Agenda Item No. 5

Agenda Report

DATE: April 21, 2016

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE: Consideration of a resolution authorizing execution and delivery of a Master Assignment and Assumption Agreement, a Depository and Account Control Agreement, one or more Assessment Contracts, and one or more Assignment Instruments for assignment of voluntary contractual assessments for Commercial PACEDirect under CSCDA Open PACE and approving related documents and actions.

EXECUTIVE SUMMARY:

At the April 7, 2016 CSCDA meeting, the Commission approved the form of documents for the Clean Fund Commercial PACEDirect program. Similar to the CaliforniaFIRST program, Clean Fund is interested in incorporating the assignment structure authorized by AB 1883 under the Improvement Act of 1911. The structure allows for the following:

1. The assignment of voluntary contractual assessments to investors prior to the issuance of bonds subject to an agreement that would specify the period of assignment or transfer, not to exceed three years.
2. Flexibility for power purchase agreements or leases financed using voluntary contractual assessments.

The attached resolution authorizes the form of Master Assignment and Assumption Agreement, a Depository and Account Control Agreement, Assessment Contracts and the Assignment Instruments. The forms have been drafted by Jones Hall as PACE counsel.

RECOMMENDED ACTION:

CSCDA's Executive Director recommends approval a resolution authorizing execution and delivery of a Master Assignment and Assumption Agreement, a Depository and Account Control Agreement, one or more Assessment Contracts, and one or more Assignment Instruments for assignment of voluntary contractual assessments for Commercial PACEDirect under CSCDA Open PACE and approving related documents and actions.

Agenda Report

DATE: April 21, 2016
TO: CSCDA COMMISSIONERS
FROM: Cathy Bando, Executive Director
PURPOSE: Q1-Q3 2015-2016 Budget, Financial Progress and Bank Account Activity

This is an information item and includes two financial reports for CSCDA that provide information for Q1-Q3 2015-2016 bank account activity and budget to actual figures through March 31, 2016

BANK ACCOUNT ACTIVITY:

- 1. Professional Services Account** - CSCDA's June 30, 2015 balance in the Professional Services Account was \$76,214. Deposits equal to \$387,204 have been made with \$326,781 in disbursements. The balance as of March 31, 2016 was \$136,637.
- 2. Travel** - CSCDA's June 30, 2015 balance in the Travel Account was \$13,610. The account had \$1 in interest earnings and \$1,875 in disbursements. The balance as of March 31 2016 was \$11,737. The Travel Account was established several years ago to pay Commissioners' expenses. The account is no longer needed, will be closed. The remaining balance will be deposited in the Professional Services Account.
- 3. Operations** – The Operations Account was established in July 2015 when it was determined that the Professional Services Account balance would be insufficient to meet CSCDA's operating costs. The League of California Cities and CSAC each contributed \$150,000 to the Operations Account to provide an initial balance of \$300,000. The Operations Account pays CSCDA's expenses when funds in the Professional Services Account are insufficient. When the Operations Account falls below \$300,000, the League and CSAC contribute 5% of new issuance fees until the \$300,000 initial balance is restored. \$345,050 has been deposited in the Operations Account through March 31, 2016 with \$92,525 in disbursements. The balance as of March 31, 2016 was \$252,526.
- 4. Charitable Contributions** - CSCDA's June 30, 2015 balance in the Charitable Contributions Account was \$25,807. The account has earned \$4 in interest and the balance as of March 31, 2016 was \$25,810.

2015-2016 Q1-Q3 CSCDA BUDGET REPORT:

This report provides actual FY 2014-15 figures for CSCDA, 2015-16 budget information, year-to-date results for 2015-16 and a variance calculation. The variance reflects the percent of budget received through March 31, 2016. If a variance is over 75%, CSCDA is over budget as of the third quarter. Similarly, if a variance is under 75%, CSCDA is under budget as the third quarter.

- 1. Issuance Fee Collections** – CSCDA's issuance fee collections were over or close to budget in all categories except SCIP/Mello Roos and Other Municipal Bond Programs. Based on

CSCDA's pipeline for SCIP/Mello Roos we expect to meet the budget by June 30, 2016. Other Municipal Bond Programs included anticipated revenue from programs that are not expected to produce more revenue this year. The \$100,000 shortfall is likely to remain through June 30, 2015. Overall issuance fee collections are over budget at 81%

2. **Bond Administrative Fee Collections** – CSCDA's bond administrative fee collections are over budget in every category representing the increased business that has been generated since the beginning of the fiscal year. Overall bond administrative fee collections are over budget at 81%
3. **Issuance Fee Disbursements** – Overall issuance fee disbursements are ahead of budget. CSAC and the League issuance fees appear to be below budget because of contributions from issuance fees to the Operating Reserve that otherwise would have been disbursed to them.
4. **Bond Administration Fee Disbursements** – Bond administration fee disbursements are over budget in all categories reflecting the increased volume of business that CSCDA has undertaken year-to-date. Urban Futures engagement stated on December 1, 2016 so the disbursements to them are on track with budget at 68%.
5. **General Administrative** – CSCDA had \$433,432 in General Administrative expenses through March 31, 2016 and was slightly over budget overall with substantial variances in various categories. The Executive Director's and General Counsel's budget overages can be attributed to the program administration transition. Recently the Executive Director is spending much less time on CSCDA matters while CSCDA's General Counsel's expenses may continue to be high due to outstanding matters related to the transition. Issuer Counsel should come in on budget and is below budget due to billing cycles. MGO has been fully paid for the 2015 audit and we will have a surplus over the budgeted amount. CSCDC is self-sufficient and no funds will be disbursed for NMTC. The \$85,000 budgeted amount will not be spent. The "Other" expenses relate primarily to fees paid to PMC for IT requirements that were not anticipated in connection with the transition of program management services.

QUESTIONS

CSCDA staff and League accounting personnel are available to respond to any questions the Commissioners may have about the attached financial reports.
