WHEREAS, the Authority is authorized and empowered by the Title 1, Division 7, Chapter 5 of the California Government Code to issue mortgage revenue bonds pursuant to Part 5 (commencing with Section 52000) of the California Health and Safety Code (the “Act”), for the purpose of financing multifamily rental housing projects; and

WHEREAS, the borrowers identified in Exhibit A hereto and/or related entities (collectively, the “Borrowers”) have requested that the Authority issue and sell multifamily housing revenue bonds (the “Bonds”) pursuant to the Act for the purpose of financing the acquisition and rehabilitation or construction as set forth in Exhibit A, of certain multifamily rental housing developments identified in Exhibit A hereto (collectively, the “Projects”); and

WHEREAS, the Authority, in the course of assisting the Borrowers in financing the Projects, expects that the Borrowers have paid or may pay certain expenditures (the “Reimbursement Expenditures”) in connection with the Projects within 60 days prior to the adoption of this Resolution and prior to the issuance of the Bonds for the purpose of financing costs associated with the Projects on a long-term basis; and

WHEREAS, Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Projects with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of Bonds for the purpose of financing costs of the Projects (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and condition as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in an aggregate principal amount not to exceed the amount with respect to each Project set forth in Exhibit A; and

Agenda Item No. 5a

Agenda Report

DATE: September 15, 2016
TO: CSCDA COMMISSIONERS
FROM: Cathy Bando, Executive Director
PROJECT: Redlands Community Hospital
PURPOSE: Authorize the Issuance of Bonds to Finance and Refinance the Acquisition, Construction, Improvement, Renovation and Equipping of Healthcare Facilities located in the City of Redlands, County of San Bernardino
AMOUNT: Not to Exceed $110,000,000

EXECUTIVE SUMMARY:

Redlands Community Hospital, a 501c3 nonprofit organization (“RCH”), has requested that CSCDA issue nonprofit healthcare facility bonds in an amount not to exceed $110,000,000 (the “Bonds”) to finance and refinance the construction, improvement, renovation and equipping of healthcare facilities located in the City of Redlands (the “Project”). The Bonds are being issued to refinance the aggregate principal amount of CSCDA’s Series 2013 bonds previously issued for the benefit of RCH (the “2013 Bonds”). The Bonds will also be issued to finance certain improvements to RCH’s facilities, including its operating rooms and emergency room. The refinancing of the 2013 Bonds replaces RCH’s contingent bank debt in a synthetic fixed mode with long-term committed capital at today’s historically low tax-exempt bond rates. This will be the third CSCDA financing for RCH.

PROJECT ANALYSIS:

About Redlands Community Hospital:

RCH, a California nonprofit public benefit corporation, owns and operates a general acute care hospital with 229 licensed beds in the City of Redlands. RCH provides health care services primarily to the residents of the eastern portions of the San Bernardino Valley. Originally established as a 40-bed hospital in 1929, RCH has expanded and modernized its facilities to meet the increasing patient care needs of the Inland Empire. To meet patient care needs, RCH provides emergency services, inpatient / outpatient services, home health services, hospice services, maternal services, and family clinics.
Public Agency Approvals:

TEFRA Hearing: A TEFRA hearing is scheduled for September 20, 2016 at the City of Redlands. CSCDA’s approval of the Project will be contingent upon TEFRA approval by the City.

Economic Development:

- RCH employs more than 270 physicians and 1400 nurses and other staff throughout its facilities.
- RCH’s role in the community has generated the establishment of medical clinics, pharmacies, rehabilitation centers and other medical related businesses to assist children in need of continued medical care. In addition, many RCH employees live, eat and shop within the community and support the local economy.

Public Benefit:

- RCH actively identifies populations having unmet healthcare needs, specifically uninsured, under-insured, and low-income individuals. RCH further ensures no patient with urgent health care needs is turned away from the RCH emergency department for inability to pay for healthcare services. In 2014, RCH contributed $14.1 million in unreimbursed community healthcare services and charity care.
- RCH provides free immunization programs for flu shots (approximately 5,000 flu shots annually) and other immunizations for members of the public, underprivileged individuals, and children. Immunizations are administered at shopping centers, senior centers, homeless centers, soup kitchens, church shelters, and RCH Family Clinics throughout the year.
- RCH provides health education programs to improve early prenatal care for low-income, uninsured women and teens while offering access to resources and health plans.
- RCH provides a variety of health education information and health screenings to the public at numerous health fairs throughout the year. Free health screenings include cholesterol tests, glucose screening, diabetes, blood pressure, cardiac risks, breast cancer information and others.

RESOLUTION NO. 16SCIP-

RESOLUTION OF THE COMMISSION OF THE CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY APPROVING THE FINAL ENGINEER’S REPORTS, LEVYING ASSESSMENTS, ORDERING THE FINANCING OF SPECIFIED DEVELOPMENT IMPACT FEES AND CAPITAL IMPROVEMENTS, CONFIRMING THE AMOUNT OF UNPAID ASSESSMENTS, AND DIRECTING RELATED ACTIONS

WHEREAS, the California Statewide Communities Development Authority is a joint exercise of powers entity duly organized and existing under and by virtue of the laws of the State of California (the “Authority”), with this Commission (this “Commission”) serving as the legislative body of the Authority; and

WHEREAS, this Commission has taken a series of actions pursuant to the Municipal Improvement Act of 1913 (Division 12, commencing with Section 10000 of the Streets and Highways Code of the State of California) (the “1913 Act”) preliminary to ordering the financing of certain public capital improvements and of certain development impact fees, the proceeds of which will be used to pay the cost of other public capital improvements (the “Fees and Improvements”), in each case eligible to be funded under the 1913 Act, which development impact fees and capital improvements are described in the Final Engineer’s Reports (the “Final Engineer’s Reports”) approved by this Resolution, said fees and capital improvements and related incidental expenses allocable thereto to be charged to the parcels of land with respect to which the Fees and Improvements are payable or are to be located, as applicable, in connection with the proposed development of said parcels of land which are situated within one of seven assessment districts (the “Districts”) to be designated as set forth in Exhibit A attached hereto and by this reference incorporated into this Resolution; and

WHEREAS, the program of the Authority providing for the financing of eligible development impact fees and capital improvements is commonly known as the “Statewide Community Infrastructure Program,” or “SCIP;” and

WHEREAS, on July 21, 2016, this Commission approved the boundary maps for the Districts and adopted its Resolutions of Intention (the “Resolutions of Intention”) relating to the Districts, and such boundary maps were thereafter filed for record in the office of the County Recorders of the Counties in which the Districts are located; and

WHEREAS, in accordance with the direction of this Commission provided in the Resolutions of Intention, the Assessment Engineer of the Authority for SCIP, as Engineer of Work (the “Engineer of Work”), prepared and filed with the Authority on July 21, 2016, seven separate reports containing the information regarding the Districts required by Section 10204 of the Streets and Highways Code of the State of California, which reports were duly presented to this Commission for preliminary consideration; and

WHEREAS, this Commission, by seven separate resolutions duly adopted on July 21, 2016 (the “Resolutions of Preliminary Approval”), corresponding to the seven proposed Districts, preliminarily approved the reports, and fixed 2:00 p.m., or as soon thereafter as the matter might be heard, on September 15, 2016, at the offices of the California State Association of Counties, 100 K Street, Sacramento, California, as the time and place for a public hearing with respect to the financing of the Fees and Improvements, to the extent of the Districts and to the levy of the assessments therein (the “Assessments”); and
WHEREAS, prior to the public hearing on the date hereof, the Engineer of Work found it necessary to prepare and submit modified engineer’s reports (the “Final Engineers Reports”) for all of the Districts due to requests from certain property owners to reduce the assessment amount, remove parcels, and/or effect certain ministerial modifications; and

WHEREAS, this Commission directed that notice of the public hearing and the related property owner assessment ballot procedure be given in the time, form and manner required by Article XIIID of the California Constitution (“Article XIIID”), together with the property owner assessment ballots themselves; and

WHEREAS, there have been filed with the Authority six separate certificates setting forth the time and manner of the compliance with the requirements of law for mailing (a) the notices of the public hearing and assessment ballot procedure and (b) the property owner assessment ballots, as required by Article XIIID; and

WHEREAS, this Commission hereby finds and determines that notices of public hearing and assessment ballot procedure and the property owner assessment ballots themselves have been mailed in the form and manner required by Article XIIID; and

WHEREAS, said public hearing was duly convened by this Commission as a consolidated public hearing for the seven Districts at said time and place specified in the notice of public hearing and was at such time continued to the date hereof, and this Commission has proceeded with said public hearing and duly heard all interested parties desiring to be heard at said public hearing on any aspect of any of the seven proposed Districts; and

WHEREAS, having thereupon closed the public hearing, and the assessment ballots which had been returned having been opened and tallied, and it having been determined that all of the assessment ballots which were returned were marked in support of the proposed levy of Assessments, this Commission hereby finds and determines that property owner assessment ballots cast against the levy of the Assessments did not exceed the property owner ballots cast in favor of the levy of the Assessments, with the assessment ballots weighted in proportion to the amount of the proposed Assessment for the parcel to which each such assessment ballot pertains; and

WHEREAS, this Commission has elected to comply with the requirements of Part 7.5 of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (the “1931 Act”), being Division 4 (commencing with Section 2800) of Streets and Highways Code of the State of California, and on the basis of the information included in each Final Engineer’s Report, this Commission hereby finds and determines that the requirements of the 1931 Act are satisfied in the manner provided by subsection (d) of Section 2961 of said Part 7.5 of the 1931 Act; and

WHEREAS, there has been filed with the Authority a Consent and Waiver executed by each owner of each of the parcels upon which an Assessment is proposed to be levied or by an authorized representative of each owner, waiving any defect in the notice or procedure in the conduct of the public hearing and the assessment ballot procedure including the timing of receipt of the notice of the public hearing, waiving the entitlement to pay all or any part the Assessment in cash within the 30-day cash payment period, and consenting to the modifications made to the applicable Engineer’s Report between the preliminary approval thereof and approval of the Final Engineer’s Reports by this Resolution; and

WHEREAS, on the basis of the executed Consent and Waiver forms on file with the Authority, in which each owner of each parcel on which an Assessment is proposed to be levied has waived the entitlement to pay all or any portion of such Assessment levied upon the such parcel in cash (which entails
the benefit of a cash payment discount) prior to the issuance, sale and delivery of bonds upon the security of such Assessment, the Authority has confirmed that the amount of unpaid Assessments is equal to the full amount of the Assessments levied;

NOW, THEREFORE, BE IT RESOLVED by the Commission of the California Statewide Communities Development Authority, as follows:

Section 1. The foregoing recitals are true and correct, and this Commission so finds and determines.

Section 2. There having been no protest received (either written or oral) from any owner of any of the parcels of land upon which an Assessment is proposed to be levied, this Commission finds that there has not been a “majority protest,” as said term is defined by Article XIIID, and this Commission hereby overrules the protests received, if any, whether written and oral, from any other person.

Section 3. This Commission hereby approves the Final Engineer’s Reports and the component parts thereof, including each exhibit incorporated by reference in the reports.

Section 4. This Commission hereby finds and determines that the requirements of the 1931 Act have been satisfied in the manner provided by Part 7.5 thereof, and this action shall be final as to all persons.

Section 5. This Commission hereby finds and determines that the Engineer of Work, in the Final Engineer’s Reports, has fairly and properly apportioned the cost of the financing of the Fees and Improvements to each parcel of land in the Districts in proportion to the estimated benefits to be received by each parcel, respectively, from the financing of the Fees and Improvements. This Commission hereby confirms and levies each individual Assessment as stated in the Final Engineer’s Reports.

Section 6. This Commission hereby orders the financing of the Fees and Improvements as detailed in the Final Engineer’s Reports.

Section 7. Bonds representing unpaid Assessments, and bearing interest at a rate not to exceed twelve percent (12%) per annum, will be issued in the manner provided by the Improvement Bond Act of 1915 (Division 10, commencing with Section 8500, of the Streets and Highways Code of the State of California) (the “1915 Act”), and the last installment of the bonds shall mature not to exceed twenty-nine (29) years from the second day of September next succeeding twelve (12) months from their date.

Section 8. This Commission hereby finds and determines that either each of the owners or an authorized representative of each of the owners of each of the parcels assessed in these proceedings has executed and filed with the administrator of SCIP (the “Program Administrator”) a form of Consent and Waiver by which the entitlement otherwise given to each such owner to pay all or any part of the subject Assessment or Assessments in cash within the 30-day cash payment period has been waived, and by which the property owner consents to the changes to the Engineer’s Report between the preliminary approval thereof on July 21, 2016, and the approval of the Final Engineer’s Reports by this Resolution. Accordingly, this Commission hereby confirms that the amount of unpaid Assessments is equal to the full amount of the Assessments levied and directs the Program Administrator to proceed forthwith, without the necessity of the 30-day cash payment period otherwise required, to provide for the issuance, sale and delivery of limited obligation improvement bonds in a principal amount equal to the Assessments levied.

Section 9. The Program Administrator is hereby authorized and directed to prepare the auditors record for each District, pursuant to the Streets and Highways Code, and to transmit said auditors
record to the County Auditor of the County within which each District is located. The assessment installments for the initial series of bonds issued for the District shall be apportioned among the parcels in each District having an unpaid Assessment.

Section 10. The Program Administrator is hereby directed to record the Final Engineer’s Reports with the Authority. The Program Administrator is hereby further directed to record the assessment diagrams contained in the Final Engineer’s Reports and the notices of assessment in the office of the County Recorder of the County within which each District is located in the time, form and manner as required by law.

Section 11. This Resolution shall take effect immediately upon its passage.
PASSED AND ADOPTED by the Commission of the California Statewide Communities Development Authority this September 15, 2016.

