RESOLUTION NO. 18H-__

A RESOLUTION OF THE CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY SETTING FORTH THE AUTHORITY'S OFFICIAL INTENT TO ISSUE MULTIFAMILY HOUSING REVENUE BONDS TO UNDERTAKE THE FINANCING OF VARIOUS MULTIFAMILY RENTAL HOUSING PROJECTS AND RELATED ACTIONS

WHEREAS, the Authority is authorized and empowered by the Title 1, Division 7, Chapter 5 of the California Government Code to issue mortgage revenue bonds pursuant to Part 5 (commencing with Section 52000) of the California Health and Safety Code (the “Act”), for the purpose of financing multifamily rental housing projects; and

WHEREAS, the borrowers identified in Exhibit A hereto and/or related entities (collectively, the “Borrowers”) have requested that the Authority issue and sell multifamily housing revenue bonds (the “Bonds”) pursuant to the Act for the purpose of financing the acquisition and rehabilitation or construction as set forth in Exhibit A of certain multifamily rental housing developments identified in Exhibit A hereto (collectively, the “Projects”); and

WHEREAS, the Authority, in the course of assisting the Borrowers in financing the Projects, expects that the Borrowers have paid or may pay certain expenditures (the “Reimbursement Expenditures”) in connection with the Projects within 60 days prior to the adoption of this Resolution and prior to the issuance of the Bonds for the purpose of financing costs associated with the Projects on a long-term basis; and

WHEREAS, Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Projects with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of Bonds for the purpose of financing costs of the Projects (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and condition as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in an aggregate principal amount not to exceed the amount with respect to each Project set forth in Exhibit A; and

WHEREAS, Section 146 of the Internal Revenue Code of 1986 limits the amount of multifamily housing mortgage revenue bonds that may be issued on behalf of for-profit borrowers in any calendar year by entities within a state and authorizes the governor or the legislature of a state to provide the method of allocation within the state; and

WHEREAS, Chapter 11.8 of Division 1 of Title 2 of the California Government Code governs the allocation of the state ceiling among governmental units in the State of California having the authority to issue private activity bonds; and

WHEREAS, Section 8869.85 of the California Government Code requires a local agency desiring an allocation of the state ceiling to file an application with the California Debt Limit Allocation Committee (the “Committee”) for such allocation, and the Committee has certain policies that are to be satisfied in connection with any such application;
NOW, THEREFORE, BE IT RESOLVED by the Commission of the Authority as follows:

Section 1. The above recitals, and each of them, are true and correct.

Section 2. The Authority hereby determines that it is necessary and desirable to provide financing for the Projects (including reimbursement of the Reimbursement Expenditures) by the issuance and sale of Bonds pursuant to the Act, as shall be authorized by resolution of the Authority at a meeting to be held for such purpose, in aggregate principal amounts not to exceed the amounts set forth in Exhibit A. This action is taken expressly for the purpose of inducing the Borrowers to undertake the Projects, and nothing contained herein shall be construed to signify that the Projects comply with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority or any program participant, officer or agent of the Authority will grant any such approval, consent or permit that may be required in connection with the acquisition and construction or rehabilitation of the Projects, or that the Authority will make any expenditures, incur any indebtedness, or proceed with the financing of the Project.

Section 3. This resolution is being adopted by the Authority for purposes of establishing compliance with the requirements of Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations. In such regard, the Authority hereby declares its official intent to use proceeds of indebtedness to reimburse the Reimbursement Expenditures.

Section 4. The officers and/or the program managers of the Authority are hereby authorized and directed to apply to the Committee for an allocation from the state ceiling of private activity bonds to be issued by the Authority for each of the Projects in an amount not to exceed the amounts set forth in Exhibit A, and to take any and all other actions as may be necessary or appropriate in connection with such application, including but not limited to the payment of fees, the posting of deposits and the provision of certificates, and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.

Agenda Report

DATE: September 6, 2018

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE:
1. Conduct proceedings with respect to SCIP Assessment Districts (hearing to be held at 2:00 p.m. or shortly thereafter).
2. Consideration of resolutions with respect to SCIP Assessment Districts and SCIP 2018B.

