Agenda Item No. 5a

Agenda Report

DATE: August 2, 2018

TO: CSCDA COMMISSIONERS

FROM: Cathy Bando, Executive Director

PROJECT: Methodist Hospital of Southern California

PURPOSE: Authorize the Issuance of Bonds to Finance and Refinance the Acquisition, Construction, Improvement, and/or Equipping of Hospital and Other Healthcare Facilities located in the City of Arcadia, County of Los Angeles

AMOUNT: Not to Exceed $300,000,000

EXECUTIVE SUMMARY:

Methodist Hospital of Southern California, a 501c3 nonprofit organization (“MHSC”), has requested that CSCDA issue nonprofit revenue bonds in an amount not to exceed $300,000,000 (the “Bonds”) to finance the acquisition, construction, improvement, and/or equipping of hospital and other healthcare facilities located in the City of Arcadia (the “Project”). The Bonds are being issued to refinance a 2015 taxable loan which refinanced CSCDA’s prior issued 2009 bonds. The proposed refinancing for Methodist Hospital of Southern California will allow Methodist to exit the FHA 242 Mortgage Insurance program. By exiting the program, MHSC will be able to release approximately $24 million of cash and investments which are currently restricted under the FHA covenants as a mortgage reserve fund. In addition, MHSC will eliminate future funding requirements for the mortgage reserve fund by approximately $13.7 million. MHSC expects maximum annual debt service to decrease by approximately $7.0 million per year as a result of the refinancing. This will be the second CSCDA financing for MHSC.

PROJECT ANALYSIS:

About Methodist Hospital of Southern California:

MHSC is a California not-for-profit general acute care hospital providing a range of inpatient and outpatient services in the San Gabriel Valley in northeastern Los Angeles County. MHSC was founded in 1903 by the Women's Home Missionary Society of the Methodist Church. Having been founded in one of the busiest parts of the country, their full-service hospital has grown significantly in the last 100 years. MHSC currently has 348 licensed beds, is a Medicare 5-Star rated hospital, and treats more than 50,000 patients in the Emergency Department each year. The facility is outfitted with advanced diagnostic technology like the 320-slice CT scanner and high-definition...
MRI. MHSC also manages state-of-the-art catheterization labs, electrophysiology, and neuro-interventional radiology.

Public Agency Approvals:

TEFRA Hearing: July 17, 2018 – City of Arcadia – Unanimous Approval

Economic Development:

- MHSC employs more than 1,900 physicians, nurses and other staff throughout its facilities. In addition, many MHSC employees live, eat and shop within the community and support the local economy.

Public Benefit:

- Community Benefit – For 2017, the economic value of community benefits provided by MHSC is estimated at $36,974,749. Unreimbursed community benefits include medical care services, benefits for vulnerable populations, benefits for the community, and health research, education and training programs.

- Emergency care – MHSC provides 24-hour emergency care to all individuals, regardless of their ability to pay.

- MHSC provides free physician referrals to the community, provides health education, support and screening programs on a variety of topics ranging from prepared childbirth, cancer to grief and loss.
