PROJECT: Towne at Glendale Apartments

PURPOSE: Approve the Acquisition, Ownership and Financing of Rental Housing Project Located in the City of Glendale, County of Los Angeles

AMOUNT: Not to Exceed $140,000,000

EXECUTIVE SUMMARY:

On January 20, 2022, the Commission approved the acquisition and financing of a 126-unit rental housing project located in the City of Glendale known as Towne at Glendale Apartments (the “Project”). 100% of the units will be restricted to low and middle-income tenants. Similar to the impact on the recent bond pricing of The Crescent Apartments, continued volatility in the bond market has necessitated a few structure changes that require a revised resolution to be adopted by the Commission. These changes include the following:

- After consultation with the project’s underwriting team, project sponsor, CSCDA CIA’s Executive Director, and CSCDA CIA’s staff, it is recommended that the CSCDA CIA Commission approve a $75,000 annual administrative fee for the Project.

- The revised resolution also provides the ability to sell mezzanine bonds that amortize first (which has been done on prior CSCDA-CIA projects) and/or utilizing convertible capital appreciation bonds for all (or some portion) of the senior bonds that would serve to improve credit metrics on the mezzanine bonds.

- No other changes are being proposed from the January 20, 2022 prior approval.

PROJECT DESCRIPTION:

- Acquisition of 126-unit rental housing project located at 1717 North Verdugo Road in the City of Glendale.
- Property built in 1966 and recently underwent major extensive renovations.
- One-bedroom, two-bedroom, three-bedroom and four-bedroom apartments.
- Amenities include 206 parking spots, fitness center, business center, theater room, game room, sundeck, pool and spa, children’s play area, and an outdoor seating area with barbeque grills.

PURPOSE: Consideration of Amendment to CSCDA CIA Fee Schedule

EXECUTIVE SUMMARY:

Staff periodically reviews fee schedules for all programs maintained by CSCDA and its affiliates. Based on discussions with staff and CIA’s finance team members, we recommend a cap in issuance fees on CIA transactions. Fees would be capped and charged only for the first $200 million of bonds issued. This will enable CSCDA CIA to accommodate larger transactions. Similar fee caps have been adjusted on other program fee schedules including nonprofit and PACE financings.

CSCDA CIA’s Executive Director and staff will continue to evaluate CSCDA’s and CSCDA affiliate’s fee schedules and may recommend additional fee adjustments.

RECOMMENDED ACTION:

CSCDA CIA’s Executive Director recommends approval of an issuance fee cap for CSCDA-CIA transactions; issuance fees will be capped and charged on the first $200 million of CSCDA CIA bonds issued.

FROM:Cathy Barna, Executive Director
PURPOSE:Approve the Making of $11,000,000 in Qualified Low Income Community Investments by CSCDC 15 LLC Shasta College Community Leadership Center Holding Corporation (Shasta College Community Leadership Center), City of Redding, County of Shasta, California

SPONSOR BACKGROUND:

Shasta College is a public community college based in Redding, California. The College is part of the Shasta-Tehama-Trinity Joint Community College District, which serves residents in Shasta, Tehama, and Trinity Counties, and parts of Lassen, Modoc, and Humboldt Counties. Shasta College offers general education, transfer and career-technical programs, and basic skills education.

Shasta College serves 9,105 students, 36% of whom are full-time. The College has an outstanding track record of providing innovative programs and wraparound services to support the long-term success of low-income students and students with barriers to education and employment. The College has won the highly selective Innovation in Higher Education award three times for programs that help students succeed in completing their certificate, degree, or transfer to a university.

PROJECT OVERVIEW:

Shasta College has requested that CSCDC provide $11,000,000 in New Markets Tax Credit (NMTC) for the development of the new 22,500 sq. ft. Shasta College Community Leadership Center (“CLC” or the “Project”). Located in downtown Redding, the CLC will serve as a hub for Shasta College programs that support low-income students and students with barriers to education and employment, including students who are current or former foster youth, and formerly incarcerated students. The CLC will occupy floors 2-4 and a portion of the fifth floor of a newly constructed five-story building.

The CLC is a key component of the Block 7 Downtown Activation Project, a multi-site, mixed-use project that replaces an aging parking garage and vacant shopping mall in the heart of downtown Redding. The Block 7 project spans three blocks and also includes a 78-unit affordable apartment building (with bond financing previously provided by CSCDA), market-rate housing, a public park, offices, retail, a pedestrian-activated alley, and 2+ miles of bikeways. The project developer is Block 7 Retail Investors LLC, comprised of K2 Development Companies (a Redding-based,
family-owned community developer with a 15-year track record of development in Redding), and the McConnell Foundation (a private foundation with a 30-year track record of transformational projects in northern California).

COMMUNITY OUTCOMES:

- **Job Creation & Retention**: The Project is expected to result in 42 construction jobs, 56 new permanent FTE jobs, and the retention of 39 FTE jobs.

- **Quality Jobs**: It is expected that 100% of the construction jobs will pay prevailing wages and 100% of the permanent jobs will pay living wages. All of the permanent jobs will offer health and dental insurance, life insurance, retirement benefits, and public loan forgiveness.

- **Accessible Jobs**: 100% of the construction field jobs will be available to individuals at any education level. An onsite job training program in partnership with California Heritage YouthBuild Academy will offer construction job training and pre-apprenticeships for students ages 16-24 who need a second chance. 30% of the permanent FTE jobs are expected to be available to people with a high school diploma or less.