I, the undersigned, an Authorized Signatory of the California Statewide Communities Development Authority, DO HEREBY CERTIFY that the foregoing resolution was duly adopted by the Commission of the Authority at a duly called meeting of the Commission of the Authority held in accordance with law on September 15, 2016.

WHEREAS, the California Statewide Communities Development Authority is a joint exercise of powers entity duly organized and existing under and by virtue of the laws of the State of California (the “Authority”), with this Commission (this “Commission”) serving as the legislative body of the Authority; and

WHEREAS, this Commission, on July 21, 2016, adopted its Resolutions of Intention (the “Resolutions of Intention”) relating to the financing of certain development impact fees and capital improvements in seven separate assessment districts (the “Districts”) designated by the names set forth in Exhibit A attached hereto and by this reference incorporated herein; and

WHEREAS, the Resolutions of Intention were adopted pursuant to the provisions of the Municipal Improvement Act of 1913 (Division 12, commencing with Section 10000 of the Streets and Highways Code of the State of California) (the “1913 Act”) and provided that serial and/or term bonds to represent the unpaid assessments (the “Assessments”) would be issued in the manner provided by the Improvement Bond Act of 1915 (Division 10, commencing with Section 8500, of the Streets and Highways Code of the State of California) (the “1915 Act”), reference being hereby made to the Resolutions of Intention for further particulars of such bonds; and

WHEREAS, the written engineer’s reports relating to the proposed Districts (in their final form, the “Engineer’s Reports”) were thereafter duly prepared and filed with the Authority, and after a hearing duly noticed and held, the Assessments have been confirmed, levied and approved by resolution adopted by this Commission on the date hereof; and

WHEREAS, the assessment diagrams and related notices of assessment have been authorized to be duly recorded in the office of the Assistant to the Secretary of the Authority, who is authorized to act as Superintendent of Streets with respect to the Districts, and the assessment diagrams and related notices of assessment shall be recorded in the office of the County Recorder of the County in which each respective District is located, all in the time, form and manner required by law; and

WHEREAS, the Assessments have been levied in the total amounts set forth in Exhibit A to this Resolution upon the several subdivisions of land in the Districts in proportion to the estimated benefits to be received by such subdivisions, respectively, from the payment of certain development impact fees and from certain public capital improvements, as shown in the Engineer’s Reports; and

WHEREAS, the owners of all of the property which has been assessed in the Districts or the authorized representatives of such owners have executed and filed Consent and Waiver forms, by which,
among other things, such owners have waived their rights to pay all or any part of their respective Assessments in cash and have further waived mailed notice of the Assessments; and

WHEREAS, on the basis of the executed Consent and Waiver forms on file with the Authority, in which each owner of each parcel on which an Assessment is proposed to be levied has waived the entitlement to pay all or any portion of such Assessment levied upon the such parcel in cash (which entails the benefit of a cash payment discount) prior to the issuance, sale and delivery of bonds upon the security of such Assessment, the Authority has confirmed that the amount of unpaid Assessments is equal to the full amount of the Assessments levied, as set forth in Exhibit A to this Resolution, and this Commission hereby finds and determines that the total of the unpaid Assessments for each District is as set forth in Exhibit A to this Resolution; and

WHEREAS, in connection with the financing of development impact fees and capital improvements pursuant to the Authority’s Statewide Community Infrastructure Program (the “Program”), this Commission has determined to issue seven separate series of its Statewide Community Infrastructure Program Limited Obligation Improvement Bonds, relating to each District (the “Local Obligations”), pursuant to a Trust Agreement in substantially the form currently on file with this Commission (the “Trust Agreement”), by and between the Authority and Wells Fargo Bank, National Association (the “Trustee”), such Local Obligations to be registered in the name of the Trustee and each series thereof to be issued in an aggregate principal amount not to exceed the principal amount of unpaid Assessments of the applicable District; and

WHEREAS, for the purpose of funding the Local Obligations and thereby financing the development impact fees and public capital improvements in the Districts as described above, this Commission, in accordance with the Program, has on the same date hereof authorized its Statewide Community Infrastructure Program Revenue Bonds (the “Revenue Bonds”) pursuant to the same Trust Agreement; and

WHEREAS, the Authority has authorized the issuance of and sale of the Revenue Bonds, with the net proceeds of sale thereof (after funding a reserve fund and payment of costs of issuance) to be utilized by the Trustee to acquire the Local Obligations; and

WHEREAS, in furtherance of implementing the issuance of the Local Obligations as described above, there has been filed with the Secretary of the Authority, for consideration and approval by this Commission, the form of the Trust Agreement, under the terms of which, among other things, the Local Obligations are to be issued; and

WHEREAS, being fully advised in the matter of the Program, this Commission wishes to approve the financing as described above;

NOW, THEREFORE, BE IT RESOLVED by the Commission of the California Statewide Communities Development Authority, as follows:

(c) The foregoing recitals are true and correct, and this Commission so finds and determines. This Resolution is adopted in accordance with the “SCIP Manual of Procedures” adopted by this Commission, as it may be amended from time to time.

(d) This Commission has reviewed all proceedings heretofore taken relative to the foregoing and has found, as a result of such review, and does hereby find and determine that all acts, conditions and things required by law to exist, to
happen and to be performed precedent to and in the issuance of the Local Obligations as hereinafter authorized and provided do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority, upon approval by the Authority of the issuance of the Revenue Bonds, shall be authorized pursuant to each and every requirement of law to issue the Local Obligations.

(e) A separate series of Local Obligations shall be issued for each District as provided in the Trust Agreement and shall represent and shall be secured by the unpaid Assessments of each such District in accordance with the provisions of the 1915 Act and pursuant to the provisions of the Resolutions of Intention and proceedings taken thereunder. The Local Obligations may be issued in one or more issuances and pursuant to the same or a separate Trust Agreement as other Local Obligations of the Authority.

(f) The form and substance of the Trust Agreement made available to the Commissioners at this meeting is hereby approved. Any member of the Commission of the Authority, the Executive Director of the Authority, or their administrative delegates duly authorized pursuant to a resolution of the Authority (each, an “Authorized Signatory”), is hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver the Trust Agreement in substantially said form, with such changes therein as any member of the Commission may require or approve in consultation with Bond Counsel, such approval to be conclusively evidenced by the execution and delivery thereof.

(g) The Treasurer of the Authority and the Secretary of the Authority are hereby authorized and directed to execute the Local Obligations on behalf of the Authority, manually or by use of engraved, printed or lithographed facsimile signature. Such signing as herein provided shall be a sufficient and binding execution of the Local Obligations by the Authority, without the necessity of a seal. In case the person whose signature appears on the Local Obligations shall cease to be such officer before the delivery of the Local Obligations to the purchaser, such signature shall nevertheless be valid and sufficient for all purposes the same as though such person had remained in office until the delivery of the Local Obligations. Only such of the Local Obligations as shall bear thereon a certificate of registration and authentication in the form set forth in the Trust Agreement, executed and dated by any Authorized Signatory, shall be entitled to any benefits hereunder or be valid or obligatory for any purpose, and such certificate shall be conclusive evidence that the Local Obligations so authenticated have been duly authorized, executed, issued and delivered hereunder and are entitled to the benefits hereof.

(i) This Resolution shall take effect immediately upon its passage.
PASSED AND ADOPTED by the Commission of the California Statewide Communities Development Authority this September 15, 2016.

I, the undersigned, an Authorized Signatory of the California Statewide Communities Development Authority, DO HEREBY CERTIFY that the foregoing resolution was duly adopted by the Commission of the Authority at a duly called meeting of the Commission of the Authority held in accordance with law on September 15, 2016.

PURPOSE: Conduct Proceedings and Consider the Resolutions for the creation of CFD No. 2016-01 (Napa Pipe), County of Napa

BACKGROUND AND SUMMARY:

On June 2, 2016 the CSCDA Commission approved the resolution of intention to form CFD No. 2016-01 Napa Pipe. The original public hearing was set for July 7, 2016 and continued until today’s meeting.

Summary of Project:

The Napa Pipe Redevelopment Project (the “Project”) was established to finance environmental remediation for a proposed project in the County of Napa through the establishment of a community facilities district (CFD). The environmental remediation consists of the removal of soil contamination for the development of a 154 acre project that includes high density residential development with open space, neighborhood-servicing retail, restaurants, a hotel and a Costco on the eastern portion of the site. The Project is located in the southern portion of Napa County, just outside the Napa city limits. Attachment A is an artist’s renderings of the future development.

On March 22, 2016, the Napa County Board of Supervisors approved the formation of the CFD by CSCDA. Napa County anticipates this project will bring significant economic benefit to the area, in addition to much needed housing.

The amount of bonds to be issued will not exceed $25 million.
RECOMMENDED ACTIONS:

CSCDA’s Executive Director recommends that the Commission:

1. Open Continued Public Hearing.
2. Close Public Hearing.

WHEREAS, the Commission is fully advised in this matter;

NOW THEREFORE, BE IT RESOLVED by the Commission of the California Statewide Communities Development Authority, as follows:

The above recitals are true and correct, and the Commission so finds and determines.

Except to the extent inconsistent with this Resolution, the Resolution of Intention is reaffirmed, and its provisions and findings are, to that same extent, incorporated herein by this reference.
The Commission finds and determines that as of the close of the Second Continued Public Hearing, written protests, if any, to the establishment of the Community Facilities District, or to the levy of the Special Tax, or to the extent of the Community Facilities District, or to the Remediation described in the Resolution of Intention, or to the establishment of the appropriations limit for the Community Facilities District, or to any other matters contained in the Resolution of Intention, were submitted by less than 50 percent of the registered voters, or by less than six of the registered voters, if any, residing within the Community Facilities District. Similarly, the Commission finds that at the close of the Second Continued Public Hearing, such written protests, if any, were submitted by the owners of less than one-half of the area of land in the territory proposed to be included in the Community Facilities District and not exempt from the Special Tax. Thus, the Commission finds that it is not precluded, by the Act, from proceeding further in this matter. The Commission hereby further orders and determines that all protests to the establishment of the Community Facilities District, or the levy of the Special Tax proposed to be levied therein, or the extent of the Community Facilities District, or the Remediation, or the establishment of the appropriations limit for the Community Facilities District, that may have been submitted, have been considered and are hereby overruled.

The Remediation authorized to be financed by and through the Community Facilities District are those identified in the County Resolution and more particularly described on Exhibit A attached to the Resolution of Intention, which by this reference is incorporated herein and made a part of this Resolution. A remedial investigation, feasibility study and remedial action report, dated June 2007, and a remedial design and implementation plan, dated October 2010, have been provided to the Commission and set forth the plan for the Remediation. The Commission hereby finds and declares that the Remediation on private property provides a public benefit to the Community Facilities District.

The cost of financing the Remediation includes incidental expenses comprising the costs of engineering, planning, design, construction staking, materials testing and coordination of the Remediation, together with the costs of environmental evaluations thereof, and all costs associated with the creation of the Community Facilities District, the issuance of any bonds, the determination of the amount of the Special Tax or the collection or payment of the Special Tax and costs otherwise incurred in order to carry out the authorized purposes of the Community Facilities District, together with any other expenses incidental to the Remediation. A representative list of incidental expenses proposed to be incurred are set forth on Exhibit C attached to the Resolution of Intention, which by this reference is incorporated herein and made a part of this Resolution.

The Amended RMA, including the maximum annual special tax, shall be as set forth in Exhibit A, attached hereto and is incorporated herein and made a part hereof. The Amended RMA provides sufficient detail to allow each landowner or resident within the Community Facilities District to estimate the maximum amount that such person will have to pay, and specifies the conditions under which the obligation to pay the special tax may be prepaid and permanently satisfied. The Amended RMA does not increase the probable special tax described in the Initial RMA to be paid by any landowner or resident within the Community Facilities District and, therefore, the Hearing Report does not include a brief analysis of the impact of the proposed modifications on the probable special tax to be paid by any owners of such lots or parcels of land in the Community Facilities District pursuant to Section 16 of the Resolution of Intention.
As required by the Act: (1) the maximum authorized Special Tax for financing the Remediation that may be levied against any parcel of land used for private residential purposes (which use commences no later than the date on which an occupancy permit for private residential use is issued) is specified as a dollar amount and shall not increase by more than two percent (2%) per year; (2) the Special Tax shall not be levied for Remediation against such property after the times stated in the RMA; and (3) under no circumstances shall the Special Tax be increased on such property, as a consequence of delinquency or default by the owner of any other parcel or parcels of land within the Community Facilities District, by more than ten percent (10%) above the level that would have been levied had there been no delinquencies.

If the election referred to in Section 12 hereof results in the approval of the ballot measure described herein, then upon recordation of a Notice of Special Tax Lien pursuant to Section 3114.5 of the Streets and Highways Code of the State of California, a continuing lien to secure each levy of the Special Tax (as defined in the RMA) shall attach to all nonexempt real property in the Community Facilities District, which lien shall continue in force and effect until the Special Tax obligation is prepaid and permanently satisfied and the lien cancelled in accordance with law or until collection of the Special Tax by the Commission ceases and a Notice of Cessation of Special Tax is recorded in accordance with Section 53330.5 of the Act.

If the election referred to in Section 12 hereof results in the approval of the ballot measure described herein, then except where funds are otherwise available, the Special Tax shall be annually levied within the Community Facilities District in an amount sufficient to finance the Remediation, including but not limited to the payment of interest on and principal of any bonds to be issued to finance the Remediation; the making of lease payments for any public facilities (whether in conjunction with the issuance of certificates of participation or not); and the repayment of funds advanced by the County for the Community Facilities District and including the repayment under any acquisition, deposit or other agreement (which shall not constitute a debt or liability of the Authority) of advances of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for the Community Facilities District; shall be annually levied within the Community Facilities District.

