Agenda Item No. 6

Agenda Report

DATE: May 17, 2018

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE: Consider resolution approving the issuance of the California Statewide Communities Development Authority Community Facilities District No. 2017-01 (Horse Creek Ridge) Special Tax Bonds, Series 2018; authorizing the execution and delivery of an Indenture; approving a Bond Purchase Contract, and Official Statement, and a Continuing Disclosure Certificate; authorizing the sale of such bonds; and authorizing related actions and the execution of related documents in connection with the issuance, sale and delivery of such bonds.

BACKGROUND:

On July 6, 2017 the CSCDA Commission approved the resolution of intention to form CFD No. 2017-01 (Horse Creek Ridge). The public hearing was held on August 17, 2017, the District was formed, and the first reading of the ordinance levying the assessment was adopted by the Commission. The second and final reading of the ordinance levying the assessment was adopted by the Commission on September 7, 2017.

SUMMARY OF PROJECT:

The Horse Creek Ridge CFD is being formed to finance water public improvements associated with the Rainbow Municipal Water District (RMWD). RMWD is a member of the San Diego County Water Authority and provides water and sanitation services to the unincorporated communities of Rainbow, Bonsall, and portions of Vista, Oceanside and Fallbrook. RMWD approved the formation of the CFD by CSCDA on February 28, 2017.

The improvements include the following:

- Water connection and capacity fees, including but not limited to meter material fees and excluding fee components payable to the San Diego County Water Authority.
- Sewer connection and capacity fees.
- Developer capital contributions towards water or sewer infrastructure projects constructed by the District.
- Sewer facilities, including but not limited to gravity sewer pipelines, force mains, and lift stations and associated work necessary for their installation and completion such as but not limited to grading, excavating, and foundations.
- Water facilities, including but not limited to water pipelines and pressure reducing stations and associated work necessary for their installation and completion such as but not limited to grading, excavation, etcetera.

Horse Creek Ridge is located just east of the Interstate 15 and Highway 76 junction in Fallbrook, California. It is a new master planned community that will offer seven neighborhoods with eight parks, a recreation center, pools and an 8.5 acre sports park. Detached condominiums will range from 1,568 to 2,153 square feet and detached single family homes will range from 1,799 to 3,844 square feet. The Horse Creek Ridge development is the residential segment of the Campus Park project which will include a total of 521 single-family residences and 230 condominium dwelling units.

The appraised value of the project is $234,593,269. The expected bond amount is $20.62 million so the value to lien ratio will be approximately 11:1, which is higher than CSCDA’s 4:1 requirement for non-rated, land-secured financings. (Attachment B)

Agenda Report

DATE: May 17, 2018
TO: CSCDA COMMISSIONERS
FROM: Cathy Bando, Executive Director
PURPOSE: Consideration of Petros PACE Finance as a commercial PACE administrator for the CSCDA Open PACE program

EXECUTIVE SUMMARY:

CSCDA’s current Open PACE program has four program administrators: Renew Financial, AllianceNRG, PACE Funding and CleanFund Commercial Capital. The concept of Open PACE is to provide CSCDA member cities and counties with a number of qualified program administrators that have been vetted and approved by the CSCDA Commission.

CSCDA Staff received a proposal from Petros PACE Finance (“Petros”) for commercial PACE only under the CSCDA Open PACE program. After a review of the proposal and in-person interviews by the Executive Director and Commissioners Snellings and Moura, the recommendation before you today is to approve Petros as a program administrator under the CSCDA Open PACE platform.

OVERVIEW:

Petros:

Petros is Austin, Texas based and a national leader in providing low-cost, long-term PACE financing to commercial property owners. Petros PACE Finance has significant institutional backing and was founded by a team with a collective 60+ years of experience in building and assisting companies with strategic capital, advice, and strong business relationships.

Petros has been involved in the PACE market since 2010 and has played a major role in the implementation of many PACE programs across the country. They have closed and funded eight transactions in California, five of which have been under CSCDA program administrators.

Petros is currently operating under the California Municipal Financing Authority (CMFA) PACE platform. They will be terminating the relationship with CMFA due to the exclusivity requirement of the CSCDA Open PACE program. In addition, Petros anticipates hiring origination resources in California.
RECOMMENDED ACTION:

CSCDA’s Executive Director recommends the approval of Petros PACE Finance as a new commercial program administrator under Open PACE. A contract for services will be brought back to the Commission for approval at a later date.