- **Community Goods or Services to Low-Income Communities**: 7,100 people are expected to benefit annually from Shasta CLC programs and services. The CLC will house several programs that support low-income students experiencing barriers to education and employment, such as:
  - Shasta College CalWORKs Program – supporting very low-income parents that are attending Shasta College.
  - Step-Up program – educational and vocational training program providing financial, administrative, and educational support for formerly incarcerated students and students currently under court directed supervision.
  - SCI*FI (Shasta College Inspiring and Fostering Independence) program – for Shasta College students who are current or former foster youth.
  - The CLC will also serve as a hub for community education, providing personal enrichment and professional development classes for community members.

ADVISORY BOARD APPROVAL:

On September 29, 2021, CSCDC’s Advisory Board unanimously recommended approval of the Project.

3. Ratify the amendment of a regulatory agreement and declaration of restrictive covenants in accordance with prior authorization granted by the Authority for Vista Del Monte Apartments.

Vista Del Monte Affordable Housing Inc. (“Vista”) is the general partner of Vista Del Monte Housing, L.P. (the “Partnership”), which owns a multifamily affordable housing project located in San Francisco (the “Project”). The Project is located on land that the Partnership originally ground leased from Vista (the “Land”). The Project consists of improvements that were funded in part with proceeds of bonds issued by CSCDA (“Bonds”) and is subject to a recorded bond regulatory agreement that imposes affordability restrictions on the Project (the “Regulatory Agreement”); Bond proceeds were not spent on the Land.

The Land was subsequently subdivided into two lots, the Project site and an unimproved parcel (the “Unimproved Lot”). In connection with a refinancing of the Project by the Partnership in 2021 (the “Refinancing”), the outstanding Bonds were repaid, the ground lease was terminated, and Vista conveyed the Project site to the Partnership. Additionally, the Regulatory Agreement was amended at the Refinancing to encumber only the Project site and to release the Unimproved Lot and further approve a shoring and tieback agreement associated with the development of the Unimproved Lot.

The Unimproved Lot is under contract to be sold to an affiliate of Emerald Fund (“Buyer”). Buyer has asked Seller to obtain confirmation from CSCDA that CSCDA’s execution of the amendment to the Regulatory Agreement and the release of the Unimproved Lot thereby were authorized actions before Buyer acquires the Unimproved Lot for the development of a new housing project, which project was approved by the San Francisco Planning Commission earlier this month.

CSCDA’s Executive Director recommends approving the resolution to ratify the amendment of a regulatory agreement and declaration of restrictive covenants in accordance with the prior authorization granted by CSCDA for Vista Del Monte Apartments.

WHEREAS, the Authority, in the course of assisting the Borrowers in financing the Projects, expects that the Borrowers have paid or may pay certain expenditures (the “Reimbursement Expenditures”) in connection with the Projects within 60 days prior to the adoption of this Resolution and prior to the issuance of the Bonds for the purpose of financing costs associated with the Projects on a long-term basis; and

WHEREAS, Section 1.103-8(a)(5) and Section 1.150-2 of the Treasury Regulations require the Authority to declare its reasonable official intent to reimburse prior expenditures for the Projects with proceeds of a subsequent tax-exempt borrowing; and

WHEREAS, the Authority wishes to declare its intention to authorize the issuance of Bonds for the purpose of financing costs of the Projects (including reimbursement of the Reimbursement Expenditures, when so requested by the Borrower upon such terms and condition as may then be agreed upon by the Authority, the Borrower and the purchaser of the Bonds) in an aggregate principal amount not to exceed the amount with respect to each Project set forth in Exhibit A; and

This action is taken expressly for the purpose of inducing the Borrowers to undertake the Projects, and nothing contained herein shall be construed to signify that the Projects comply with the planning, zoning, subdivision and building laws and ordinances applicable thereto or to suggest that the Authority or any program participant, officer or agent of the Authority will grant any such approval, consent or permit that may be required in connection with the acquisition and construction or rehabilitation of the Projects, or that the Authority will make any expenditures, incur any indebtedness, or proceed with the financing of the Project.

In such regard, the Authority hereby declares its official intent to use proceeds of indebtedness to reimburse the Reimbursement Expenditures.

Section 4. The officers and/or the program managers of the Authority are hereby authorized and directed to apply to the Committee for an allocation from the state ceiling of private activity bonds to be issued by the Authority for each of the Projects in an amount not to exceed the amounts set forth in Exhibit A, and to take any and all other actions as may be necessary or appropriate in connection with such application, including but not limited to the payment of fees, the posting of deposits and the provision of certificates, and any such actions heretofore taken by such officers and program managers are hereby ratified, approved and confirmed.
PASSED AND ADOPTED by the California Statewide Communities Development Authority this February 17, 2022.

Pursuant to California Government Code Section 5852.1, the borrower (the “Borrower”) identified below has provided the following required information to the California Statewide Communities Development Authority (the “Authority”) as conduit financing provider, prior to the Authority’s regular meeting (the “Meeting”) of its Commission (the “Commission”) at which Meeting the Commission will consider the authorization of conduit revenue obligations (the “Obligations”) as identified below.

