WHEREAS, Camellia Place 2, L.P., a California limited partnership, and entities related thereto (collectively, the “Borrower”), has requested that the Authority issue and sell revenue bonds to assist in the financing of the construction and development of a 16-unit housing development located on two sites in unincorporated Kern County, California, and generally known as Camellia Place II Project (each such site a “Project Site” and collectively, the “Project”);

WHEREAS, on March 15, 2017, the Authority received an allocation in the amount of $4,700,000 (the “Allocation Amount”) from the California Debt Limit Allocation Committee in connection with the Project;

WHEREAS, the County of Kern is a Program Participant (as defined in the Agreement) of the Authority and has authorized the issuance of the Bonds;

WHEREAS, the Authority is willing to issue not to exceed $5,500,000 aggregate principal amount of its Multifamily Housing Revenue Bonds (Camellia Place II Project), 2017 Series R (the “Bonds”), provided that the portion of such Bonds issued as federally tax-exempt obligations shall not exceed the Allocation Amount, and loan the proceeds thereof to the Borrower to assist in providing financing for the Project, which will allow the Borrower to reduce the cost of the Project and to assist in providing housing for low income persons;

DATE: June 15, 2017

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PURPOSE: Consideration of recommendation for appointment of CSCDA Auditor pursuant to responses to CSCDA’s request for proposals.

EXECUTIVE SUMMARY:

On March 16, 2017, pursuant to CSCDA’s Professional Services Policy, the Commission approved the issuance of a request for proposals (RFP) for annual auditing services.

CSCDA received three proposals from the following firms: (1) Macias Consulting; (2) Macias, Gini & O’Connell (MGO); and (3) Mann, Urrutia & Nelson (MUN).

Staff and the Profession Services Ad Hoc Committee reviewed the proposals, and are recommending the approval of MUN. The qualifications and pricing for MUN fit well with the needs of CSCDA. This will be a change from CSCDA’s current auditor MGO.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends that the Commission appoint Mann, Urrutia & Nelson as CSCDA’s auditor. A contract will be reviewed by CSCDA’s General Counsel and brought back to the Commission for approval.
EXECUTIVE SUMMARY:
At the June 1, 2017 Commission meeting, the Chairman appointed an Ad Hoc Committee to develop policy recommendations regarding Charitable Contributions. The Ad Hoc Committee that was established includes Dan Harrison, Larry Combs and Kevin O’Rourke. Prior to July 1, 2015, 5% of CSCDA’s Issuance Fees funded a Charitable Contributions Fund up to $100,000 annually. The Fund was discontinued under the CSCDA Program Administration Agreement with Bridge Strategic Partners and the Administrative Agreement with the League of California Cities and CSAC dated July 1, 2015.

Beginning in FY 2017 the Commission budgeted $30,000 for Marketing and Sponsorships in the Professional Services Fund. The Professional Services Fund is funded with 5% of CSCDA’s Bond Administration Fees up to $500,000 annually.

AD HOC COMMITTEE DELIBERATIONS AND RECOMMENDATIONS:
The Charitable Contributions Ad Hoc Committee has several recommendations as follows:

**Support for Marketing and Sponsorship Activities**
- The ad hoc committee recommends that the term “charitable contributions” be discontinued and that the budget line item for Marketing and Sponsorships be expanded to include support for professional organizations seeking CSCDA’s support and to pay marketing expenses incurred by the executive director or commissioners of CSCDA
- The Charitable Contributions Ad Hoc Committee will be renamed the Marketing and Sponsorships Ad Hoc Committee

**Sponsorship Approval Guidelines**
- Professional organizations that are sponsored by CSCDA must demonstrate a direct relationship to the services CSCDA offers
- The professional organization must provide meaningful exposure and value to CSCDA, and will either provide a spokesperson from CSCDA with speaking time to describe
CSCDA services, or provide CSCDA representatives with sufficient opportunities for face-to-face time with the organization’s members during the sponsored event

