Summary of Project:

The Napa Pipe Redevelopment Project (the “Project”) was established to finance environmental remediation for a proposed project in the County of Napa through the establishment of a community facilities district (CFD). The Project is located in the southern portion of Napa County, just outside the Napa city limits. Attachment A is an artist’s rendering of the future development.

On March 22, 2016, the Napa County Board of Supervisors approved the formation of the CFD by CSCDA. Napa County anticipates this project will bring significant economic benefit to the area, in addition to much needed housing.

Motion to continue the past protocol, mirroring CSCDA; motion seconded; unanimously approved by voice vote.

3  Approval of the minutes of the December 15, 2016 regular meeting.

Motion to approve, as amended; motion seconded; unanimously approved by voice vote.

4  Public comment.

None.
5 Approval of CSCDC audited financial statements for the fiscal year ended June 30, 2016.

Executive Director Bando explained that the League maintains the books and records of CSCDC, which were audited by Novogradac & Company. The financial statements are fairly simple and straightforward, as no allocation was received during the fiscal year. She recommends the board accept and approve the audited financial statements.

Motion to approve Executive Director Bando’s recommendation; motion seconded; unanimously approved by voice vote.

6 New Markets Tax Credit Program summary and update.

Jon Penkower explained that he is excited that CSCDC meetings are being scheduled, as the past year or two have been very slow due to no allocation, resulting in an almost dormant state.

Penkower explained that CSCDC is a separate entity, but is affiliated with CSCDA. CSCDC is a “Community Development Entity” (CDE), which is required in order to participate in the New Markets Tax Credit (NMTC) program. The NMTC program incentivizes business and real estate investment in low-income communities via a federal tax credit. The program requires Congressional authorization and is threatened by the new Administration. Although Congress approved a five-year renewal, it can be revoked, but he is hopeful that won’t happen.

Previous allocations awarded to CSCDC have been fully deployed; however, CSCDC was recently allocated $70 million, which is a large award, the largest award to any CDE in California. With the current allocation, CSCDC will likely be able to finance five to seven new projects. There are ample project sponsors within California that are eligible and seeking a CDE with which to partner. Accordingly, CSCDC is being selective as to which projects to become involved, seeking those projects that have the strongest community impact.

The agenda packet contained highlights of both CSCDC and the NMTC program.

7 Executive Director update.

None.

8 Staff updates.

None.

9 Chair Dan Harrison adjourned the meeting at 4:52 pm.