1. Name of Borrower: HPD CLEARLAKE II LP, a California limited partnership

2. Authority Meeting Date: February 17, 2022

3. Name of Obligations: California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Clearlake Apartments) 2022 Series C and California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Clearlake Apartments) Taxable 2022 Series C-T

4. X Private Placement Lender or Bond Purchaser, ___ Underwriter or ___ Financial Advisor (mark one) engaged by the Borrower provided the Borrower with the required good faith estimates relating to the Obligations as follows:

   (A) The true interest cost of the Obligations, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for Obligations (to the nearest ten-thousandth of one percent):

   (i) One Month Adjusted Term SOFR + 1.35% for the tax-exempt Obligations, and (ii) One Month Adjusted Term SOFR + 2.05% for the taxable Obligations [NOTE: as a construction-only loan, there are no principal payments to be discounted to the purchase price received for the Obligations, so the foregoing represents the construction term interest rate applicable to the Obligations].

   (B) The finance charge of the Obligations, which means the sum of all fees and charges paid to third parties:

   $73,000.00 payable to the Bond Purchaser and $15,000.00 in the aggregate payable to the Authority over the life of the Obligations.

   (C) The amount of proceeds received by the public body for sale of the Obligations less the finance charge of the Obligations described in
subparagraph (B) and any reserves or capitalized interest paid or funded with proceeds of the Obligations:

(D) The total payment amount, which means the sum total of all payments the Borrower will make to pay debt service on the Obligations plus the finance charge of the Obligations described in subparagraph (B) not paid with the proceeds of the Obligations (which total payment amount shall be calculated to the final maturity of the Obligations):

$7,588,842.00 (calculated as $7,500,842.00 in total debt service plus $88,000.00 in aggregate finance charges not paid with the proceeds of the Obligations).

5. The foregoing estimates constitute good faith estimates only. The actual principal amount of the Obligations issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to a variety of factors. The actual interest rates borne by the Obligations and the actual amortization of the Obligations will depend on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the Borrower.

The Authority is authorized to make this document available to the public at the Meeting of the Authority.

A RESOLUTION OF THE CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY AUTHORIZING THE ISSUANCE AND DELIVERY OF MULTIFAMILY HOUSING REVENUE BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $8,000,000 FOR THE FINANCING OF A MULTIFAMILY RENTAL HOUSING PROJECT KNOWN AS VALLEY TERRACE APARTMENTS; DETERMINING AND PRESCRIBING CERTAIN MATTERS AND APPROVING AND AUTHORIZING THE EXECUTION OF AND DELIVERY OF VARIOUS DOCUMENTS RELATED THERETO; RATIFYING ANY ACTION HERETOFORE TAKEN AND APPROVING RELATED MATTERS IN CONNECTION WITH THE BONDS.

WHEREAS, the California Statewide Communities Development Authority (the “Authority”) is authorized by the Joint Powers Act, commencing with Section 6500 of the California Government Code (the “JPA Law”), and its Amended and Restated Joint Exercise of Powers Agreement, dated as of June 1, 1988, as the same may be amended (the “Agreement”), to issue revenue bonds for the purpose of financing, among other things, the acquisition, construction, rehabilitation and development of multifamily rental housing projects in accordance with Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code (the “Housing Law”);

WHEREAS, HPD Valley Terrace II LP, a California limited partnership, and entities related thereto (collectively, the “Borrower”), has requested that the Authority issue, sell and deliver its (i) California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Valley Terrace Apartments) 2022 Series D (the “Tax-Exempt Bonds”) and (ii) California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Valley Terrace Apartments) Taxable 2022 Series D-T (the “Taxable Bonds” and, together with the Tax-Exempt Bonds, the “Bonds”) to assist in the financing of the acquisition, rehabilitation, development and equipping of a 48-unit (including one manager’s unit) multifamily rental housing development located in the City of Corning, California, and to be generally known as Valley Terrace Apartments (the “Project”);

WHEREAS, the Authority is willing to issue not to exceed $8,000,000 aggregate principal amount of Bonds, provided that the portion of such Bonds issued as federally tax-exempt obligations shall not exceed the Allocation Amount, and to loan the proceeds thereof to the Borrower to assist in providing financing for the Project, which will allow the Borrower to reduce the cost of the Project and to assist in providing housing for low income persons;
WHEREAS, the Bonds will be privately placed with JPMorgan Chase Bank, N.A. (the “Bank”), as the initial purchaser of the Bonds, in accordance with the Authority’s private placement policy;

WHEREAS, pursuant to Section 5852.1 of the California Government Code, the Authority, as a conduit financing provider, has received certain representations and good faith estimates from the Borrower and has disclosed such good faith estimates as set forth in Exhibit A hereto;

WHEREAS, there have been prepared and made available to the members of the Commission of the Authority (the “Commission”) the following documents required for the issuance of the Bonds, and such documents are now in substantial form and appropriate instruments to be executed and delivered for the purposes intended:

PUBLIC DISCLOSURES RELATING TO CONDUIT REVENUE OBLIGATIONS

Pursuant to California Government Code Section 5852.1, the borrower (the “Borrower”) identified below has provided the following required information to the California Statewide Communities Development Authority (the “Authority”) as conduit financing provider, prior to the Authority’s regular meeting (the “Meeting”) of its Commission (the “Commission”) at which Meeting the Commission will consider the authorization of conduit revenue obligations (the “Obligations”) as identified below.

