The California Statewide Communities Development Authority (“CSCDA”) is pleased to announce the issuance of \$16,723,451 in tax-exempt multi-family affordable housing bonds for Luminaira Apartments in Irvine, California.

About Luminaira:

The vision for Luminaira (the “Project”) began in 1996 with the closure of the Marine Corps Air Station El Toro. The Project is an 82-unit affordable housing community for low-income families located on 5.35 acres at Great Park Neighborhoods located in the City of Irvine by Related California (“Related”) and Riverside Charitable Corporation (“RCC”). The benefits of the Project for the City of Irvine and County of Orange include the following:

- 100% of the affordable rental housing units will be rent restricted for low-income tenants.
- The building will bring new economic vibrancy to the Project site.
- A positive impact to restaurants and retail in the area.
- The Project consists of 56 two-bedroom units, 25 three-bedroom units and 1 manager’s unit.

About the Financing:

CSCDA, Related, and RCC partnered with MUFG Union Bank, N.A. to provide \$16.72 million in tax-exempt multi-family affordable housing bonds for the Project.

Although the financing for the Project requires the affordability of units for low-income tenants to be maintained for 55 years, the Regulatory Agreement with the City of Irvine requires the Project to maintain the affordability of units in perpetuity.

About CSCDA:

CSCDA is a joint powers authority created in 1988 and is sponsored by the California State Association of Counties and the League of California Cities. More than 500 cities, counties and special districts are program participants in CSCDA, which serves as their conduit issuer and provides access to efficiently finance locally-approved projects. CSCDA has issued more than \$50 billion in tax exempt bonds for projects that provide a public benefit by creating jobs, affordable housing, healthcare, infrastructure, schools and other fundamental services.