- CSCDA will provide professional organizations with a written description of CSCDA’s sponsorship requirements which are detailed below:
  - The professional organization must recognize CSCDA as a sponsor in its written program materials for the sponsored event
  - When CSCDA is the sponsor of a speaker, in addition to recognizing CSCDA in program materials, CSCDA must be verbally recognized as the speaker sponsor
  - If CSCDA sponsorships are used to provide scholarship grants, the scholarship recipient must be informed that CSCDA is the sponsor of the scholarship

Marketing Expenses
Expenses will be paid from Marketing and Sponsorships and will include:

- Travel and entertainment expenses incurred by Commissioners or the Executive Director in connection with sponsored events or marketing meetings
- Advertising in publications circulated to individuals/organizations that would benefit from CSCDA’s services
- Costs associated with the development and production of written marketing materials
- Costs of engaging public relations professionals to write articles about CSCDA’s services

Marketing and Sponsorship Approval Process

- Marketing costs and sponsorships over $5,000 will be vetted by the Marketing and Sponsorships Ad Hoc Committee and will be submitted to the Commission for approval
- Marketing costs and sponsorships at or under $5,000 can be approved by the Executive Director in accordance with the approved budget and established approval guidelines
- The Executive Director will provide quarterly reports to the Commission regarding the use of Marketing and Sponsorship funds

Marketing Plan

- The Ad Hoc Committee believes it would be beneficial to CSCDA if meetings were scheduled with senior officials and/or elected officials of certain cities and counties
- The Ad Hoc Committee requests that BSP and the Executive Director identify a list of cities and counties that should be visited
- Meeting dates with targeted cities and counties will be scheduled by BSP and the Executive Director and should include a representative from the Commission

Funding Source

- The amount budgeted for Marketing and Sponsorships will be determined at the end of each fiscal year for the subsequent fiscal year
- Ad Hoc Committee recommends budgeting $100,000 for Marketing and Sponsorships in the 2017-18 Budget

COMMISSION ACTION RECOMMENDED BY THE EXECUTIVE DIRECTOR:

The Executive Director recommends that the Commission approve the above recommendations of the Ad Hoc Committee regarding Marketing and Sponsorship as a CSCDA policy.
Agenda Item No. 8

Agenda Report

DATE:       June 15, 2017
TO:         CSCDA COMMISSIONERS
FROM:       Cathy Bando, Executive Director
PURPOSE:    Update regarding PACE and Consideration of Appointment of an Open PACE Advisory Board.

SUMMARY:

As the Commission is aware PACE has recently been in the news and a number of bills are moving through the Legislature relating to PACE. This report is a brief update and steps that are being taken to address concerns.

SB 242 – Senator Skinner introduced this bill to create additional consumer protections supplementing AB 2693 which went into effect January 1, 2017. The additional protections include: (1) homeowner/administrator complaint resolution process; (2) liability provisions to the program administrators; (3) additional underwriting criteria; and (4) forbearance provisions for delinquent PACE assessments. CSAC and the League of are working closely with the Senator’s office, administrators and CSCDA staff to ensure the bill is meeting the needs of homeowners and PACE programs. The bill has passed in the Senate and is now being considered by the Assembly.

AB 271 – Assemblywoman Caballero introduced this bill to address mechanisms associated with the collection of the PACE assessments. The bill will require that if a PACE assessment becomes delinquent the issuer (i.e. CSCDA) will need to remove the PACE assessment from the tax roll. CSCDA already does this with SCIP and has the ability to do this for PACE. The bill has passed in the Assembly and is currently being reviewed by the Government and Finance Committee at the Senate.

PACE Administrator Protections – The PACE providers under the CSCDA Open PACE program are taking steps to address many of the concerns CSCDA and others are hearing. Staff will bring back to a future Commission meeting a detailed presentation of the additional steps that are being considered which include increased contractor oversight, increased follow-up call requirements to homeowners and other improvements.

In addition, Staff is working with CSCDA Open PACE administrators to change the messaging of Open PACE to cities and counties to clarify CSCDA’s role in the Open PACE process. The various Open PACE Administrators currently do not represent CSCDA Open PACE with a uniform message.
Creation of Open PACE Advisory Board – In order to receive direct feedback and recommendations from cities and counties regarding improvements/changes that can be made to Open PACE, staff recommends the creation of an Open PACE Advisory Board. The Open PACE Advisory Board would consist of city and county representatives who have experience or an interest in improving the delivery of PACE to residents in their communities. Staff will consult with the League and CSAC on potential city/county representatives. The representatives would be staff at the city or county who are involved with PACE and are likely to be personnel from sustainability departments. Staff will bring back recommendations for appointments to the Commission. The initial recommendation is a six person advisory board consisting of three city and three county representatives.