1. Name of Borrower: HPD VALLEY TERRACE II LP, a California limited partnership

2. Authority Meeting Date: February 17, 2022

3. Name of Obligations: California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Valley Terrace Apartments) 2022 Series D and California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Valley Terrace Apartments) Taxable 2022 Series D-T

4. X Private Placement Lender or Bond Purchaser, __ Underwriter or __ Financial Advisor (mark one) engaged by the Borrower provided the Borrower with the required good faith estimates relating to the Obligations as follows:

   (A) The true interest cost of the Obligations, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for Obligations (to the nearest ten-thousandth of one percent):

      (i) One Month Adjusted Term SOFR + 1.35% for the tax-exempt Obligations, and (ii) One Month Adjusted Term SOFR + 2.05% for the taxable Obligations [NOTE: as a construction-only loan, there are no principal payments to be discounted to the purchase price received for the Obligations, so the foregoing represents the construction term interest rate applicable to the Obligations].

   (B) The finance charge of the Obligations, which means the sum of all fees and charges paid to third parties:

      $50,000.00 payable to the Bond Purchaser and $15,000.00 in the aggregate payable to the Authority over the life of the Obligations.
(C) The amount of proceeds received by the public body for sale of the Obligations less the finance charge of the Obligations described in subparagraph (B) and any reserves or capitalized interest paid or funded with proceeds of the Obligations:

(D) The total payment amount, which means the sum total of all payments the Borrower will make to pay debt service on the Obligations plus the finance charge of the Obligations described in subparagraph (B) not paid with the proceeds of the Obligations (which total payment amount shall be calculated to the final maturity of the Obligations):

$5,202,563.00 (calculated as $5,137,563.00 in total debt service plus $65,000.00 in aggregate finance charges not paid with the proceeds of the Obligations).

5. The good faith estimates provided above were ___ presented to the governing board of the Borrower, or ___ presented to the official or officials or committee designated by the governing board of the Borrower to obligate the Borrower in connection with the Obligations or, in the absence of a governing board, X presented to the official or officials of the Borrower having authority to obligate the Borrower in connection with the Obligations (mark one).

The foregoing estimates constitute good faith estimates only. The actual principal amount of the Obligations issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to a variety of factors. The actual interest rates borne by the Obligations and the actual amortization of the Obligations will depend on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the Borrower.

The Authority is authorized to make this document available to the public at the Meeting of the Authority.

Agenda Report

DATE: February 17, 2022
TO: CSCDA COMMISSIONERS
FROM: Cathy Barna, Executive Director
SUBJECT: Local Governance Summer Institute at Stanford Sponsorship

BACKGROUND:

In 2021 the Commission approved a sponsorship request of $24,000 for the 2022 Local Governance Summer Institute at Stanford (LGSI) to provide four scholarships for local government executives. The 2021 LGSI program was done as a hybrid with both virtual and in-person programming. Attendance was down and CSCDA only awarded two of its four scholarships. LGSI has committed that if the Commission approves the 2022 sponsorship of $24,000 that CSCDA could offer six scholarships to make up for the two unused scholarships for 2021. The LGSI program for 2022 is anticipated to be all in-person this year.

As a sponsor CSCDA would be provided the opportunity to participate on a panel discussion for the 2022 LGSI. The LGSI is supported by the League’s City Managers Department, the California Association of County Executives (CACE), Cal-ICMA, and the California City Management Foundation. In addition, we would request that CSCDA logo be placed on materials associated with LGSI.

2022 Program:

The 2022 summer program consists of five full days of presentations and education. Tuition is $6,000 per person.

RECOMMENDATION:

The Executive Director recommends that CSCDA provide $24,000 in support for the 2022 LGSI Senior Executives Scholarship Fund, which will enable six local government executives to attend the 2022 program who would otherwise not be able to participate.
Agenda Item No. 8

Agenda Report

DATE: February 17, 2022
TO: CSCDA COMMISSIONERS
FROM: Cathy Barna, Executive Director
PURPOSE: Consideration of First Amendment to Amended and Restated Services Agreement with Bridge Strategic Partners

EXECUTIVE SUMMARY:

- In 2014, CSCDA conducted an extensive RFP process for Program Management services.
- On December 4, 2014, CSCDA approved a contract with Bridge Strategic Partners (BSP) for services that commenced on July 1, 2015 through December 31, 2018.
- On December 6, 2018 the Commission approved an Amended and Restated Services Agreement through December 31, 2022.
- BSP continues to provide exceptional services to CSCDA and its affiliates.
- The Program Administration Ad Hoc Committee (Tim Snellings, Kevin O’Rourke, and Brian Moura, the “Committee”) recommends entering into a First Amendment (the “Amendment”) to the First Amended and Restated Agreement with BSP (the “Agreement”).

DISCUSSION:

CSCDA conducted an extensive RFP process in 2014 for Program Management services which resulted in the appointment of BSP as CSCDA’s Program Manager. BSP has managed CSCDA’s programs with the highest level of professionalism and the market has responded positively to BSP with a considerable increase in CSCDA’s and its affiliates’ programs.

The Committee entered negotiations with BSP in October 2021 and has concluded that another RFP process at this time would not be in the best interest of CSCDA’s constituent cities, counties, and special districts.

The Committee recommends two amendments to the BSP Services Agreement; 1) the term of the Agreement established in Section 4 shall continue until December 31, 2026, and 2) the term ‘Authority,’ defined in the Preamble to the Agreement, shall be clarified to include Authority Affiliates.
The proposed Amendment has been reviewed by CSCDA’s General Counsel and can be accessed here:  https://www.dropbox.com/sh/cacpxj3lrju7zr/AADTItKCSDypRFPlC0ZKaXLJg?dl=0

RECOMMENDED ACTION:

CSCDA’s Program Management Ad Hoc Committee and Executive Director recommend approval of the First Amendment to the Amended and Restated Professional Services Agreement with BSP.

