**About Block 7 Downtown Apartments:**

Block 7 Downtown Apartments (the “Project”) is the new construction of 78 housing units by K2 Development Companies (K2). The benefits of the Project for the City of Redding include the following:

- 80% of the rental housing units will be rent restricted for low-income tenants.
- The Project consists of one and two-bedroom units, as well as a manager’s unit.
- The affordable units will be restricted to households earning 60% or less of the area median income.

**About the Financing:**

CSCDA and K2 partnered with Citibank and Orrick Herrington & Sutcliffe LLP to provide the affordable housing bonds for the Project. The financing for the Project requires the affordability of units for low-income tenants to be maintained for 55 years.