BACKGROUND AND SUMMARY:

On July 19, 2018 the Commission approved the resolutions of intention for certain SCIP assessment districts and set the public hearing for today for the formation of the assessment districts outlined below. A summary of the actions today is summarized in Attachment A.

The Commission is being asked today to:

(1) Conduct the public hearings for the remaining assessment districts for SCIP 2018B, 2018C and the Standalone Assessment District 18-01 for Pacific Highlands under Formation of Districts;

(2) Approve the final engineer’s reports for the remaining assessment districts under Formation of Districts;

(3) Approve the issuance of limited obligation bonds for SCIP 2018B under Formation of Districts;

(4) Approve the issuance of pooled SCIP revenue bonds to acquire certain of the limited obligations for SCIP 2018B outlined under The Financing; and

(5) Approve the resolution abandoning proceedings for proposed Assessment District No. 18-13 (City of Elk Grove, County of Sacramento, California).

(6) Continue the public hearing for proposed Assessment District No. 18-16 (City of Sacramento, County of Sacramento, California) to October 18, 2018.
FORMATION OF DISTRICTS:

The assessment districts are being formed for the purpose of financing certain improvements and/or development impact fees as further described in the related engineer’s reports for such projects. Depending on market conditions and development status of each of the projects, such assessment districts will be included in one or more pooled or standalone bond issuances for SCIP.

Abandonment of Proceedings:

A resolution of intention was adopted on July 19, 2018 for Assessment District No. 18-13 (City of Elk Grove, County of Sacramento, California), with a public hearing originally scheduled for today, September 6, 2018. The assessment district is no longer scheduled for formation, and instead the Commission will be asked to adopt a resolution authorizing the abandonment of proceedings for the proposed assessment district.

Continuance of Proceedings:

A resolution of intention was adopted on July 19, 2018 for Assessment District No. 18-16 (City of Sacramento, County of Sacramento, California) (Ogden Ranch), with a public hearing originally scheduled for today, September 6, 2018 and will be continued to October 18, 2018.
THE FINANCING:

The Series 2018B pooled SCIP revenue bonds will be issued to acquire certain limited obligation bonds issued for certain assessment districts, as described in the table below. The total anticipated financing for SCIP 2018B is expected to not exceed $35,000,000 for the following projects:

Inclusion of the foregoing assessment districts in the SCIP 2018B pool is dependent upon market and development conditions for each assessment district, and certain of such assessment districts may be removed from the pool with the advice of the underwriter and bond counsel. The total assessment amount above is in excess of the bond amount due to the fact that CSCDA is not issuing bonds for all of the impact fees for the Campus Oaks Apartments project. The regional sewer fee is being paid directly by the developer versus being financed.

On July 19, 2018 the Commission approved the following to initiate the formation of the Wagon Wheel CFD for the City of Oxnard: (1) a joint community facilities agreement; (2) a declaration of intention to levy a special tax; (3) a resolution to incur bond indebtedness; and (4) set the public hearing from September 6, 2018.

The actions requested today are the second step in the formation of the Wagon Wheel CFD. The CFD is being formed to finance public facilities and fees and certain City ongoing operational costs of the City (“O&M Costs”) such as landscape/park/parkway maintenance, storm water quality device maintenance,
flood protection improvements maintenance, among other costs. The City approved the formation of the CFD by CSCDA on December 6, 2016.

BACKGROUND:

On January 27, 2009, the City approved a development agreement (“Development Agreement”) with Oxnard Village Investments LLC for the development of the former Wagon Wheel property. The Wagon Wheel development, which is currently underway, is a 58-acre property located along Highway 101 and Oxnard Blvd. The project consists of approximately 1,380 dwellings, composed of condominiums and apartment units.

The successor developer to Oxnard Village Investments LLC, Oxnard CRFL Partners, LLC (the “Developer”) has requested formation of a Community Facilities District (“CFD”) to finance public facilities and fees and certain City ongoing operational costs of the City (“O&M Costs”) such as landscape/park/parkway maintenance, storm water quality device maintenance, flood protection improvements maintenance, among other costs. The Development Agreement provides for the formation of a Community Facilities Districts (“CFD”) for both the O&M costs and also financing of developer impact fees and public infrastructure.

The financing will not exceed $33,000,000 and will be brought back to the Commission for final approval of bond issuance.