INDEPENDENT AUDITOR’S REPORT

To the Board of Commissioners
California Statewide Communities Development Authority
Sacramento, California

We have audited the accompanying financial statements of the California Statewide Communities Development Authority, as of June 30, 2021, and the related notes to the financial statements, as listed in the table of contents.

Management’s Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on this financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of the California Statewide Communities Development Authority, as of June 30, 2021 and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Emphasis of Matter

Change in Accounting Principle

As described in Notes 2 and 7 to the financial statements, in 2021, California Statewide Communities Development Authority adopted new accounting guidance, GASB Statement No. 84, Fiduciary Activities. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements. The schedule of fiduciary fee collections/charges and disbursements related to the conduit finance activities - custodial fund is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of fiduciary fee collections/charges and disbursements related to the conduit finance activities - custodial fund is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statement. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of fiduciary fee collections/charges and disbursements related to the conduit finance activities - custodial fund is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Management's Discussion and Analysis

The California Statewide Communities Development Authority (CSCDA) was created in 1988, under California's Joint Exercise of Powers Act, to provide California's local governments with an effective tool for the timely financing of community-based public benefit projects.

Although cities, counties and special districts are able to issue their own debt obligations or serve as a conduit issuer of private activity bonds that promote economic development and provide critical community services, many local agencies find stand-alone financings too costly or lack the necessary resources or experience to facilitate the bond issuance and perform post-issuance activities for the term of the bonds.

In response, local governments formed CSCDA. CSCDA was created by and for local governments in California, and is sponsored by the California State Association of Counties (CSAC) and the League of California Cities (Cal Cities).

Today, over 500 cities, counties, and special districts have become Program Participants to CSCDA - which serves as their conduit issuer and provides access to an efficient and effective mechanism to finance locally-approved public benefit projects. At June 30, 2021, the aggregate amount of CSCDA's conduit debt obligations outstanding issued on behalf of program participants totaled $24.5 billion.

CSCDA helps local governments build community infrastructure, provide affordable housing, create jobs, make access available to quality healthcare and education, and more. CSCDA provides an important resource to its local government members by ensuring that local community projects get funded quickly and reliably.

Conduit Finance Activity

During the fiscal year ended June 30, 2021, CSCDA served as issuer for $1.5 billion in conduit revenue bonds related to its Private Activity and Public Agency Finance Programs.

Private Activity Finance Program projects are those owned by the private sector, but which provide specific public benefits as authorized under the Internal Revenue Code and approved by the local City Council or County Board of Supervisors. During the year ended June 30, 2021, CSCDA provided conduit financing for 21 Private Activity Finance Program projects ranging from construction of affordable and senior housing apartments to erecting hospital and educational infrastructure. In total, CSCDA provided conduit access to the tax-exempt and taxable municipal finance marketplace for approximately $1.1 billion in Private Activity Finance Program projects.

Public Agency Finance Program projects are those where CSCDA serves as the conduit issuer for financing where a city, county, and/or special district is the borrower. CSCDA frequently conducts these types of financings on a pooled basis with more than one government entity participating in a single financing, thereby spreading the costs of issuance across borrowers to produce a lower-cost transaction than each local government would enjoy on its own. During the year ended June 30, 2021, CSCDA conducted 11 Public Agency Finance Program conduit issuances totaling approximately $1,288,079 million and benefiting 11 of its public agency members.

PACE Finance Program allow property owners in participating cities and counties to finance renewable energy, energy water efficiency improvements, seismic improvements and electric vehicle charging infrastructure on their property. Participation in the assessment is 100% voluntary by the property owner. The improvements installed on the owner's property are financed by the issuance of bonds. The bonds are secured by a voluntary contractual assessment levied on the owner's property. Property owners who wish to participate in PACE agree to repay the money through the voluntary contractual assessment collected with property taxes. The voluntary contractual assessments are levied by CSCDA and collected in annual installments through the applicable county secured property tax bill. During the year ended June 30, 2021, there were 135 bond issuances totaling $189 million through the CSCDA PACE program.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to CSCDA's financial statements. CSCDA's financial statements comprises three components: 1) the statement of fiduciary net position; 2) the statement of changes in fiduciary net position and 3) notes to the financial statements.
Financial Statements. CSCDA has two financial statements, the statement of fiduciary net position, which appears on page 6. This statement reports assets held in a custodial capacity for others and that are not the property of CSCDA itself. As an issuer which acts exclusively in a conduit capacity, CSCDA has no assets, liabilities, revenues, or expenses of its own. The statement of changes in fiduciary net position, which appears on page 7, reports cash flows related to the collection of CSCDA service fees are treated as discussed below in the sections titled "Bond Issuance" and "Bond Administration" while costs associated with CSCDA's operations are handled as discussed below in the sections titled "General Administrative Activities".

Notes to the Financial Statement. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found on pages 8 - 15 of this report.