If the election referred to in Section 12 hereof results in the approval of the ballot measure described herein, then the Special Tax will be collected through the regular County of Napa secured property tax bills, and will be subject to the same enforcement mechanism, and the same penalties and interest for late payment, as regular ad valorem property taxes; however, the Commission reserves the right to utilize any other lawful means of billing, collecting and enforcing the Special Tax, including direct billing, supplemental billing, and, when lawfully available, judicial foreclosure of the Special Tax lien.

Should any property subject to the Special Tax be acquired by a public agency and then leased for private purposes, the Commission, pursuant to Section 53340.1 of the Act, will levy the Special Tax on the leasehold or possessory interests in property owned by a public agency (which property is otherwise exempt from the Special Tax), to be payable by the owner of the leasehold or possessory interests in such property.

The Commission, pursuant to Section 53325.7 of the Act, hereby establishes the initial appropriations limit (fiscal year 2015-2016), as defined by subdivision (h) of Section 8 of
Article XIIIB of the California Constitution, for the Community Facilities District in the amount of $3,500,000, subject to voter approval.

The Commission will submit the authorizations of this Resolution to the qualified electors of the Community Facilities District in a special mailed-ballot election. Based on findings to be formally made by the Commission in a resolution to be adopted this date calling a special mailed-ballot election within the Community Facilities District, to which reference is made for further particulars, the qualified electors of the Community Facilities District are the landowners owning property that will not be exempt from the Special Tax within the Community Facilities District, in accordance with Section 53326(b) of the Act.

In the opinion of the Commission, the public interest will not be served by allowing the property owners in the Community Facilities District to intervene in a public bidding process pursuant to Section 53329.5(a) of the Act.

The firm of David Taussig & Associates, 5000 Birch Street, Suite 6000, Newport Beach, California 92660, telephone (949) 955-1500, will be responsible for annually preparing, or causing to be prepared, the roll of Special Tax levies on the parcels within the Community Facilities District identified by Napa County Assessor’s parcel numbers, and will be responsible for estimating future Special Tax levies pursuant to Section 53340.2 of the Act.

The Developer has heretofore advanced certain funds, and may advance additional funds, which have been or may be used to pay costs incurred in connection with the establishment of the Community Facilities District and the issuance of special tax bonds thereby. The Commission proposes to repay all or a portion of such funds expended for such purpose, solely from the proceeds of such bonds, pursuant to the Deposit Agreement. The Deposit Agreement is hereby incorporated herein as though set forth in full herein.

The Commission finds and determines that all proceedings conducted and approved by the Commission with respect to the establishment of the Community Facilities District, up to and including the adoption of this Resolution, and the other Resolutions adopted this date in connection with the Community Facilities District, are valid and in conformity with the requirements of the Act, and this determination is final and conclusive for all purposes and is binding upon all persons. Accordingly, the Commission finds, determines and orders that the Community Facilities District is hereby established with all of the authorities described and set forth in this Resolution, the exercise of which is subject only to the election.

This resolution shall take effect immediately upon its adoption.

financed with the proceeds of the Special Tax collections; and

WHEREAS, the Commission is fully advised in this matter;

NOW THEREFORE, BE IT RESOLVED by the Commission of the California Statewide
Communities Development Authority, as follows:

Section 1. The above recitals are true and correct, and the Commission so finds
and determines.

Section 2. The Commission accepts the Certificate of Mailing and Publication
of Notice of Public Hearing, the First Certificate of Posting Notice of Continuance of Public
Hearing, dated July 7, 2016, and the Second Certificate of Posting Notice of Continuance of Public
Hearing, dated August 4, 2016, and finds, based thereon, that proper notice of the Second
Continued Public Hearing has been given in accordance with the Act, and that the Second
Continued Public Hearing was conducted with proper and legal notices in all respects.

Section 3. The Commission finds and determines that at the close of the
Second Continued Public Hearing, written protests, if any, against incurring the proposed bonded
indebtedness and any aspect of the proposals contained in the Resolution to Incur Bonded
Indebtedness, were submitted by less than 50 percent of the registered voters, or by less than six
of the registered voters, if any, residing within the Community Facilities District. Similarly, the
Commission finds that at the close of the Second Continued Public Hearing, such written protests,
if any, were submitted by the owners of less than one-half of the area of land in the territory
proposed to be included in the Community Facilities District and not exempt from the Special Tax.
Thus, the Commission finds that it is not precluded, by the Act, from proceeding further in this
matter. The Commission hereby further orders and determines that all protests against incurring
the proposed bonded indebtedness and any aspect of the proposals contained in the Resolution to
Incur Bonded Indebtedness that may have been submitted, have been considered and are hereby
overruled.

Section 4. The Commission hereby declares that the public convenience and
necessity require that a bonded indebtedness be incurred to finance the Remediation described in
the Resolution of Intention. The authorization to finance the Remediation includes incidental
expenses for the Remediation comprising the costs of planning and designing the Remediation,
together with the costs of environmental evaluations thereof, and all costs associated with the creation of the Community Facilities District, the issuance of debt (as that term is defined in the Act, “Debt”), the determination of the amount of any Special Taxes or the collection or payment of any Special Taxes and costs otherwise incurred in order to carry out the authorized purposes of the Community Facilities District, together with any other expenses incidental to the Remediation. Such costs and expenses are further described in Exhibit C to the Resolution of Intention.

Section 5. The whole of the territory within the Community Facilities District will be benefited by the Debt and will be subject to the Special Tax to pay for the Debt.

Section 6. The amount of the proposed Debt to be incurred to finance certain environmental remediation shall not exceed twenty-five million dollars ($25,000,000), which amount may include all costs and estimated costs incidental to, or connected with, the accomplishment of the purpose for which the Debt is proposed to be incurred, including, but not limited to, the estimated costs of acquisition of land, rights-of-way, capacity or connection fees, satisfaction of contractual obligations relating to expenses or the advancement of funds for expenses existing at the time the Debt is issued pursuant to the Act, architectural, engineering, inspection, legal, fiscal, and financial consultant fees, bond and other reserve funds, discount fees, interest on any Debt of the Community Facilities District estimated to be due and payable within two (2) years of issuance, election costs, and all costs of issuance of the Debt, including, but not limited to, underwriter’s discount fees for bond counsel, costs of obtaining credit ratings, bond insurance premiums, fees for letters of credit, and other credit enhancement costs, and printing costs.

Section 7. The maximum term of any Debt shall not exceed thirty (30) years from the date of its issuance.

Section 8. The maximum annual rate or rates of interest to be paid on any Debt shall not exceed twelve percent (12%) per annum, payable at least annually the first year and semiannually thereafter.

Section 9. Pursuant to Section 53353.5 of the Act, the authority to levy the Special Tax to finance the Remediation, the question of setting the appropriations limit for the Community Facilities District, and the question whether the Community Facilities District will be authorized to incur Debt shall be combined into a single ballot question, and submitted to the qualified electors of the Community Facilities District at a special mailed-ballot election with ballots to be delivered to the Authority Secretary no later than 2:00 p.m. on September 15, 2016. If prior to that time the Authority Secretary shall have received all of the eligible ballots to be cast, pursuant to Section 53351(j) of the Act, the Authority Secretary will at that time declare the election closed.

Section 10. The election shall be conducted in accordance with the Commission’s Resolution No. 16SCI P-___ calling a special mailed-ballot election, to be adopted this date, to which reference is made for further particulars.

Section 11. If the ballot proposition receives the approval of two-thirds (2/3) or more of the votes cast on the proposition, the Debt may be issued and sold for the purpose for
which it was authorized, and the Debt (except where funds are otherwise available) shall be paid exclusively from the annual levy of the Special Tax and is not and shall not be secured by any other taxing power or funds of the Authority or the City.

Section 12. It is the intention of the Commission that any Debt issued shall be callable (may be redeemed prior to their maturity dates) in accordance with the terms of the Act.

Section 13. This Resolution shall take effect immediately upon its passage.

PASSED AND ADOPTED by the California Statewide Communities Development Authority this 15th day of September, 2016.

WHEREAS, a Certificate Re Receipt of Property Owner Waiver and Consent Forms (the “Certificate Re Waivers”) has been submitted by the Secretary, stating that the sole Landowner, or an authorized representative of the sole Landowner, has filed with the Secretary a properly executed Waiver and Consent (as defined below) in the form attached hereto as Exhibit B, and by this reference incorporated herein; and

WHEREAS, the Commission is fully advised in this matter;

NOW THEREFORE, BE IT RESOLVED by the Commission of the California Statewide Communities Development Authority, as follows:

Section 1. The above recitals are true and correct, and the Commission so finds and determines.

Section 2. The Commission accepts the Certificate Re Landowners heretofore filed in these proceedings and finds, in accordance therewith, that during the ninety days just past there have been days when there were no registered voters residing within the boundaries of the Community Facilities District. Accordingly, under Section 53326(b) of the Act, the qualified elector of the Community Facilities District for the proposed special election shall be the sole owner of land within the Community Facilities District.

Section 3. The Commission further finds and determines that the sole owner of land within the Community Facilities District (the “Landowner”) is the landowner set forth in the Certificate Re Landowners and that the certificate correctly sets forth the amount of property owned by the sole Landowner and the number of votes to which the sole Landowner is entitled pursuant to Section 53326(b) of the Act, being the number of acres owned rounded up to the next whole acre.

Section 4. The Commission hereby approves the form of “Waiver and Consent Shortening Time Periods and Waiving Various Requirements for Conducting a Mailed-Ballot Election” (the “Waiver and Consent”) by which the time limits and related requirements respecting preparation and distribution of election materials are waived, a copy of which is attached hereto as Exhibit B. The Commission hereby finds that the rights, procedures and time periods therein waived are solely for the protection of the qualified electors and may be waived by the qualified electors under Sections 53326(a) and 53327(b) of the Act and under other provisions of law dealing with waiver generally, and that the Waiver and Consent constitutes a full and knowing waiver, by any qualified elector who has executed the form, of those rights, procedures and time periods.

Section 5. The Commission further finds and determines, based on a Certificate Re Waivers, provided this date by the Secretary, that the sole Landowner, or an authorized representative of the sole Landowner, has filed with the Secretary a properly executed Waiver and Consent. The Commission therefore is establishing the procedures and time periods for this special mailed-ballot election without regard to statutory schedules.

Section 6. Pursuant to Sections 53326 and 53351 of the Act, the Commission hereby calls an election, to be held and conducted forthwith upon adoption of this Resolution, and sets September 15, 2016, as the election date. Pursuant to Section 53326 of the Act, the election
shall be conducted by mailed ballot; provided that personal service of the ballot to an authorized representative of the sole Landowner is permitted under the terms of the Waiver and Consent form on file with the Secretary and shall therefore be permitted. Bond Counsel is directed to either mail or make personal service of the ballot, in the form of the attached Exhibit A, to the sole Landowner or, if one has been appointed pursuant to a Waiver and Consent, to the sole Landowner’s authorized representative.

Section 7. The proposition to be submitted to the qualified electors of the Community Facilities District shall be as set forth in the form of special election ballot attached hereto as Exhibit A.

Section 8. The Secretary is hereby designated as the official to conduct the special mailed-ballot election pursuant to the Act and California Elections Code Sections 307 and 320 and the following provisions:

(a) The special election shall be held and conducted, and the votes canvassed and the returns made, and the results determined, as provided herein; and in all particulars not prescribed by this Resolution the special election shall be held and conducted and the votes received and canvassed in the manner provided by law for the holding of special elections consistent with the Act.

(b) The sole Landowner within the Community Facilities District as of the close of the Continued Public Hearing shall be qualified to vote upon the proposition to be submitted at the special election.

(c) The special election shall be conducted as a mailed-ballot election, in accordance with the provisions of the Act and the proceedings of the Commission, and there shall be no polling places for the special election. The ballot shall be delivered or mailed by Bond Counsel to the sole Landowner, and the voted ballot is required to be received by the Secretary not later than 2:00 o’clock P.M. on the day of the election in order to be counted. However, if at any time the Secretary determines that all votes have been cast, the Secretary shall immediately declare the election closed.

(d) The voter desiring to vote in favor of the proposition to be submitted at the special election shall mark a cross (x) or similar mark in the blank space opposite the word “YES” on the ballot to the right of the proposition; and the voter desiring to vote against the proposition shall mark a cross (x) or similar mark in the blank space opposite the word “NO” on the ballot to the right of the proposition. The cross (x) or similar mark may be marked with either pen or pencil.

(e) The Secretary shall commence the canvass of the returns of the special election, and report the returns to the Commission no later than the Commission meeting of September 15, 2016.

(f) The Commission may thereupon declare the results of the special election, and shall cause to be spread upon its minutes a statement of the results of the special election as ascertained by the canvass.
Section 9. This Resolution shall take effect immediately upon its passage.
PASSED AND ADOPTED by the California Statewide Communities Development Authority this 15th day of September, 2016.

BACKGROUND AND SUMMARY:

General Obligation (GO) SAVERs program (the “Program”) is a newly developed refunding vehicle designed to assist local school districts in California with pooling general obligation bonds for the purposes of achieving taxpayer savings. Agenda Report

DATE: September 15, 2016

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE: Consideration of Amended and Restated Services Agreement with Renew Financial Group LLC for the CaliforniaFirst PACE Program

EXECUTIVE SUMMARY:

On March 20, 2014, CSCDA entered into a contract for services with Renew Financial Group (“Renew”) to administer the CaliforniaFIRST PACE program. The term of the contract expires in March, 2017. The CSCDA PACE ad-hoc committee and staff have determined that an extension of the contract is appropriate. The attached agreement includes the following updates from the previous contract with Renew:

1. **Term** – Initial term of the contract is five years beginning September 15, 2016, with the potential of five one-year extensions.
2. **Exclusivity** – The contract grants Renew exceptions in Los Angeles County and Riverside County due to the current competitive environment in those two areas. In Riverside County once a city joins the Open PACE program they are required to transition that city over from any competing program.
3. **Green Attributes** – The renewable energy credits will be attributed to the property owner and not CSCDA. If the property owner does not claim such credits they will revert to CSCDA.
4. **Scope of Services** – Expanded scope of services to include more reporting requirements to CSCDA and its membership.

