the California Government Code to issue mortgage revenue bonds pursuant to Part 5 (commencing with Section 52000) of the California Health and Safety Code (the “Act”), for the purpose of financing multifamily rental housing projects; and

This action is taken expressly for the purpose of inducing the Borrowers to undertake the Projects, and nothing contained herein shall be construed to signify that the Projects comply with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority or any program participant, officer or agent of the Authority will grant any such approval, consent or permit that may be required in connection with the acquisition and construction or rehabilitation of the Projects, or that the Authority will make any expenditures, incur any indebtedness, or proceed with the financing of the Project.

PROJECT: Uptown Newport (City of Newport Beach) – Community Facilities District

PURPOSE: Conduct second reading and consider adoption of “Ordinance Levying a Special Tax for Fiscal Year 2019-2020 and Following Fiscal Years Solely Within and Relating to the California Statewide Communities Development Authority Community Facilities District No. 2018-03 (Uptown Newport), City of Newport Beach, County of Orange, State of California”

EXECUTIVE SUMMARY:

- On November 15, 2018 the Commission approved the following to initiate the formation of the Uptown Newport CFD for the City of Newport Beach: (1) a joint community facilities agreement; (2) a declaration of intention to levy a special tax; (3) a resolution to incur bond indebtedness.

- On December 20, 2018 the Commission conducted the public hearing and adopted resolutions forming the District, and conducted the first reading of the Ordinance Levying a Special Tax.

The actions requested today are the third and final step in the formation of the Uptown Newport CFD.

BACKGROUND:

Uptown Newport is owned by TSG – Parcel 1, LLC, a Delaware limited liability company and Uptown Newport Jamboree, LLC, a Delaware limited liability company (collectively, the “Developer”).

Uptown Newport is approved for the following type of development:

- 1,244 dwelling units and 11,500 sf of commercial retail with the residential units being 772 apartments and 472 condominiums.
- Phase I of the project consists of the 458 apartments, the 158 condominiums and 9,750 sf of commercial, although only the 158 condo units and the 9,750 sf of commercial will be subject to the CFD tax, as the developer of the apartments will contribute their share in cash.
- Phase II consists of 314 apartments, 314 condominiums and 1,750 sf of commercial, all of which will be subject to the CFD tax.
• There is an Entitled Specific Plan, Certified EIR, a Development Agreement and a recorded Tract Map for the project.
• The project is located on Jamboree Road and bounded by Birch Street and MacArthur Boulevard in downtown Newport Beach. The Uptown Newport development project will promote economic development, the stimulation of economic activity, and increase the tax base within the City.

THE CFD:

The CFD will be authorized to finance public capital facilities and improvements including:

• Preliminary and Incidental Expenses and Appurtenant Work and Improvements, associated with the undergrounding of overhead utilities by Southern California Edison (SCE), and a City Park.
• The current budget includes $3,305,000 for the 1 acre City Park, and $3,250,000 for the 66-kV utility undergrounding project.
• Pursuant to various private letter rulings, bond counsel is of the opinion the utility undergrounding project can be financed on a tax exempt basis as long as the undergrounding does not increase capacity.
• The utility work will be done by SCE pursuant to a Rule 20B SCE Agreement with the City. The park will be constructed by the developer and acquired from bond proceeds pursuant to an acquisition agreement.

The current estimated bond issuance is approximately $8.8MM. The City approved the formation of the CFD by CSCDA on June 26, 2018.

The financing will seek final approval during the first quarter of 2019.