Analysis of Fiduciary Activity

CSCDA is comprised of one custodial fund which is segregated into one of three categories, each of which is reported in the schedule of fiduciary fee collections/charges and disbursements related to the conduit finance activities - custodial fund, which appears on page 16 as information supplemental to the financial statement. The categories are: 1) bond issuance, 2) bond administration, and 3) general administrative activities:

Bond Issuance represents amounts received from borrowers in CSCDA's name to pay for the program manager's services as well as for the program sponsorship, and marketing provided by CSAC and Cal Cities. CSCDA bills the borrower in advance for bond issuance fees and then places the payment on deposit with US Bank. Amounts held are invested in cash and cash equivalents.

Once bonds are issued, the trustee distributes payments pursuant to agreements approved by the CSCDA Board of Commissioners and for services provided to CSCDA. For the year ended June 30, 2021, CSCDA collected approximately $7.2 million for bond issuance services and CDLAC deposits. At June 30, 2021, the related accounts held approximately $0.1 million.

Bond Administration represents amounts assessed by CSCDA for the performance of ongoing administration and compliance work to help keep long-term bond issues in good standing. Bond administration fees are generally paid in advance by the borrower (sometimes several years in advance) and are remitted into various accounts with US Bank until the associated ongoing administration services are performed. These monies are invested either in cash and cash equivalents or in United States government treasury STRIPs.

Amounts held are considered to be the property of the payer until such time as the ongoing administration services are carried out by the program manager or others. Such services are primarily performed by the program manager and a housing compliance monitoring firm, each of which receives payments as services are rendered. For the year ended June 30, 2021, CSCDA collected approximately $9.4 million in payments and prepayments for ongoing bond administration activities. At June 30, 2021, the related accounts held approximately $0.7 million for bond administration activities pending performance of bond administration services.

General Administrative Activities represents amounts held in bank accounts where they are owned jointly by CSAC and Cal Cities. These accounts are funded by set-asides made prior to the distribution of bond administration service fees. Amounts held in these reserve accounts are first used, under the direction of the CSCDA Board of Commissioners, to pay the expenses of the CSCDA Executive Director and General Counsel, both of whom are engaged under contract with CSCDA. Remaining amounts are used by CSCDA for purposes such as marketing, funding public agency education programs, purchasing public official's insurance for the Board of Commissioners, to reimburse Commissioner expenses, and paying audit, legal, and other professional services expenses. For the year ended June 30, 2021 these accounts funded $482,466 in general administrative expenses of which $60,750 was paid to the Executive Director and $320,879 was paid to General Counsel. At June 30, 2021, the general administrative activities totaled $363,528.
Related Parties

CSCDA maintains agreements with CSAC and Cal Cities for the provision of program sponsorship and marketing. In exchange, both organizations receive shares of the distributions made from custodial funds collected for bond issuance and bond administration services. For the year ended June 30, 2021, CSAC and Cal Cities together received $7,038,008, shared equally between them. Program administration services are performed under contract with CSCDA by Bridge Strategic Partners. For the year ended June 30, 2021, this company was paid $5,049,888. Prior program administration fees are paid pursuant to an Agreement between CSCDA and HB Capital Resources, Ltd. For the year ended June 30, 2021 this company was paid $4,012,144.

NOTE 1 - NATURE OF ORGANIZATION

The California Statewide Communities Development Authority (CSCDA or the "Authority") is a conduit finance issuer only. It has no revenues, expenses, assets, or liabilities of its own. Debt obligations issued through CSCDA are those of the governments, non-profit organizations, and private companies who use CSCDA's own governmental status to access the tax-exempt and taxable municipal finance marketplace. Once a borrower uses CSCDA to issue debt, financial servicing of that debt falls to a trustee, or potentially to the investor itself in certain private placements. CSCDA maintains no ongoing interest in bonds issued through its conduit and no debt servicing responsibility.

CSCDA is a public agency established in 1988 as a Joint Powers Authority (JPA). It is sponsored by the California State Association of Counties and the League of California Cities and is set up per the provisions of California's Joint Exercise of Powers Act. Under this law, any two or more public agencies may by agreement jointly exercise powers common among them. In this manner, through CSCDA, local governments have a vehicle they control to complete public benefit projects that otherwise may not have been economical or practical to pursue were the local jurisdiction to have served as issuer. CSCDA is a cooperative repository of public benefit finance expertise that allows its members to use an array of tax-exempt programs without the burden of managing the associated set of issuance and ongoing administrative responsibilities directly themselves.

CSCDA is governed by a seven-member commission. CSCDA's Board of Commissioners (the "Board" or "Commission") is appointed by the California State Association of Counties (CSAC) and the League of California Cities (Cal Cities) (see Note 4 - Related Parties), which together represent the interests of counties and cities throughout the state. This Board is required by the joint powers agreement to establish public benefit finance criteria and to evaluate every submitted project on the basis of benefit provided, after receiving the requisite local approval. No project can proceed without the approval of the commissioners which ensures the preservation of both city and county interests. Since January 16, 2014, administration of CSCDA has been managed by an Executive Director engaged under contract by the Board.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The accompanying financial statements of CSCDA has been prepared in conformity with accounting principles generally accepted in the United States of America. The Government Accounting Standards Board (GASB) is the acknowledged standard setting body for establishing accounting and financial reporting standards followed by governmental entities. The financial statements are presented using the accrual basis of accounting.

CSCDA is comprised of one custodial fund. Custodial funds are a type of fiduciary fund that accounts for resources held by the Authority on behalf of other governments, non-profit organizations and private companies. The financial statements are presented using the accrual basis of accounting.