CSCDA’s General Counsel, Richards, Watson & Gershon have reviewed and approved the agreement as set forth as Attachment A.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends approval of the agreement with Renew Financial Group administration services under the CaliforniaFIRST PACE program.

Administrator shall perform all Services (i) in accordance with the standard of care generally exercised by like professionals under similar circumstances, (ii) in a manner reasonably satisfactory to CSCDA, and (iii) in accordance with the Residential Property Owner Handbook or Commercial Property Owner Handbook, as applicable (as used herein, either or both such handbooks, the “Program Handbook”). Administrator shall notify CSCDA of any changes to the Program Handbook and shall obtain CSCDA’s prior consent before implementing material changes to the Program Handbook.

Personnel. Administrator has, or will secure at its own expense, all personnel required to perform the Services. All of the Services shall be performed by Administrator or under its supervision, and all personnel engaged in the work shall be qualified to perform such Services.

Compliance with Laws. Administrator shall keep itself informed of all local, state and federal ordinances, laws and regulations which in any manner affect those employed by it or in any way affect the performance of the Services. Administrator shall at all times observe and comply with all such ordinances, laws and regulations. CSCDA and its agents shall not be liable at law or in equity occasioned by failure of Administrator to comply with this Section 2(F).
Permits and Licenses. Administrator shall obtain and maintain during the Agreement term all necessary licenses, permits and certificates required by law for the provision of the Services.

Exclusivity. Administrator shall not enter into an agreement for services to administer a property assessed clean energy (“PACE”) program with another joint powers authority or governmental agency that directly competes with the Program, CaliforniaFIRST Program or Open PACE Program, except as permitted by Sections H1- H3 below.

H1. County of Riverside. Administrator may offer a competing PACE program in a city within the County of Riverside unless such city has authorized within its jurisdiction the operation of either the CaliforniaFIRST Program or Open PACE Program, and only until such time such city has authorized within its jurisdiction the operation of either the CaliforniaFIRST Program or Open PACE Program (the date of such authorization being the “Authorization Date”). Any application initiated but not funded under a competing PACE program on the Authorization Date may be funded under the competing PACE program; provided, however, that no such application may be submitted to the competing PACE program on a date that is more than 30 days after the Authorization Date.

H2. County of Los Angeles (Residential). Administrator may offer a competing residential PACE program in the County of Los Angeles and all cities therein pursuant to the terms of a duly authorized and executed agreement by and between Administrator and the County of Los Angeles (an “LA County Agreement”), and only during the term of such LA County Agreement, or any extension or renewal of an LA County Agreement.

H3. County of Los Angeles (Commercial). Administrator may offer a competing commercial PACE program in the County of Los Angeles and any city therein that has not authorized within its jurisdiction the operation of either the CaliforniaFIRST Program or Open PACE Program, and only until such time such city has authorized the operation of either the CaliforniaFIRST Program or Open PACE Program. Any application initiated but not funded under a competing PACE program on the Authorization Date may be funded under the competing PACE program; provided, however, that no such application may be submitted to the competing PACE program on a date that is more than 30 days after the Authorization Date. In addition, in cities of the County of Los Angeles that have authorized the operation of the CaliforniaFIRST Program or the Open PACE Program, if any open market capital provider requests that a project be funded through the competing PACE program instead of the CaliforniaFIRST Program or Open PACE Program, then CSCDA shall evaluate such request in good faith.

Green Attributes. Property owners or third party ownership leasing firms shall retain rights to any Federal Investment Tax Credit or State Incentives or Rebates related to renewable energy projects financed through the Program. In addition, property owners or third party ownership leasing firms may retain the rights to any of the green attributes that result from projects financed through the Program, including but not limited to carbon credits, renewable energy certificates,
green tags, tradable renewable certificates, renewable energy credits and greenhouse gas offsets; provided, that to the extent such persons or entities do not reserve such rights, CSCDA shall retain such rights.

**CSCDA Obligations.** In addition to its other obligations set forth herein, CSCDA agrees to (a) within a reasonable time following submittal by Administrator, execute documents required to implement the Program including, but not limited to, Assessments; (b) assist with placing Assessments on the property tax roll for the tax roll year immediately following the disbursement date; (c) coordinate with local tax authorities to ensure collection of Assessment payments from property owners; (d) subject to Commission authorization, issue Improvement Bonds or enter into Assignments in a timely manner as requested by Administrator for all projects that have met the Program requirements; and (e) perform such other actions as may be reasonably requested by Administrator to facilitate the development, implementation or activities of the Program, such as attending City or County meetings, bringing items for consideration to the CSCDA Commission, and participating in legislative activities.

**Compensation.**

**Compensation.** As full compensation for the Services, CSCDA shall pay Administrator as set forth in the Approved Fee Schedule, attached hereto as Exhibit B (as may be updated from time to time, the “Administrator Fees”). Notwithstanding any provision in this Agreement to the contrary, neither CSCDA nor the participating municipalities will have any obligation to pay any fees to Administrator for, or to reimburse Administrator for, expenses incurred by Administrator in connection with, providing, or causing to be provided, the Services except for the Administrator Fees. Such Administrator Fees will be Administrator’s sole compensation for providing, or causing to be provided, the Services; provided, that nothing in this Section 4(A) is intended to limit Administrator’s right to be reimbursed for (i) amounts advanced by Administrator on behalf of CSCDA to third parties, or (ii) amounts advanced by Administrator to contractors to pay for work financed under Assessments.

**Additional Services.** CSCDA shall not allow any claims for additional services performed by Administrator, unless the Commission and the Administrator Representative authorize the additional services in writing prior to Administrator’s performance of the additional services or incurrence of additional expenses. Any additional services or expenses authorized by the Commission shall be compensated at the rates set forth in Exhibit B, or, if not specified, at a rate mutually agreed to by the Parties.

**Payment.** The Administrator Fees shall be payable from (a) the proceeds of bonds issued by CSCDA to finance CaliforniaFIRST Program improvements (“Improvement Bonds”), or (b) through the proceeds of voluntary contractual assessments levied on the associated real property (“Assessments”), which have been assigned by CSCDA to finance CaliforniaFIRST Program improvements (“Assignments”), in each case, in accordance with Section 5898.28 of Chapter 29.

**Bond/Assignment Placement and Issuance of Asset-Backed Securities.** CSCDA agrees that Administrator (or an affiliate designated by Administrator) shall have the sole and exclusive right to purchase Improvement Bonds and Assignments related to Assessments originated by
Administrator hereunder, and all proceeds of such Improvement Bond issuances or Assignment closings shall be distributed to Administrator. Administrator may assign such right to close and fund the acquisition of the Improvement Bonds or Assignments to a third party. From time to time, a purchaser of the Improvement Bonds or Assignments may elect at its own expense to (A) securitize its interest in Improvement Bonds or Assignments and sell such securities to the investment community or (B) sell the Improvement Bonds or Assignments. All fees and costs associated with such purchaser’s issuance of asset-backed securities or selling the Improvement Bonds or Assignments, including costs of issuance and annual disclosure costs, shall be borne by the purchaser.

**Ownership of Documents; Intellectual Property.**

Written Products. Upon expiration of, or in the event of termination of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the work, surveys, notes, and other documents prepared in the course of providing the Services, but excluding the Proprietary Software (as defined below) and agreements to which CSCDA is not a party (collectively, “Written Products”) shall become the sole property of CSCDA without restriction or limitation upon its use except as set forth in Section 7 and may be used, reused, disseminated or otherwise disposed of by CSCDA without the permission of Administrator. With respect to computer files containing data generated for the Services, Administrator shall make available to CSCDA, upon reasonable written request by CSCDA, the necessary computer software for purposes of accessing, compiling, transferring and printing computer files. Administrator may take and use copies of the Written Products as desired (subject to the restrictions set forth in Section 7), but the Written Products shall not be the subject of a copyright application by Administrator.

Intellectual Property of Administrator. CSCDA acknowledges and agrees that all intellectual property rights to the name “CaliforniaFIRST” shall belong to Administrator. In addition, CSCDA acknowledges and agrees that any and all computer software and all source code thereof developed by Administrator in performing the Services, including all intellectual property rights contained therein (the “Proprietary Software”), is property of Administrator or its licensors and protected by intellectual property laws and international intellectual property treaties. Administrator agrees to provide CSCDA with a revocable, non-transferable and non-exclusive account to use the Proprietary Software for purposes of accessing computer files containing data generated for the Services in order to perform CSCDA’s obligations under this Agreement. Such license will terminate immediately upon termination of this Agreement. Except for the license granted by this Agreement, Administrator retains all ownership and proprietary rights in and to the Proprietary Software.

Intellectual Property of CSCDA. Administrator shall not obtain trademarks, copyrights or other intellectual property rights that contain or are reasonably likely to be confused with CSCDA. Administrator acknowledges and agrees that all intellectual property rights to the name “CSCDA Open PACE Program” shall belong to CSCDA. Notwithstanding the foregoing, Administrator is hereby authorized to acknowledge in its marketing and branding for the Program in jurisdictions, excluding Los Angeles County and Riverside County, that CaliforniaFIRST is offered through or in association with the CSCDA Open PACE Program.
Independent Contractor.

A. Administrator is, and shall at all times remain as to CSCDA, a wholly independent contractor. The personnel performing the Services on behalf of Administrator shall at all times be under Administrator’s (or its subcontractors’) exclusive direction and control. Neither CSCDA nor any of its agents shall have control over the conduct of Administrator or any of Administrator’s or its subcontractors’ employees, except as set forth in this Agreement. Administrator shall not, at any time, or in any manner, represent that it or any of its officers, agents or employees are in any manner employees of CSCDA.

B. No employee benefits shall be available to Administrator in connection with the performance of this Agreement. Except for the Administrator Fees, CSCDA shall not pay salaries, wages, or other compensation to Administrator for performing services hereunder for CSCDA. CSCDA shall not be liable for compensation or indemnification to Administrator for injury or sickness arising out of performing services hereunder.

Confidentiality.

A. Confidential Information. Each Party agrees to establish such systems and procedures as may be reasonable to maintain the confidentiality of the other Party’s Confidential Information (as defined below); provided, however, that such information may be disclosed (a) as required by law or in connection with any legal proceeding, (b) to governmental or regulatory authorities having jurisdiction over such Party, (c) to its legal counsel and auditors, (d) if it has become publicly available other than as a result of a breach of this Section 7, (e) if such information was already in the possession of the receiving Party prior to execution of the Original Agreements, and (f) in the case of Administrator, to its affiliates and its and their officers, directors, employees, agents, representatives, existing or potential future investors and funding sources, and the relevant rating agencies. “Confidential Information” shall mean all confidential and proprietary information disclosed by a Party to the other Party orally or in writing, including but not limited to financial papers and statements, research and development activities, technology, vendor information, computer hardware and software, products, drawings, trade secrets and information regarding business policies, methods and practices, operating procedures, pricing methods, marketing strategies, customer relations, future plans and other information reasonably deemed proprietary or confidential by the disclosing Party.

B. Non-Public Personal Information. In addition to the restrictions set forth in Section 7(A), each Party agrees that it will use, preserve, protect and disseminate any Non-Public Personal Information (as defined below) only in compliance with all applicable law (including all applicable provisions of Gramm Leach Bliley). “Non-Public Personal Information” has the meaning specified in the U.S. Federal Trade Commission’s Rule regarding Privacy of Consumer Financial Information (16 CFR Part 313) that pursuant to any federal or state statute or regulation a Party is precluded from disclosing to a third party in the context of the transactions contemplated by this Agreement, as determined by any Party based on advice of competent independent counsel.
**Conflicts of Interest.** Administrator and its officers, employees, associates and subcontractors, if any, shall comply with all conflict of interest statutes of the State of California applicable to Administrator’s services under this Agreement, including the Political Reform Act (Gov. Code, § 81000 et seq.) and Government Code Section 1090. During the term of this Agreement, Administrator may perform similar services for other clients, but Administrator and its officers, employees, associates and subcontractors shall not, without the CSCDA Representative’s prior written approval, perform work for another person or entity for whom Administrator is not currently performing work that would require Administrator or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Administrator shall use commercially reasonable efforts to incorporate a clause substantially similar to this Section 8 into any subcontract that Administrator executes in connection with the performance of this Agreement.

**Indemnification.**

A. **Indemnities for Third Party Claims.** Administrator shall defend, indemnify, and hold harmless CSCDA, its officers, commissioners, employees, representatives, attorneys and agents (collectively, the “Indemnified Parties”) from and against any and all actions, suits, proceedings, claims, demands, losses, damages, and liabilities (collectively, “Covered Losses”) which may accrue against the Indemnified Parties, or any of them, arising out of this Agreement, including but not limited to:

Transactions contemplated by this Agreement, including but not limited to, any Assessments originated or proposed to be originated by Administrator, any property improved or proposed to be improved thereby (“Covered Property”), any owner of such property (“Covered Property Owners”), any improvements financed or proposed to be financed on such property (“Covered Improvements”), or any Improvement Bonds, Assignments or other financing, proposed or otherwise, in connection therewith (“Covered Financings”);

Negligence of Administrator or any of its licensees, agents, affiliates, subcontractors, servants, employees, owners, directors, representatives or consultants, including without limitation sales personnel selected, registered, or approved by Administrator to perform marketing and sales of the CaliforniaFIRST Program or to procure or install Covered Improvements (the “Covered Parties”) in connection with the CaliforniaFIRST Program and including but not limited to the negligence of a Covered Party in connection with the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in, on or about, or from the planning, design, acquisition, installation or construction of, any Covered Improvements or Covered Property;

any lien or charge upon payments by Administrator to CSCDA, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on CSCDA in respect of any portion of any Covered Improvements or Covered Property;
any violation of any laws, regulations or orders with respect to, or the release of any hazardous substances from, any Covered Property or Covered Improvements or any part thereof;

the refinancing, reissuance, defeasance, redemption or prepayment, in whole or in part, of any Covered Financing;

any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure or continuing disclosure document for any Covered Financing or any of the documents relating to a Covered Financing, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for a Covered Financing of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

the trustee’s acceptance or administration of the trust of any indenture or trust agreement in connection with a Covered Financing, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to a Covered Financing to which it is a party;

except, in any event covered by clauses (1) through (7) above, to the extent such damages are caused by the willful misconduct of such Indemnified Party or are otherwise not permitted to be the subject of this indemnification as a matter of law.

