

CONFLICT OF INTEREST CODE FOR THE
CSCDA COMMUNITY IMPROVEMENT AUTHORITY

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the CSCDA Community Improvement Authority.

Officials and employees holding positions listed in this code must file their statements of economic interests electronically with the **Fair Political Practices Commission**. All statements must be made available for public inspection and reproduction under Government Code Section 81008.

APPENDIX

I. Designated Positions

<u>Designated Position</u>	<u>Assigned Disclosure Category</u>
Executive Director	1
Managing Director	1
General Counsel	1
Consultants and New Positions	*

*Consultants/new positions shall be included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation:

The Chair of the Authority may determine in writing that a particular consultant or new position, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to comply fully with the disclosure requirements described in this section. Such determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Chair of the Authority's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code (Gov. Code Sec. 81008).

II. Disclosure Categories

Category 1:

Designated positions assigned to this category shall disclose all business entities in which they have an investment as well as any business entity in which they are a director, officer, partner, trustee, employee, or hold any position of management; all interests in real property; and all sources of income, including income from a non-profit organization. Income includes gifts, loans, and travel payments.

Note: The positions of Executive Director, Managing Director, and General Counsel are filled by outside consultants, but act in a staff capacity.

The following positions are NOT covered by the conflict-of-interest code because they must file under Government Code Section 87200 and, therefore, are listed for informational purposes only:

- Directors and Alternate Directors of the Authority

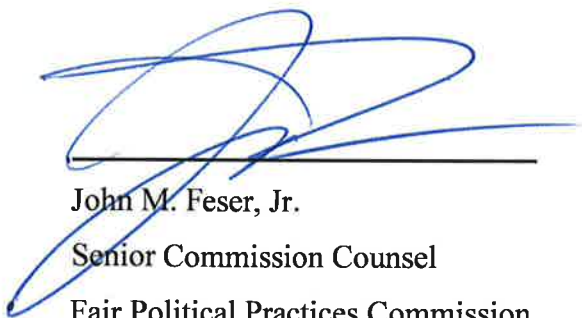

An individual holding one of the above listed positions may contact the Fair Political Practices Commission for assistance or written advice regarding their filing obligations if they believe that their position has been categorized incorrectly. The Fair Political Practices Commission makes the final determination whether a position is covered by Government Code Section 87200.

This is the last page of the conflict of interest code for the **CSCDA Community Improvement Authority**.