Bond Issuance and Ongoing Bond Administration

While CSCDA has no revenues of its own, the Program Manager (see Note 4 - Related Parties) oversees the collection of bond issuance and ongoing bond administration fees received in CSCDA's name. Such fees are published in CSCDA's fee schedule and are generally assessed as percentages of bonds issued or bonds outstanding. Fee collections, some of which are prepaid by borrowers, are deposited into one or more third-party trustee accounts where they are held until distributed to CSAC, Cal Cities, the Program Manager, the Prior Program Manager, or other designated payees. CSCDA recognizes no revenues or expenses related to these fee collections and disbursements, all of which are reported in the financial statements of CSAC, Cal Cities, the Program Manager, and other third parties. Funds held in third-party trustee accounts related to bond issuance and ongoing bond administration activities, and reported within the statement of fiduciary net position, amounted to $802,954 at June 30, 2021.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

General Administrative Activities

Prior to the distribution of bond administration service fees to CSAC, Cal Cities, and the Program Manager (see Note 4 - Related Parties), an allocation is made to accounts owned by CSAC and Cal Cities and held for them. These accounts are first used, under the direction of the Commission, to pay the expenses of the CSCDA Executive Director and General Counsel, both of whom are engaged under contract with CSCDA. Remaining amounts are used to buy insurance for CSCDA, fund certain marketing activities, reimburse Commissioner expenses, and support other general administrative activities. Amounts held in reserve accounts are for CSAC and Cal Cities and are reported within the statement of fiduciary net position. The general administrative activity custodial fund totaled $363,528 at June 30, 2021.

Recently Adopted Government Accounting Standards

Government Accounting Standards Board Statement No. 84

In January 2017, GASB issued Statement No. 84, Fiduciary Activities. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This Statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities. CSCDA adopted this accounting guidance for its June 30, 2021 year-end. See Note 7 for more information on the impact of adopting this standard.

Government Accounting Standards Board Statement No. 90

In August 2018, GASB issued Statement No. 90, Majority Equity Interests. The purpose of this statement is to improve the consistency and comparability of reporting a government's majority equity interest in a legally separate organization and to improve the relevance of financial statement information for certain component units. The new standard clarifies the differences between a majority equity interests reported as an investment and majority equity interest reported as a component unit of the governmental entity. Application of this statement has had no material impact on CSCDA's financial statements for the fiscal year ending June 30, 2021.

Future Government Accounting Standards Board Statements

These statements are not effective until July 1, 2021 and may be applicable for CSCDA. However, CSCDA has not determined the effects, if any, on the financial statements.

Government Accounting Standards Board Statement No. 87

In June 2017, GASB issued Statement No. 87, Leases. The objective of this statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This statement requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. Application of this statement is effective for the Authority's fiscal year ending June 30, 2022.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government Accounting Standards Board Statement No. 89

In June 2018, GASB issued Statement No. 89, Accounting for Interest Cost Incurred before the End of a Construction Period. This statement requires interest costs incurred before the end of a construction period to be recorded as an expenditure in the applicable period. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. Application of this statement is effective for the Authority's fiscal year ending June 30, 2022.

Government Accounting Standards Board Statement No. 91

In May 2019, GASB issued Statement No. 91, Conduit Debt Obligations. The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The Statement clarifies the existing definition of a conduit debt obligation; establishes that a conduit debt obligation is not a liability of the issuer; establishes standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improves required note disclosures. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. Application of this statement is effective for the Authority's fiscal year ending June 30, 2022.

Government Accounting Standards Board Statement No. 92

In January 2020, GASB issued Statement No. 92, Omnibus 2020. The primary objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. Application of this statement is effective for the Authority's fiscal year ending June 30, 2022.

Government Accounting Standards Board Statement No. 93

In March 2020, GASB issued Statement No. 93, Replacement of Interbank Offered Rates. The primary objective of this Statement is to address accounting and financial reporting implications that result from the replacement of an interbank offered rate (IBOR). The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. The removal of LIBOR as an appropriate benchmark interest rate is effective for CSCDA's fiscal year ending June 30, 2022.

Government Accounting Standards Board Statement No. 94

In March 2020, GASB issued Statement No. 94, Public-Private and Public-Public Partnerships and Availability Payment Arrangements. The primary objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). A PPP is an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital assets (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. This Statement also provides guidance for accounting and financial reporting for availability payment arrangements (APAs). An APA is an arrangement in which a government compensates an operator for services that may include designing, constructing, financing, maintaining, or operating an underlying nonfinancial asset for a period of time in an exchange or exchange-like transaction. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. The requirements of this statement are effective for the Authority's fiscal year ending June 30, 2023.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government Accounting Standards Board Statement No. 96

In May 2020, GASB issued Statement No. 96, Subscription-Based Information Technology Arrangements. This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for governments, defines a SBITA, establishes that a SBITA results in a right-to-use subscription asset—an intangible asset—and a corresponding liability, provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA, and requires not disclosures regarding a SBITA. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. The requirements of this statement are effective for the Authority's fiscal year ending June 30, 2023.

Government Accounting Standards Board Statement No. 97

In June 2020, GASB issued Statement No. 97, Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans and Amendment of GASB Statements No. 14 and No. 84, and a Supersession of GASB Statement No. 32. The primary objectives of this Statement are to (1) increase consistency and comparability related to the reporting of fiduciary component units in circumstances in which a partial component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigate costs associated with the reporting of certain defined contribution pension plans, defined contribution other post-employment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans. The Authority has not determined what impact, if any, this pronouncement will have on the financial statements. The requirements of this statement related to the accounting and financial reporting for Section 457 plans are effective for the Authority's fiscal year ending June 30, 2022.