B. Indemnification Procedures. In the event that any claim, action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, Administrator, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by Administrator and reasonably acceptable to the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to control all aspects of the defense, negotiation, or settlement of any such claim in its sole discretion; provided, however, that any non-monetary terms of such compromise or settlement shall be reviewed and approved by the Indemnified Party. If a conflict of interest exists by reason of common representation, each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and Administrator shall pay the reasonable fees and expenses of such separate counsel.

Independent Contractor Relationship. Administrator shall pay all required taxes on amounts paid to Administrator under this Agreement, and indemnify and hold CSCDA harmless from any and all taxes, assessments, penalties and interest asserted against CSCDA by reason of the independent contractor relationship created by this Agreement. Administrator shall fully comply with the workers’ compensation law regarding Administrator and Administrator’s employees. Administrator shall indemnify and hold CSCDA harmless from any failure of Administrator to comply with applicable workers’ compensation laws. CSCDA may offset against the Administrator Fees any amount due to CSCDA from Administrator as a result of Administrator’s failure to promptly pay to CSCDA any reimbursement or indemnification arising under this Section 9(C).
Subcontractors. Administrator shall use commercially reasonable efforts to obtain executed indemnity agreements with provisions substantially similar to those in this Section 9 from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Administrator in the performance of this Agreement. If Administrator fails to obtain such indemnity obligations, Administrator shall be fully responsible and indemnify, hold harmless and defend the Indemnified Parties from and against any and all liabilities in law or equity, whether actual, alleged or threatened, which arise out of, are claimed to arise out of, pertain to, or relate to the acts or omissions of Administrator’s subcontractors, its officers, agents, servants, employees, or their officers, agents, servants or employees (or any entity or individual that Administrator’s subcontractor shall bear the legal liability thereof) in the performance of this Agreement, except for Covered Losses arising from the willful misconduct of the Indemnified Parties.

C. Workers’ Compensation Acts not Limiting. Administrator’s indemnifications and obligations under this Section 9, or any other provision of this Agreement, shall not be limited by the provisions of any workers’ compensation act or similar act. Administrator expressly waives its statutory immunity under such statutes or laws as to CSCDA, its officers, agents, employees and volunteers.

Insurance Requirements not Limiting. CSCDA does not, and shall not, waive any rights that it may possess against Administrator because of the acceptance by CSCDA, or the deposit with CSCDA, of any insurance policy or certificate required pursuant to this Agreement. The indemnities in this Section 9 shall apply regardless of whether or not any insurance policies are determined to be applicable to the Covered Losses, tax, assessment, penalty or interest asserted against CSCDA.

Survival of Terms. Administrator’s indemnifications and obligations under this Section 9 shall survive the expiration or termination of this Agreement.

Insurance.

Minimum Scope and Limits of Insurance. Administrator shall procure and at all times during the term of this Agreement carry, maintain, and keep in full force and effect, insurance as follows:

Commercial General Liability Insurance with a minimum limit of Two Million Dollars ($2,000,000) per occurrence for bodily injury, personal injury and property damage and a general aggregate limit of Two Million Dollars ($2,000,000) per project or location and no deductible. If Administrator is a limited liability company, the commercial general liability coverage shall be amended so that Administrator and its managers, affiliates, employees, agents and other persons necessary or incidental to its operation are insureds.

Automobile Liability Insurance for any owned, non-owned or hired vehicle used in connection with the performance of this Agreement with a combined single limit of One Million Dollars ($1,000,000) per accident for bodily injury and property damage and a deductible of Two Thousand Five Hundred Dollars ($2,500). If Administrator does not use any owned, non-owned or hired vehicles in the performance of services under this Agreement, Administrator shall obtain
a non-owned auto endorsement to the Commercial General Liability policy required under Subparagraph A.1) of this Section 10.

Workers’ Compensation Insurance as required by the State of California and Employer’s Liability Insurance with a minimum limit of One Million Dollars ($1,000,000) per accident for bodily injury or disease. If Administrator has no employees while performing services under this Agreement, workers’ compensation policy is not required, but Administrator shall provide an executed declaration that it has no employees.

Professional Liability Insurance or Errors and Omissions Insurance with minimum limits of Two Million Dollars ($2,000,000) per claim and in aggregate, and a deductible of Two Hundred Fifty Thousand Dollars ($250,000).

Acceptability of Insurers. The insurance policies required under this Section 10 shall be issued by an insurer admitted to write insurance in the State of California with a rating of A:VII or better in the latest edition of the A.M. Best Insurance Rating Guide. Self-insurance shall not be considered to comply with the insurance requirements under this Section 10.

Additional Insured. The commercial general and automobile liability policies shall contain an endorsement naming CSCDA, its officers, employees, agents and volunteers as additional insureds.

Primary and Non-Contributing. The insurance policies required under this Section 10 shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance available to CSCDA. Any insurance or self-insurance maintained by CSCDA, its officers, employees, agents or volunteers, shall be in excess of Administrator’s insurance and shall not contribute with it.

Administrator’s Waiver of Subrogation. The insurance policies required under this Sections 10 (except for the workers’ compensation insurance policy required under Section 10(A)(3)) shall not prohibit Administrator and Administrator’s employees, agents or subcontractors from waiving the right of subrogation prior to a loss. Administrator hereby waives all rights of subrogation against CSCDA except with respect to the policies described in Section 10(A)(3).

Deductibles and Self-Insured Retentions. Any self-insured retentions must be approved by CSCDA. At CSCDA’s option, Administrator shall either reduce or eliminate the self-insured retentions with respect to CSCDA, or Administrator shall procure a bond guaranteeing payment of losses and expenses. Administrator must obtain CSCDA’s consent to reduce the deductibles set forth in Section 11(A).

Cancellations or Modifications to Coverage. Administrator shall not cancel, reduce or otherwise modify the insurance policies required by this Section 10 during the term of this Agreement. If any insurance policy required under this Section 10 is canceled or reduced in coverage or limits, Administrator shall, within five (5) business days of notice from the insurer, phone, fax or notify CSCDA via certified mail, return receipt requested, of the cancellation of or changes to the policy.
CSCDA Remedy for Noncompliance. If Administrator does not maintain the policies of insurance required under this Section 10 in full force and effect during the term of this Agreement, or in the event any of Administrator’s policies do not comply with the requirements under this Section 10, Administrator shall remedy such noncompliance within five (5) business days of notice by CSCDA. If Administrator fails to cure such noncompliance within such five (5) day period, CSCDA may either immediately terminate this Agreement or, if insurance is available at a reasonable cost, CSCDA may, but has no duty to, take out the necessary insurance and pay, at Administrator’s expense, the premium thereon. Administrator shall promptly reimburse CSCDA for any premium paid by CSCDA or CSCDA may withhold from the Administrator Fees amounts sufficient to pay the premiums from payments due to Administrator.

Evidence of Insurance. Prior to commencing the Services, Administrator shall furnish CSCDA’s Representative with a certificate or certificates of insurance and all original endorsements evidencing and effecting the coverages required under this Section 10. The endorsements are subject to CSCDA’s approval. Administrator may provide complete, certified copies of all required insurance policies to CSCDA. Administrator shall maintain current endorsements on file with CSCDA’s Representative. Administrator shall provide proof to CSCDA’s Representative that insurance policies expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Administrator shall furnish such proof at least two (2) weeks prior to the expiration of the coverages.

Subcontractor Insurance Requirements. Administrator shall require each of its subcontractors performing Services hereunder to maintain insurance coverage that meets all of the requirements of this Section 10.

Mutual Cooperation.

CSCDA’s Cooperation. CSCDA shall provide Administrator with all pertinent data, documents and other requested information as is reasonably available for Administrator’s proper performance of the Services, and shall take other such actions as may be reasonably requested by Administrator.

Administrator’s Cooperation. In the event any claim or action is brought against CSCDA relating to Administrator’s performance of the Services, Administrator shall render any reasonable assistance that CSCDA requires.

Records and Inspections. Administrator shall maintain full and accurate records with respect to all matters covered under this Agreement. Such records shall include, but not be limited to, a database of the financings under the Program including the property address, block and lot number, assessor’s property number (APN), ownership information, original financing amount, annual assessment amount and related bond, and amortization schedules for each of the financings under the Program. Upon two (2) business days’ notice, Administrator shall make all records, invoices, time cards, cost control sheets and other records maintained by Administrator in connection with this Agreement available, without charge to CSCDA, during Administrator’s normal business hours to CSCDA for review and audit by CSCDA. Subject to Section 7, CSCDA may examine
and audit the records and make transcripts therefrom, and inspect all Program data, documents, proceedings and activities.

**Reporting.** Administrator shall provide funding reports to CSCDA on a quarterly basis, or as mutually agreed between the CSCDA Representative and Administrator Representative, with such information as may be reasonably be requested by CSCDA.

**Termination or Suspension of Agreement.**

Right to Terminate or Suspend. CSCDA may terminate or suspend this Agreement at any time, at will, for any reason or no reason, after giving written notice to Administrator at least thirty (30) calendar days before the termination or suspension is to be effective. Administrator may terminate this Agreement at any time, at will, for any reason or no reason, after giving written notice to CSCDA at least thirty (30) calendar days before the termination is to be effective.

Obligations upon Termination. Upon issuance by either Party of a termination notice pursuant to Section 14(A) (a “Termination Notice”), Administrator shall continue to perform the obligations set forth in Sections 2, 4, 5, 6, 7 and 12 of Exhibit A (the “Origination Services”) until the date specified in the Termination Notice or otherwise agreed by the Parties. Administrator shall cooperate with any successor administrator in effecting the termination of the rights and responsibilities of Administrator under this Agreement. Administrator shall as soon as practicable upon demand, deliver to the successor administrator all records in its possession which evidence or relate to the Services. Upon termination of this Agreement, CSCDA shall pay Administrator for work performed through the effective date of termination.

Obligations upon Suspension. Upon issuance by either Party of a suspension notice pursuant to Section 14(A) (a “Suspension Notice”), Administrator shall immediately cease the Origination Services until such date as the Parties agree to resume performance of the Agreement. If the Parties have not reached agreement on resumption of the Services within thirty (30) days of delivery of the Suspension Notice, then the Agreement shall be deemed terminated effective as of such date (or such later date as may be agreed by the Parties) and the provisions of Section 14(B) shall apply.

**Force Majeure.** Administrator shall not be liable for any failure to perform its obligations under this Agreement if Administrator presents reasonably acceptable evidence that such failure was due to strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond Administrator’s reasonable control and not due to any act by Administrator.

**Notices.** Any notices, consents, requests, demands, bills, invoices, reports or other communications which either Party may desire to give to the other Party under this Agreement must be in writing and conclusively deemed effective: (a) on personal delivery, (b) on confirmed delivery by reputable document delivery service or courier service during Administrator’s and CSCDA’s regular business hours, or (c) five (5) business days after deposit in the United States
mail, by first class mail, postage prepaid, and addressed to the Party to be notified as set forth below:

**Non-Discrimination and Equal Employment Opportunity.** In the performance of this Agreement, Administrator shall not discriminate against any employee, subcontractor or applicant for employment because of race, color, religious creed, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental disability, medical condition, genetic information, sexual orientation or other basis prohibited by law. Administrator will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment, without regard to their race, color, religious creed, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental disability, medical condition, genetic information or sexual orientation.

**Subcontracting.** The Administrator shall not subcontract any portion of the work required by this Agreement without prior written approval of CSCDA, provided that Administrator shall remain primarily responsible for any work performed. CSCDA hereby approves the following subcontractors of Administrator: David Tausig Associates and Spruce.

**Prohibition of Assignment and Delegation.** Administrator shall not assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, without CSCDA’s prior written consent, provided that Administrator may assign this Agreement and any rights or duties hereunder to any of its Affiliates. “Affiliate” shall mean an entity which controls, is controlled by, or is under common control with the Administrator. CSCDA’s consent to an assignment of rights under this Agreement shall not release Administrator from any of its obligations or alter any of its primary obligations to be performed under this Agreement. Any attempted assignment or delegation in violation of this Section 20 shall be void and of no effect and shall entitle CSCDA to terminate this Agreement. As used in this Section 20, “assignment” and “delegation” means any sale, gift, pledge, hypothecation, encumbrance or other transfer of all or any portion of the rights, obligations, or liabilities in or arising from this Agreement to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs.

**No Third Party Beneficiaries Intended.** Except as otherwise provided in Section 9, this Agreement is made solely for the benefit of the Parties and their respective successors and assigns, and no other person or entity may have or acquire a right by virtue of this Agreement.

**Limitations on Liability.**
No Recourse against Constituent Members of CSCDA. CSCDA is organized as a Joint Powers Authority in accordance with the Joint Exercise of Powers Act of the State of California (Government Code Section 6500, et seq.) pursuant to the Joint Powers Agreement and is a public entity separate from its constituent members. CSCDA shall solely be responsible for all debts, obligations and liabilities accruing and arising out of this Agreement. Administrator shall have no rights and shall not make any claims, take any actions or assert any remedies against any of CSCDA’s constituent members in connection with this Agreement.