RECOMMENDED ACTION:

CSCDA’s Executive Director recommends that Staff work with the League and CSAC to establish a six person Open PACE Advisory Board which will consist of three city and three county representatives. Recommendations for appointments to the Open PACE Advisory Board will be brought back to the Commission after the representatives have agreed to serve.

Agenda Report

DATE: June 15, 2017

TO: CSCDC BOARD OF DIRECTORS

FROM: Cathy Bando, Executive Director

PURPOSE: Consideration of resolution approving the filing of an application requesting an allocation of New Markets Tax Credits

SUMMARY:

On April 24, 2013, CSCDC was awarded $35,000,000 in New Markets Tax Credit (NMTC) allocation during Round 10; on June 5, 2014, CSCDC was awarded $38,000,000 in NMTC allocation during Round 11; and on November 17, 2016, CSCDC was awarded $70,000,000 in NMTC allocation during Round 13. The next round of allocation availability (Round 14) has commenced and the U.S. Treasury Department’s CDFI Fund will be receiving applications from community development entities seeking NMTC allocation. Staff has been working diligently on the Round 14 application and a brief overview of the Round 14 application can be found in Attachment A. If the resolution is adopted, the application will be submitted on or before June 20, 2017 and awards are expected in winter, 2018.

RECOMMENDED ACTION:

CSCDC’s Executive Director recommends that the directors of CSCDC approve the Resolution (in the form of Attachment B) as submitted to the directors, which:

1. Approves the filing of an application for an allocation of New Markets Tax Credits; and

2. Authorizes any member of the Board of Directors or a designated agent of the Board of Directors (each, an “Authorized Officer”) to do any and all things and to execute and deliver any and all documents which such Authorized Officer may deem necessary or appropriate to complete the allocation application.
Attachment A

Overview of Allocation Application

CSCDA created a Community Development Entity (“CDE”), California Statewide Communities Development Corporation (“CSCDC”), to provide below-market rate “gap financing” to communities throughout the State of California, enhancing the subsidized financing programs already offered by CSCDA (such as industrial development bonds, affordable housing bonds, nonprofit bonds and other tax-exempt bonds for over 530 cities, counties and special districts. CSCDC will be seeking a $72 Million allocation of New Markets Tax Credits from the U.S. Treasury’s CDFI Fund.

Similarly to its Round 10, 11 and 13 Applications, CSCDC will focus on communities that traditionally lack access to capital in both minor urban areas, such as cities throughout the Central Valley, as well as major urban areas where vulnerable populations are in need of services. CSCDC will target communities that suffer chronic underinvestment due to perceptions of poor credit worthiness. CSCDC will have a special emphasis on projects that have difficulty attracting sufficient financing and create public benefit by providing critical community services that promote economic development, health, and education.

The focus of CSCDC is driven by that of the founding members of the League and CSAC, which are the leading advocates for the interests of California’s cities and counties, and the enhancement of the quality of life and welfare of citizens. CSCDC anticipates that it will be able to access high impact projects that uniquely cater to the provision of public benefits for communities, through leveraging the deep existing networks of relationships of the CSCDA, the League, and CSAC in small cities and districts that receive fewer public resources and investment.

CSCDC will provide NMTC financing for businesses and facilities that promote public benefit through: 1) economic development through creating jobs, technologies, and goods and services with an emphasis on benefits for Low Income Persons; 2) health and social welfare and healthy living; 3) education and job training. Such businesses and projects are particularly challenged to fund capital gaps, as the State’s poor credit and finances have made raising conventional debt and equity financing more expensive, and made government subsidies even scarcer. CSCDC anticipates that it will be able to access high impact projects that uniquely cater to the provision of public benefits for communities, through leveraging the deep existing networks of relationships of CSCDA in small cities and districts that receive fewer public resources and investment.
RESOLUTION NO. 17-01