The amount of conduit debt obligations authorized, but unsold as of June 30, 2021 was $190,000,000.

NOTE 4 - RELATED PARTIES

CSCDA has entered into Intellectual Property License, Royalty, and Administrative Agreements with CSAC and Cal Cities (see Note 1-Nature of Organization) for sponsorship and marketing of CSCDA’s conduit finance programs. In addition, per the provisions of the CSCDA Joint Powers Agreement, CSAC and Cal Cities appoint individuals to serve on CSCDA’s seven-member commission.

CSCDA has also entered into Program Administration Agreements with Bridge Strategic Partners for the provision of comprehensive staff services for daily operational and marketing purposes. Acting as CSCDA’s staff, Bridge Strategic Partners personnel implement the issuance policies established by CSCDA’s Board of Commissioners, execute aspects of the deal qualification and structuring process, analyze and present transactions to CSCDA’s Board of Commissioners for review and approval, and work with the financial and legal community, local agencies and regulatory bodies, and others to ensure that conduit bonds issued in CSCDA’s name remain in good standing.

CSCDA has an ongoing prior administration agreement with HB Capital Resources Ltd. related to bond administration fees for bond issuances prior to July 1, 2015.

Pursuant to the above referenced program administration agreements, HB Capital Resources Ltd. receives a percentage of bond administration fees paid by borrowers for bond issuances prior to July 1, 2015 and Bridge Strategic Partners receives a set percentage of the bond issuance and ongoing bond administration fees assessed to borrowers in CSCDA’s name after June 30, 2015, with such percentages varying based upon deal type. Under the intellectual Property License, et seq. Agreement, CSAC and Cal Cities receive an equal portion of the remaining bond issuance and ongoing bond administration fees. CSAC, Cal Cities, HB Capital Resources and Bridge Strategic Partners pay all their own expenses related to the provision of their respective activities or services. For the year ended June 30, 2021, CSAC and Cal Cities together received $7,038,008 split equally between them, while Bridge Strategic Partners received $5,049,888 and HB Capital Resources received $4,012,144.

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in interest rates. One of the ways that CSCDA manages the exposure of custodial funds is by authorizing the purchase of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity over time as necessary to provide the cash flow and liquidity needed for conduit operations.

Information about the sensitivity of the fair values of custodial fund investments to market rate fluctuations is provided by the following table that shows the distribution of investments by maturity:

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. CSCDA mitigates the credit risk of custodial funds by limiting permitted investments to U.S. Treasury obligations or money market funds that carry the assignment of a BBB or better rating by a nationally-recognized statistical rating organization. At June 30, 2021, custodial fund investments were held entirely in money market funds and U.S. Treasury obligations with Standards & Poor's ratings of AAA and AA+, respectively. However, under GASB 40, U.S. Treasury obligations are not considered to have credit risk.
NOTE 5 - CASH AND INVESTMENTS (CONTINUED)

Concentration of Credit Risk

CSCDA’s investment practice with respect to custodial funds limits concentration of credit risk by restricting investments to U.S. Treasury obligations or money market funds. CSCDA’s custodial fund investment position at June 30, 2021, was in compliance with this practice.

Custodial Credit Risk

The custodial credit risk for custodial fund investments is the risk that, in the event of the failure of the counterparty to a transaction, the beneficiaries of the custodial funds will not be able to recover the value of their investments or collateral securities that are in the possession of another party. CSCDA’s custodial fund investments are not exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form.

The custodial credit risk for custodial fund deposits is the risk that, in the event of the failure of a depository financial institution, CSCDA will not be able to recover collateral securities that are in the possession of an outside party. Deposits that potentially subject CSCDA to custodial credit risk consist of demand deposits and money market accounts in excess of amounts insured by the Federal Deposit Insurance Corporation (FDIC). It is the practice of CSCDA to place its demand deposits and money market accounts with a high-credit, quality financial institution. At June 30, 2021, CSCDA held all of its funds at one financial institution which provides FDIC coverage of deposits up to $250,000. Deposits not covered by the FDIC are secured in accordance with the California Government Code, which requires that financial institutions secure deposits made by state and local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. Collateral is considered held in CSCDA’s name.

Fair Value Measurements

CSCDA categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles (GASB 72). The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. The Authority has the following recurring fair value measurements as of June 30, 2021:

NOTE 6 - COMMITMENTS AND CONTINGENCIES

The World Health Organization declared the worldwide coronavirus (COVID-19) outbreak a public health emergency on January 30, 2020 and officially declared it as a pandemic as of March 11, 2020. Management has performed an evaluation of certain financial statement line items such as accounts payable and custodial obligations to determine whether valuation or impairment adjustments should be made. Management has determined that the amounts reported on the financial statement are properly valued as of June 30, 2021. However, since the duration and full effects of the COVID-19 outbreak are yet unknown there could be future negative impacts to the financial condition of CSCDA.

NOTE 7 - CHANGE IN ACCOUNTING PRINCIPLE

As a result of GASB Statement No. 84, Fiduciary Activities, beginning net position of custodial funds has been restated to $1,288,079. Prior to GASB Statement No. 84, custodial funds (previously, agency funds) only reported assets and liabilities and reported no net position or measurement of results of operations.