Direct Damages. Neither Party shall be responsible under this Agreement to the other Party for special, indirect, incidental, punitive, exemplary or consequential damages of any nature whatsoever, including losses or damages caused by reason of loss of use, loss of profits or revenue, interest charges (except as expressly provided herein), cost of capital or claims of customers’ or property owners’ damages, whether liability arises as a result of breach of contract, tort liability (including negligence), strict liability, by operation of law or in any other manner; provided, that the limitation of liability set forth in this Section 22(B) shall not apply to damages arising from a Party’s fraud, gross negligence or willful misconduct, or to third-party indemnity claims pursuant to Section 10.

Waiver. No delay or omission to exercise any right, power or remedy accruing to a Party under this Agreement shall impair any right, power or remedy of such Party, nor shall it be construed as a waiver of, or consent to, any breach or default. No waiver of any breach, any failure of a condition, or any right or remedy under this Agreement shall be (1) effective unless it is in writing and signed by the Party making the waiver, (2) deemed to be a waiver of, or consent to, any other breach, failure of a condition, or right or remedy, or (3) deemed to constitute a continuing waiver unless the writing expressly so states.

Exhibits. Exhibits A and B constitute a part of this Agreement and are incorporated into this Agreement by this reference. If any inconsistency exists or arises between a provision of this Agreement and a provision of any exhibit, the provisions of this Agreement shall control.

Entire Agreement. This Agreement, including all exhibits referred to herein, constitutes the final, complete and exclusive statement of the terms of the agreement between the Parties pertaining to the subject matter hereof and supersedes all other prior or contemporaneous oral or written understandings and agreements of the Parties. No Party has been induced to enter into this Agreement by, nor is any Party relying on, any representation or warranty except those expressly set forth in this Agreement.

Amendment of Agreement. This Agreement may be amended only by a writing signed by both Parties. The CSCDA Executive Director is authorized to sign an amendment to this Agreement on the Commission’s behalf and without the Commission’s prior approval to make the following modifications to the Agreement: (a) name changes; and (b) changes in the scope of Services.

Headings. The headings in this Agreement are included solely for convenience of reference and shall not affect the interpretation of any provision of this Agreement or any of the rights or obligations of the parties to this Agreement.
Word Usage. Unless the context clearly requires otherwise, (a) the words “shall,” “will” and “agrees” are mandatory and “may” is permissive; (b) “or” is not exclusive; and (c) “includes” or “including” are not limiting.

Time of the Essence. Time is of the essence in respect to all provisions of this Agreement that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a Party of the benefits of any grace or use period allowed in this Agreement.

Governing Law and Choice of Forum. This Agreement, and any dispute arising from the relationship between the Parties, shall be governed by and construed in accordance with the laws of the State of California, except that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in interpreting this Agreement. Any dispute that arises under or relates to this Agreement (whether contract, tort or both) shall be resolved in a municipal, superior or federal court with geographic jurisdiction over CSCDA.

Attorneys’ Fees. PURPOSE: Consideration of Amended Indemnification Language for Commercial PACE Projects.

____________________________________________________________________________________

EXECUTIVE SUMMARY:

The CSCDA Commission approved the forms of assessment contracts to be used by the PACE Programs, and the forms include provisions by which property owners agree to waive certain legal rights that they might have against CSCDA and to indemnify CSCDA for costs and liabilities incurred by CSCDA.

After review and approval by CSCDA’s General Counsel, Richards Watson & Gershon the following changes to the property owner waiver and indemnification language is presented for approval by the Commission:

Definition of Liabilities: (collectively, the “Liabilities”). The waivers and releases under this Section 9 shall not extend to Liabilities arising from any party’s (a) obligations under this agreement or (b) gross negligence or willful misconduct; provided, however, that this sentence shall not apply to waivers and releases in favor of the [City/County].

Indemnified Matters: (the “Indemnified Matters”). The indemnity, defense and hold harmless obligations under this Section 10 shall not extend to Indemnified Matters arising from any indemnified party’s gross negligence, willful misconduct or breach of this Agreement; provided, however, that this sentence shall not apply to indemnity, defense and hold harmless obligations in favor of the [City/County].

CSCDA’s General Counsel may, after consultation with the Executive Director and CSCDA staff, approve minor changes to the waiver and indemnity provisions provided that the language remains substantially similar to the language submitted for approval today.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends approval of the updated indemnification language, and allow changes substantially similar in form to the updated indemnification after consultation and approval of CSCDA General Counsel and the Executive Director.

Agenda Report

DATE: September 15, 2016
TO: CSCDA COMMISSIONERS
FROM: Cathy Bando, Executive Director
PURPOSE: Consideration of Amendments to CaliforniaFirst Master Indentures

EXECUTIVE SUMMARY:

Under the CaliforniaFirst PACE Program certain master indentures have been approved by the Commission. Renew Financial, the program administrator, is proposing to create more efficiencies under the master indentures. The plans include the following: (i) limit master indentures to a single securitization, (ii) enhance the securitization process by allowing for consolidation of bond forms immediately prior to securitization, (iii) streamline certain aspects of the residential master indenture in order to save time and reduce administrative hassle for the parties and (iv) finance certain non-bonded assessments.

These proposed initiatives resulted in drafts of the following documents:

1) Master Indenture for Tranche M2 ("Master Indenture M2")
2) Exchange Agreement
3) Master Indenture for M3 ("Master Indenture M3")
4) Depositary and Account Control Agreement to accompany Master Indenture M3 ("DACA M3")
5) Master Assignment Agreement for Non Bonded Assessments ("MAA Non-Bonded")
6) DACA for Non Bonded Assessments ("DACA Non-Bonded")

Orrick, Herrington & Sutcliffe as issuer counsel to CSCDA has reviewed and approved the proposed changes.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends approval of the resolution approving certain amendments to CaliforniaFirst Master Indentures.

RESOLUTION NO. ____

RESOLUTION AUTHORIZING ISSUANCE OF LIMITED OBLIGATION IMPROVEMENT BONDS FOR FINANCING AUTHORIZED IMPROVEMENTS FOR RESIDENTIAL PROPERTY CONTAINING THREE OR FEWER UNITS, APPROVING AND DIRECTING THE EXECUTION OF A MASTER INDENTURE, SUPPLEMENTAL INDENTURES AND AN EXCHANGE AGREEMENT AND APPROVING RELATED DOCUMENTS AND ACTIONS

ALL COVERED JURISDICTIONS

WHEREAS, the California Statewide Communities Development Authority (the “Authority”) is authorized under Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the “Act”) and a joint exercise of powers agreement entered into by a number of California cities, counties and special districts in accordance with the Act to authorize assessments to finance or refinance the installation of distributed generation renewable energy sources, energy efficiency improvements, water efficiency improvements, seismic strengthening improvements, electric vehicle charging infrastructure and such other work, infrastructure or improvements as may be authorized by law from time to time that are permanently fixed to real property (the “Authorized Improvements”), all in accordance with Chapter 29 of Part 3 of Division 7 of the Streets & Highways Code of the State of California, as amended (“Chapter 29”); and

WHEREAS, the Commission of the Authority (the “Commission”) has established the CaliforniaFIRST Program (the “Program”) to provide financing for Authorized Improvements pursuant to Chapter 29; and

WHEREAS, pursuant to the Act, the Improvement Bond Act of 1915, Division 10 of the California Streets and Highways Code (as amended, the “Bond Law”), various resolutions (the “Previous Resolutions of Issuance”) and a Second Amended and Restated Master Indenture, dated as of December 3, 2015 (the “Original Master Indenture”), the Commission previously approved the issuance of limited obligation improvement bonds (“Original Bonds”) under the Bond Law in order to provide financing for Authorized Improvements for residential property containing three or fewer units; and

WHEREAS, Section 8.08 of the Original Master Indenture (“Section 8.08”) provides as follows:

Notwithstanding anything to the contrary herein, this Master Indenture and any Supplemental Indentures may be amended and modified in the following manner at any time the Owner of the Bonds [defined in the Original Master Indenture] is the Sole Owner [defined below]: …

(B) The Sole Owner may direct any series of Bonds (notwithstanding whether any Bonds of such series are owned by the Program Administrator or its affiliates or their respective successors and assigns) to be deemed issued under a separate master indenture and related supplemental indenture that are substantially identical to this Master Indenture and the related Supplemental Indenture(s) for such series of Bonds. As a result, the Assessments that secure the series of Bonds
under the separate master indenture and related supplemental indenture(s) will secure only the series of bonds deemed issued under that separate master indenture and related supplemental indenture(s). The Trustee and Authority agree to enter into any such separate master indentures and supplemental indentures and any other related documentation.

The Original Master Indenture defines “Sole Owner” to mean the owner of the Bonds if all the Bonds (except any Bonds owned by the Program Administrator (as defined in the Original Master Indenture), or its affiliates or their respective successors and assigns) are owned by such owner or its affiliates or their respective successors and assigns; and

WHEREAS, the Sole Owner plans to securitize certain series of Original Bonds that it owns currently (the “Securitization”) and, pursuant to Section 8.08, wishes to deem such bonds (collectively, the “Deemed Bonds”) to be issued under a separate master indenture, labeled “M2” for purposes of differentiation (the “Exchange Master Indenture”), as supplemented by related supplemental indentures (each, an “Exchange Supplemental Indenture”); and

WHEREAS, simultaneously with the deemed issuance described above (the “Deemed Issuance”), the Authority wishes to reduce administrative burden on (and resulting costs to) the Authority and the Program by enabling the owner of Original Bonds to exchange multiple series of Deemed Bonds of matching tenor and interest rate for a single series of bonds of matching tenor and interest rate (the “Exchange,” and such bonds for which the Deemed Bonds would be exchanged, the “Exchange Bonds”); and

WHEREAS, in order to effectuate the Deemed Issuance and Exchange, the Commission wishes to approve the following documents in substantially the form on file with the Secretary: (i) a form of Bond Exchange Agreement pursuant to which the Deemed Issuance and Exchange would occur (the “Exchange Agreement”) and (ii) a form of Exchange Master Indenture and Exchange Supplemental Indenture; and

WHEREAS, all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the Deemed Issuance and Exchange have happened and have been performed in due time, form and manner as required by the laws of the State of California, including the Act and the Bond Law;

NOW THEREFORE, BE IT RESOLVED that the Commission of the California Statewide Communities Development Authority hereby finds, determines and resolves as follows:

1. The above recitals are true and correct.

2. The Commission hereby approves the Exchange Master Indenture and Exchange Supplemental Indenture in substantially the forms on file with the Secretary, together with any changes therein or additions thereto approved by an Authorized Signatory of the Authority (as designated by a current resolution of this Commission), and the execution thereof by an Authorized Signatory shall be conclusive evidence of the approval of any such changes or additions. This Commission hereby authorizes and directs an Authorized Signatory to execute the final forms of the Exchange Master Indenture, and Exchange Supplemental Indenture for each series of Exchange Bonds, for and in the name of the Authority after consultation with appropriate legal counsel for the Authority. The Commission hereby authorizes the delivery and performance of the Exchange Master Indenture, as supplemented by the related Exchange Supplemental Indentures, for the Exchange Bonds.
3. Pursuant to the Bond Law, the Previous Resolutions of Issuance as supplemented by this Resolution, and the Exchange Master Indenture, one or more series of Exchange Bonds are hereby authorized to be issued (constituting the Deemed Issuance) under the terms of the Exchange Master Indenture (with each series of Bonds issued pursuant to a separate Exchange Supplemental Indenture that supplements the Exchange Master Indenture) in an aggregate principal amount not to exceed $200,000. The Exchange Bonds of a series shall be executed in the form, mature, and be payable in the priorities and bear interest at the rates as provided in the related Exchange Supplemental Indenture. The Commission finds that the issuance of the Exchange Bonds complies with the Act, Bond Law and Previous Resolutions of Issuance.

4. The Commission hereby approves the form of the Exchange Agreement in substantially the form on file with the Secretary, together with any changes therein or additions thereto approved by an Authorized Signatory of the Authority (as designated by a current resolution of this Commission), and the execution thereof by an Authorized Signatory shall be conclusive evidence of the approval of any such changes or additions. This Commission hereby authorizes and directs an Authorized Signatory to execute one or more Exchange Agreements in connection with the Original Master Indenture, as supplemented, or any other master indenture, as supplemented, approved by the Commission on the date hereof or from time to time in the future that contains a provision that is substantially similar to Section 8.08 of the Original Master Indenture, for and in the name of Authority after consultation with appropriate legal counsel for the Authority. This Commission hereby authorizes the delivery and performance of each Exchange Agreement by the Authority.

5. All actions heretofore taken by the officers and agents of the Authority with respect to the matters contemplated by this Resolution are hereby approved, confirmed and ratified, and the proper officers of the Authority, including an Authorized Signatory, are hereby authorized, for and in the name and on behalf of the Authority, to do any and all things and take any and all actions and execute and deliver any and all documents that they, or any of them, may deem necessary or advisable in order to consummate the matters contemplated by this Resolution.

6. This Resolution shall take effect immediately upon its adoption.

Agenda Item No. 14

Agenda Report

DATE: September 15, 2016
TO: CSCDA COMMISSIONERS
FROM: Cathy Bando, Executive Director
PURPOSE: Consideration of CSCDA Policy for Renewable Energy Credits for the PACE Programs.

EXECUTIVE SUMMARY:

Under the current assessment contract for CSCDA PACE programs, the renewable energy credits (“RECs”) are allocated to CSCDA. Currently the RECs do not have a value allocated to them. After extensive discussions with PACE counsel and CSCDA’s PACE Administrators, staff is recommending a change to the current policy. Such change would allocate the RECs to the Property Owner (“PO”) or Third Party Owner (“TPO”).

ANALYSIS:

Equitable - The PO or TPO is the owner of the renewable energy system and rightful owner of the RECs with potential value. The PO/TPO owns the system, so the PO/TPO is really the party who caused the production of the clean energy – which is what the REC represents. Furthermore, incentives offered by a utility to a PO/TPO are often coupled with the requirement to transfer RECs in return for the incentive payment(s). If a consumer has already contractually given the RECs away, they will be unable to participate in the utility programs to help offset some of their costs.

Tracking and Customer Service - Owners of RECs must have ability to track RECs consistently and provide associated customer service. Neither CSCDA or its PACE Administrators have the mechanism to currently track, where by a third party owner or aggregator (in case of property owners) would have ability to track.

Cost Impact to Owner - RECs value must be disclosed regardless of their value. And if they have value, that value must be disclosed to the owner and paid to the owner (whether PO or TPO). While CSCDA may argue that they have no value for a PO, a TPO would argue that they have value.
RECOMMENDED ACTION:

CSCDA’s Executive Director recommends approval to allocate the RECs under the CSCDA’s PACE programs to the property owner or third party owner.

Section 1 – Introduction

1 (a) Program Overview

In conjunction with the California Statewide Communities Development Authority (“CSCDA”), a joint powers authority sponsored by the California State Association of Counties and the League of California Cities, CleanFund Commercial PACE Capital, Inc. (“CleanFund”), will offer a commercial PACE Program (“Commercial PACEDirect Program” or “the Program”) under CSCDA’s judicially validated Open PACE program framework (“Open PACE”) that will be available to all property owners located in any California county or incorporated city that has adopted a resolution to participate in Open PACE (an “Active Jurisdiction”).

Using legal authority established by Chapter 29 of Part 3 of Division 7 of the Streets and Highways Code of the State of California (“Chapter 29”), CleanFund provides financing for the installation of energy efficiency, water efficiency, renewable energy, seismic strengthening, electric vehicle charging infrastructure and other improvements authorized by Chapter 29 and under Open PACE that are permanently affixed to real property (the “Improvements”) using the Property Assessed Clean Energy (“PACE”) financing structure. To the extent permitted by Chapter 29, Improvements may be owned by third parties pursuant to leases and/or power purchase agreements.

As set forth more fully in this Program handbook (“Handbook”), CleanFund assumes the responsibilities of administering the Program and underwriting, approving and funding projects. To the extent permitted by Chapter 29, the Commercial PACEDirect Program is designed to finance Improvements through the levy of a contractual assessment (“Contractual Assessment”) pursuant to a contract between CSCDA and the owner of property in an Active Jurisdiction (an “Assessment Contract”) and (i) the issuance by CSCDA of state-tax exempt bonds secured by a voluntary contractual assessment (“Contractual Assessment”) and/or (ii) the assignment by CSCDA (an “Assignment”) of the Contractual Assessment. Contractual Assessment installments are levied annually and included as a line item on the property tax bill (except as otherwise permitted by law), and are collected by the participating taxing agency along with the general State property tax.

This Handbook assumes that the Improvements will be installed on the property on which the Contractual Installment will be levied (the “Property”) and that the party to the Assessment Contract will the owner of the Property (the “Property Owner”). However, to the extent permitted by Chapter 29, the Commercial PACEDirect Program may provide financing for the installation of Improvements on property other than the parcel(s) that will pay the Contractual Assessment(s), in which case the counter-party to the Assessment Contract(s) will be the owner(s) of property that benefit from the installation of the Improvements.

1 (b) Program Purpose
The primary purpose of the Commercial PACEDirect Program is to create a structure through which Property Owners in Active Jurisdictions can finance Improvements for the public purposes specified in Chapter 29. These Improvements can help local governments realize achieve the public purposes described in Chapter 29, including increased public safety, greenhouse gas reductions, reduced water consumption, and increased employment, while simultaneously enabling property owners to reduce the financial burden of the upfront capital required to make the Improvements by spreading the cost over the period of time permitted by Chapter 29 (currently, up to 39 years).

1 (c) Legal Structure of Program

The Program utilizes the provisions of Chapter 29 to enable CSCDA to enter into a Contractual Assessment with a Property Owner for the purpose of financing the installation of Improvements that are permanently affixed to the Property. Under Chapter 29, a Contractual Assessment is an assessment that is levied on the Property parcel pursuant to an Assessment Contract executed by a Property Owner and CSCDA. The form of Open PACE Assessment Contract is included in an Appendix to this Handbook.

Chapter 29 provides “public agencies” (as defined in Chapter 29), such as CSCDA, with the authority to enter into Contractual Assessments, issue bonds, assign Contractual Assessments and collect annual installments of Contractual Assessments (“Installments”) on the county property tax bill. Under the Program, CSCDA enters into a Contractual Assessment with a Property Owner in an amount necessary to: (i) finance the installation of Improvements over a period of up to 39 years, depending upon the expected useful life of the financed Improvements; (ii) pay capitalized interest; (iii) fund a debt service reserve fund; and (iv) pay the costs of financing the project and administering the Program. The Installments of the Contractual Assessment are collected on the participating Property’s county property tax bill. The obligation to pay Installments in accordance with the Contractual Assessment remains with the Property even after the Property is sold or transferred. CSCDA will issue bonds payable from Installments specified in the Contractual Assessment, or alternatively, assign the Contractual Assessment to an assignee. If levied Installments are not repaid in a timely fashion, a judicial foreclosure action may be filed to collect delinquent Installments, plus any penalties and interest. In the event of a foreclosure action, Chapter 29 does not authorize CSCDA to accelerate Installments that are not yet due.

The Program is completely voluntary and does not impact the property tax bills of non-participating properties.

1 (d) Finance Structure of Program

The Program is based on a ‘turnkey financing’ approach, in which CleanFund provides capital, administers the Program, and conducts other activities as set forth in this Handbook. Generally, financing will involve the issuance by CSCDA of a bond that is secured by the Contractual Assessment obligation or Assignment of a Contractual Assessment.
1 (e) Program Administration

CleanFund will serve as the Program Administrator. In this role, CleanFund will administer the Program and will coordinate with the relevant parties that fulfill the disbursement of financing proceeds, and the levy and collection of Contractual Assessment Installments through a third party administrator (“Assessment Administrator”). The Program Administrator will review and approve applications in a timely fashion (see Section 2.c – Application and Financing Process).

1 (f) Local Participation

If a financing applicant’s Property is located in the unincorporated territory of a county, or in an incorporated city, that is not an Active Jurisdiction, the Program Administrator will coordinate with CSCDA and endeavor to encourage that county or incorporated city to become an Active Jurisdiction. In order for a Property to participate in the Program, (1) the incorporated city in which the Property is located, or the county if the Property is in unincorporated territory, must adopt a resolution to join Open PACE, (2) the city or county must be a member of CSCDA, and (3) CSCDA must have established Open PACE in the jurisdiction.

Counties and cities that are interested in participating in Open PACE, or that would like additional information, should email: info@cleanfund.com

2 (a) Program Details

The section below outlines the parameters for eligibility and participation in the Program. In certain circumstances, underwriting exceptions will be made on a case-by-case basis where appropriate risk mitigations exist in the sole discretion of the Program Administrator.

(i) Program Parameters and Project Eligibility Requirements

The Program Administrator will evaluate projects based upon a broad set of criteria. Any exceptions to the Program eligibility criteria will be documented in connection with the underwriting of each transaction; however, in no event will any deviations from the Program criteria contained in the Program Report for Open PACE be permitted. The Program Administrator may choose to accept certain exceptions to its criteria based upon appropriate mitigating factors. Program Administrator reserves the right to decline any financing requests in its sole discretion.

| Financing Term | Up to 39 years, provided that the weighted average life of the financing (weighted by principal amortization) is equal to or less than the weighted average life of the Improvements financed. |
| Closing Costs and Fees | Typical Program costs and fees, legal costs, bond issuance costs, plus servicing fees for Assessment Administrator |
| Financing Rate | Fixed or floating rates of interest determined by Program Administrator on a project-by-project basis. |
| Property Location | Within Active Jurisdictions |
| Property Type | Non-Residential properties |
| Property Value | Property value to be established by Program Administrator based upon higher of assessed value or recent appraised value in Program Administrator’s sole |
Financing amount relative to value shall be subject to the following constraints:

1. Maximum PACE Lien-to-Value not to exceed 20.0%; with all mortgages, a combined mortgage and PACE “LTV” of 100%.
2. The sum of all items appearing on the Property’s annual property tax bill, inclusive of the annual PACE Installments, not to exceed 5.0% of property’s market value as of the execution of the Assessment Contract.

Prepayment

Prepayment of the Contractual Assessment is allowed. The terms and premiums of such prepayment shall be determined on a project-by-project basis.

Environmental Conditions

No serious environmental conditions that are known, or believed to be likely, on the Property that would be reasonably expected to have a material adverse consequence on the value of the Property. Capital Provider may utilize third party services to help assess environmental risk on a case-by-case basis.

(ii) Compliance with Existing Mortgages

Chapter 29 requires CSCDA to cause recordation in the real property records of two notices (which may be combined as described in Chapter 29) at the time an Assessment is executed: (i) a Notice of Assessment and (ii) a Payment of Contractual Assessment Required. The Assessment Contract may be attached to one or both of these notices. Recordation of the Notice of Assessment will establish a lien as security for the obligation to pay installments levied pursuant to the Contractual Assessment. The Contractual Assessment will have the lien priority specified in Government Code 53935. Some loan documents may limit the ability of a Property Owner to further encumber the Property. Property Owners should confirm with any mortgage lender that participation in the Program will not adversely impact their rights with respect to any existing loan documents, or require them to prepay their Contractual Assessment. Property Owners must receive acknowledgement in writing from any existing mortgage lender that the PACE financing will not result in a default under their mortgage documents.

(iii) Eligible Contractors

Contractor eligibility will be evaluated by the Program Administrator on a project-by-project basis. All Contractors must be in compliance with applicable local, State, and federal licensing laws. Contractors must also be licensed in the State of California and registered with the Program. The Program Administrator does not take an active role in Contractor evaluation and is not responsible for any failures in the installation or operation of equipment. As such, Property Owners are encouraged to seek out third-party validation of estimated energy and utility cost savings, as well as engage appropriate counsel to vet the proposals put forward by Contractors in the bid process.

(iv) Eligible Project Lenders

Project lenders purchasing the PACE bond or Assignment must meet certain criteria related to the ability to underwrite and finance transactions, and will be
evaluated on a project-by-project basis. As of the date of this Handbook, the Program Administrator (an approved Capital Provider) is not actively seeking outside capital to fund projects, but may allow for the Property Owner, or qualified outside Capital Providers, to fund projects on a case-by-case basis.

2 (b) Finance Details

(i) Financing Structure

The Program may use either a “Stand-Alone Bond/Assignment” or a “Pooled Bond/Assignment” to finance projects. Under the “Stand-Alone Bond/Assignment” model, an individual bond shall be issued by CSCDA secured by the Contractual Assessment on a single Property on which the financed Improvements are installed. Under the “Stand-Alone Assignment” model, an Contractual Assessment levied on a single Property may be assigned to a Capital Provider. It should be noted that under Chapter 29, Contractual Assessments currently may be assigned only for three (3) years before they must be bonded. CleanFund expects to use the Stand-Alone Assignment structure to provide more cost-effective financing; it will arrange for the assignment by CSCDA of a Contractual Assessment in order to provide on-demand financing, and will cause the issuance of a “Pooled Bond” payable from a number of Contractual Assessments in order to spread long-term financing costs across a number of Properties. Clean Fund may use the “Pooled Bond” structure in two circumstances: (i) As described in the previous paragraph, Clean Fund may use a “Pooled Bond” to provide long-term financing for a number of Properties for which initial financing was provided using a Stand-Alone Assignment structure. (ii) Clean Fund may provide initial, long-term financing to a number of Properties using a “Pooled Bond”.

The pooling process requires various standardization mechanisms across the portfolio of properties, such as interest rate, term, and others. There may be various advantages to this model from a cost and fee perspective, especially as it relates to transactions less than $500,000.

(ii) Financing Cost; Interest Rate

Financing costs may either be paid by the Property Owner directly or included in the Total Financing Amount. Such costs including financing or commitment fees, legal costs, third-party report costs and other costs customarily incurred in such programs. Financing costs will be determined on a project by project basis, with such costs being based upon actual costs, as well as financing or commitment fees that are negotiated on a project-by-project basis. The elements of the Total Financing Amount and financing cost will be set forth in the Commitment Letter and the Assessment Contract. Interest rates will be established on a project-by-project basis, and may be a fixed or floating-rate.
(iii) Important Legal Terms

Once the Assessment Contract has been executed and the Notice of Assessment has been recorded, the Property Owner shall be obligated to pay all Installments of the Contractual Assessment pursuant to the Assessment Contract.

Additional terms may apply to Property Owners and Contractors beyond those discussed in this Handbook, and may be set forth in the terms and conditions of the Capital Provider.

Note: The failure to pay the Contractual Assessment in full will result in financial repercussions, including penalties, interest, and possibly foreclosure of the Property.

(iv) Financing Amount

The minimum amount of financing is presently $50,000 and maximum financing is $25,000,000 for individual transactions. These minimum and maximum amounts may be adjusted at the discretion of the Program Administrator from time to time, in order to meet current conditions of the capital markets.

All projects are subject to the fees and costs outlined in this Handbook, which shall be due and payable at closing. All fees, including capitalized interest (which may be funded for up to two years), can be added to the Total Financing Amount and paid over the term of the financing along with ordinary principal and interest payments.

(v) Administrative Fees

In order to receive financing, Property Owners must agree to pay administrative and financing fees, some of which are paid at closing and others that are paid over time along with each Contractual Assessment Installment. The fees related to a specific project will be set forth in the Commitment Letter and Assessment Contract.

Application or Underwriting Fees: Application and/or underwriting fees may be charged in connection with submission of the Initial App or upon execution of a Letter of Intent (“LOI”).

Closing Fees: Closing fees can be included in the Total Financing Amount and will vary depending on bond structure and project size. Closing fees include program administration, financing, underwriting, legal document preparation and review, lien recordation, and other transaction related project fees.

Optional Project Underwriting and Financing Fees: Property Owners may opt to pay additional closing fees in return for additional services related to project scope and review, financing structuring, or mortgage lender negotiation. Optional fees must be specifically related to project design, financing, or installation.

Ongoing Fees: Fees related to the ongoing administration of Contractual Assessment Installments include the amount charged by counties to collect
Contractual Assessment Installments on the county property tax bill as well as the ongoing costs of the Program Administrator and CSCDA.

2 (c) Application and Financing Process

The application and financing process is set forth below in summary form, then in a more detailed format. As previously noted, the funding of a project may be accomplished either through a Capital Provider’s purchase of a bond or Assignment.

(i) Overview of Application and Financing Process

From the perspective of the Property Owner, the application and funding process consists of four (4) steps:

1. Initial App: Submission of the Initial App, including various data points to confirm Property eligibility, including Property value, requested Total Financing Amount, and scope of Improvements;

2. Letter of Intent: Execution of Letter of Intent which is a non-binding term sheet outlining financing terms;

3. Underwriting, Final App: Following underwriting, assuming approval, execution of a Commitment Letter which is a binding agreement to proceed with Program financing;

4. Closing and Funding: The transaction is deemed closed with the execution of Assessment Contract and other Program documents and funding of the project, which occurs upon issuance of a PACE bond or Assignment.

(ii) Detailed Application and Financing Process

A more complete sequence of events and documents related to the application, underwriting, closing and funding of qualified projects is set forth below:

1. Initial App:
   
   a. Project Screening and Initial Proposal: Property Owners engage with Capital Provider to determine the potential feasibility of financing energy or water Improvements using the Commercial PACEDirect Program. Capital Provider may provide to the Property Owner an indicative proposal of possible financing terms while it screens the Property for eligibility.

   b. Submission of Initial App: Property Owner submits an Initial App, or completed initial questionnaire (“Initial App”) to Program Administrator to facilitate evaluation of the contemplated project. This Initial App includes the project definition, estimated scope of work, estimated cost and other information.

2. Letter of Intent: Following Program Administrator’s receipt and approval of the Initial App, it will present to the Property Owner a
detailed LOI for the Property Owner to review and execute. The LOI contains detailed terms of the proposed financing. The LOI may require the Property Owner to post a nominal Program underwriting fee and/or deposit.

3. Underwriting and Final Application:
   
a. Following execution of the LOI, Capital Provider commences underwriting of the transaction, which includes working with the Property Owner to obtain mortgage lender acknowledgement (if the Property has a mortgage), and evaluating various aspects of the proposed project and credit characteristics of the Property. To facilitate Capital Provider’s underwriting, Property Owner provides various other data and documents, including but not limited to:
   
i. Mortgage lender statement (most recent)
   ii. Written mortgage lender acknowledgement
   iii. Tax ID number for Property Owner
   iv. Property Owner and related entity organizational documents, (e.g., operating agreement, articles of incorporation) along with corporate resolutions of Property Owner(s) that establish authority of the Property Owner and designated individuals to execute the Assessment Contract.
   v. Property appraisal (most recent)
   vi. Property tax bill (most recent)
   vii. Financial statements of the Property or Property Owner (prior two full years and year-to-date)
   viii. Rent roll showing details of tenant leases
   ix. Evidence of property insurance
   x. Final Program application
   xi. Contractor and engineer certification package (setting forth detailed project scope/description, item eligibility, cost estimates and savings estimates)

b. Upon completion of the underwriting process, Program Administrator will approve or decline the Property Owner’s final application based upon its evaluation of the project in relation to eligibility requirements set forth in this Handbook, and other factors in its sole discretion. If approved, Capital Provider issues a commitment letter (“Commitment Letter”) to the Property Owner, which includes all of the final terms and conditions of the financing, including a funding reservation period. If declined, Capital
Provider issues a notice of declination to the Property Owner.

c. Upon receipt of an executed Commitment Letter from the Property Owner, Capital Provider will prepare and submit closing documentation to the Property Owner, along with ensuring all conditions to closing are met.

4. **Assessment Contract Preparation and Execution:**

   a. Financing documents will be prepared by bond counsel in conformance with the terms and conditions set forth in the Commitment Letter, this Handbook and other documents as appropriate.

   b. Program Administrator, CSCDA and other parties finalize all documentation for the Transaction.

   c. Property Owner, CSCDA and Program Administrator will execute the closing documents.

   d. The Notice of Assessment/Payment of Contractual Assessment Required (which may include the Assessment Contract) is recorded on title, and a final title report is generated witnessing the recording.

   e. A bank is identified by CSCDA to serve as the independent trustee (“Trustee”) for the Bonds or Assignment.

5. **Closing; Transaction Funding:** The transaction is closed and funded in connection with several key events:

   a. Within a period that is typically seven business days following recordation of the Assessment Contract, Capital Provider purchases the PACE bond, or causes an Assignment of the Assessment Contract.

   b. Proceeds from the purchase of the Bond or the Assignment are used to pay transaction costs and fees, and to fund the Program Account, from which funds are available for disbursement to fund the Improvements.

   c. At closing, or over time following closing, Trustee releases the proceeds from the sale of the PACE bond to pay for the Improvements pursuant to a payment schedule or other Program requirements (in some cases, payments are made to the Property Owner to reimburse them for previously incurred costs).

**(iii) Funding Request and Disbursement**

The Program Administrator will work with the PACE financing trustee to disburse funds from the Program Fund within approximately seven (7) business days of receiving a complete request for disbursement from the
Property Owner or designee. The Assessment Contract may provide for periodic disbursements tied to specific milestones ("progress payments"). Such progress payments will be based on the approved PACE project scope outlined in the Assessment Contract or Construction Contract. Progress payments shall be made no more frequently than monthly, based on a percentage of work completed, or other such milestone payment schedule as may be established between the Program Administrator and Property Owner.

In general, the Program Administrator will require and review the various forms of documentation in connection with approving the release of progress payments, including but not limited to the following:

1. Applicable Building/Construction Permit(s), Material Needs List, Scope of Work to be completed within Progress Milestone.
2. AIA G702 or equivalent invoices, Cost Statements (or equivalent) from Contractor showing progress to date.
3. Fully Executed Unconditional or Conditional Lien Waiver and Release on Progress Payment, as applicable.
4. Photographic documentation of completed work.
5. Certification of Contractor, architect, engineer and owner that the milestone related to the applicable Improvement has been achieved, inspected and has been installed in accordance with plans and specifications.
6. Executed Disbursement Request.

The Program Administrator will require and review the following documentation in coordination with the release of the final progress payment:

1. Signed final permit inspection from Building Inspection Department (or equivalent approving authority), including, if applicable, permission to operate Improvements in accordance with municipal requirements.
2. AIA G702 or equivalent final invoice from all Contractor(s) and engineer(s) for all Improvements completed on the Property.
3. Fully Executed Conditional and/or Unconditional Lien Waiver and Release Upon Final Payment.
4. Photographic documentation of completed work.
5. Certification of Contractor, architect, engineer and owner that the milestone related to the applicable Improvement has been achieved, inspected and has been installed in accordance with plans and specifications.
6. Executed Disbursement Request.

Once the conditions above have been met and relevant documentation received, the Program Administrator will approve the Trustee to release funds to the Property Owner or Contractor, as specified in the Disbursement Request.
(iv) Transfer or Resale of Property

If the subject Property is transferred or sold prior to the end of the term of the Contractual Assessment, the unpaid Contractual Assessment will remain with the Property, without any further approval by the new owner of the Property. A Property Owner may choose to prepay the outstanding balance of the Contractual Assessment Installments, subject to the prepayment provisions outlined in this Handbook. Participants in the Program agree to make all necessary disclosures regarding the existence of the Contractual Assessment in connection with any Property sale or transfer.
(v) Technical Details

1. Authorized Improvements
All Improvements must meet the following set of criteria to be eligible for Commercial PACEDirect Program Financing:

a. Effective Useful Life ("EUL") of five years or longer.
b. Permanently affixed to the Real Property or building as defined in Chapter 29.
c. Capacity to reduce energy or water usage, produce on-site renewable energy generation, provide seismic strengthening, provide infrastructure for electric vehicle charging or achieve other public purposes identified in Chapter 29.

The hard and soft costs that are incurred in connection with installation of Authorized Improvements are eligible for financing under the Program, including design, permitting and other costs customarily incurred in connection with installation of Authorized Improvements. The Program maintains a list of common energy efficiency, renewable energy, water conservation and seismic strengthening measures on its web site at www.cleanfund.com.

Additional custom measures will be evaluated on a project-by-project basis to validate energy and water savings, seismic strengthening or renewable generation capacity.

The Program Administrator does not recommend any specific measures or provide performance guarantees for any Improvements financed through the Commercial PACEDirect Program. Neither CleanFund, nor CSCDA or any of its employees or its agents is responsible for the measures or their performance. Property Owners are solely responsible for the installed equipment and any malfunction or failure of that equipment. As such, Property Owners are encouraged to conduct an independent verification of all Improvements with a third-party engineer.

2. Quality Assurance

The Program Administrator will determine that the financed Improvements meet any applicable requirements in Chapter 29.

The Program Administrator must determine that a bona fide reduction in energy and/or water use is associated with the financed Improvements related to energy efficiency, generation or water conservation. This energy savings benefit may be validated by an energy audit or alternative energy assessment.

The Program Administrator requires a written estimate by a licensed architect, engineer and/or Contractor to setting forth the reduction in energy and/or water usage associated with the Improvements.

For seismic Improvements, documentation of the scope of work from a licensed structural engineer is required. Such documentation shall state that the seismic strengthening costs being financed are reasonable, customary, and appropriate to accomplish seismic strengthening given the specific project characteristics.

3. Participation in Rebate/Incentive Programs
Property Owners who apply for and receive financing through the Commercial PACEDirect Program may also apply for rebate and incentive programs offered through the regulated utilities. Participation in these programs is entirely voluntary and at the discretion of the Property Owner.

Section 3 – General Terms and Provisions

3 (a) Taxes

Property Owners shall be solely responsible for the federal and State tax implication of their participation in the Commercial PACEDirect Program.

3 (b) Changes in State and Federal Law

CSCDA’s ability to issue bonds, or execute Assignments, is subject to a variety of state and federal laws. If those laws, or the judicial interpretation thereof, were to change after the Property Owner has applied for funding (and, thereafter, incurred the cost of installation in anticipation of Program funding) but before CSCDA issues a bond or executed an Assignment to finance the funding request, CSCDA may be unable to fulfill the funding request. CSCDA shall have no liability as a result of any such change in law or judicial interpretation.

3 (c) Changes in the Program Terms; Severability

This Handbook shall only be used as a reference document and is subject in its entirety to the Program Report for Open PACE, as may be amended by the Commission from time to time (the “Program Report”). CleanFund reserves the right to make modifications to the terms and provisions contained herein at any time and without notice. If any provision within this Handbook is determined to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Handbook and shall not affect the validity and enforceability of any remaining provisions. It is the Property Owner’s sole responsibility to ensure that they have the most up-to-date version of Program documents.

3 (d) Disclosure of Property Owner Information

Property Owners must agree to allow the Program to disclose its personal/corporate information submitted as part of the Program to the Program Administrator, and that the Program and the Program Administrator may disclose the Property Owner’s information to third parties when such disclosure is essential to the conduct of the Program’s business or to provide services to the Property Owner, including but not limited to where such disclosure is necessary to: (i) comply with the law, legal process or regulators, and (ii) enable Open PACE or the Program Administrator’s employees or consultants to provide services to the Property Owner or to otherwise perform their duties. The Program will not provide Property Owner information to third parties for telemarketing, e-mail or direct mail solicitation.
All Property Owner information obtained is treated with care in order to protect privacy and security.

3 (e) **Renewable Energy Credits**

Unless CSCDA and a Property Owner otherwise agree in an Assessment Contract, CSCDA maintains the rights to all Renewable Energy Credits (RECs) for all projects financed through the Commercial PACEDirect Program.

3 (f) **Fraud**

Giving materially false, misleading or inaccurate information or statements to the Program or its agents and partners (or failing to provide the Program with material information) in connection with an application is punishable by law. Material representations include, but are not limited to, representations concerning the project costs, ownership structure and financial information relating to the Property and the applicant.

3 (g) **Exceptions to these Terms and Provisions**

The Program Administrator may make exceptions to the terms and provisions detailed in this Handbook where there is a finding that such exception furthers the goals and objectives of the Program, but no such exceptions may conflict with the Program Report.

Agenda Item No. 16

Agenda Report

DATE: September 15, 2016

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE: Consideration of General Liability Insurance for CSCDA.

BACKGROUND AND SUMMARY:

On the advice of General Counsel, CSCDA staff requested quotes for general liability insurance for CSCDA. Over the past year a number of CSCDA JPA members have requested proof of such insurance prior to opting in to CSCDA’s PACE programs.

CSCDA received a quote from Interwest Insurance Services for $400 annually consisting of $2,000,000 in aggregate general liability coverage. Interwest also provides CSCDA’s current Directors and Officers insurance policies.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends approval of CSCDA obtaining general liability insurance based upon the above-referenced quote from Interwest Insurance Services.
