Submitted by: James Hamill, Managing Director

NEXT MEETING: Thursday, December 16, 2021 after the regular CSCDA meeting.
Agenda Report

DATE: February 17, 2022
TO: Committee Members
FROM: James Hamill, Managing Director
PURPOSE: Consideration of Inland Green Capital as a CSCDA commercial PACE Program Administrator.

EXECUTIVE SUMMARY:

CSCDA received a proposal from Inland Green Capital (IGC) to act as a commercial PACE only Program Administrator under the CSCDA Open PACE program. IGC has been active in the creation of the Illinois PACE program, and has funded some CSCDA Open PACE financings via other Program Administrators.

OVERVIEW:

IGC

- A team that collectively has over 50 years of commercial real estate finance experience, IGC can provide capital for commercial C-PACE projects and is a leader in advancing clean energy and sustainability adoption in the real estate sector across the United States.

- Clients benefit from collective expertise gathered over decades of real estate finance activity combined with experience gained from closing hundreds of C-PACE financings in C-PACE programs across the country.

IGC Capabilities:

- **Depth of Experience**: As part of The Inland Real Estate Group of Companies, Inc., and with a team that has decades of unparalleled real estate finance experience, they have successfully incorporated C-PACE financings into complex real estate transactions.

- **Flexibility**: Interested in all size transactions, including smaller balance C-PACE financings, and strive to tailor financing structures to meet clients’ goals.
• **Relationships:** IGC is a pioneer in the industry with experience in C-PACE financings nationally, the ability to work in all national markets and a track record of effective collaboration with diverse sets of C-PACE project stakeholders.

• **Clear Expectations:** In conjunction with its internal credit committee and capital markets partners, the team coordinates transactions with C-PACE program administrators, with mortgage holders in obtaining their consent, and with local governments and energy consultants for a smooth approval and closing process.

IGC exceeds all of the CSCDA Program Administrator requirements as outlined below:

1. Minimum of $10MM in capital available for financing C-PACE loans. Availability of capital needs to be evidenced by a capital commitment letter or letter of intent;
2. Minimum transaction size $2MM;
3. C-PACE finance team established including bond counsel, assessment engineer and trustee;
4. Minimum 2 years of C-PACE or similar financing experience;
5. Ability to manage delinquency of assessments.

**Attachment A – Powerpoint Overview of IGC**

**RECOMMENDED ACTION:**

Recommend the approval to the CSCDA Commission of Inland Green Capital as a new commercial Open PACE Program Administrator.

Who is Inland Green Capital?

With a team that collectively has over 50 years of commercial real estate finance experience, Inland Green Capital (IGC) can provide capital for commercial C-PACE projects and is a leader in advancing clean energy and sustainability adoption in the real estate sector across the United States. Our clients benefit from our collective expertise gathered over decades of real estate finance activity combined with experience gained from closing hundreds of C-PACE financings in C-PACE programs across the country.

IGC Capabilities:

**Depth of Experience:** As part of The Inland Real Estate Group of Companies, Inc., and with a team that has decades of unparalleled real estate finance experience, we have successfully incorporated C-PACE financings into complex real estate transactions.

**Flexibility:** We are interested in all size transactions, including smaller balance C-PACE financings, and strive to tailor financing structures to meet our clients’ goals.

**Relationships:** IGC is a pioneer in the industry with experience in C-PACE financings nationally, the ability to work in all national markets and a track record of effective collaboration with diverse sets of C-PACE project stakeholders.

**Clear Expectations:** In conjunction with our internal credit committee and capital markets partners, our team coordinates your transaction with C-PACE program administrators, with mortgage holders in obtaining their consent, and with local governments and energy consultants for a smooth approval and closing process.
Who is Inland Green Capital?

IGC was established in 2012 and is part of The Inland Real Estate Group of Companies, Inc. (“Inland”), headquartered in Oak Brook, Illinois. Inland is one of the nation’s largest commercial real estate and finance companies, and has been creating, developing, and supporting real estate-related companies for more than 50 years.

Commitment to Sustainability & CSR
Funding C-PACE projects is more than just a business at IGC, it’s an opportunity to demonstrate forward leadership and introduce clean energy and sustainability initiatives to the rapidly evolving real estate industry. With each completed C-PACE financing, IGC clients and the communities where we work gain access to alternative financing options that drive adoption of clean energy technologies. C-PACE projects can stimulate economic prosperity, serve underserved areas, reinforce community resiliency, and drive clean energy benefits.

IGC is an innovator and has been involved in the development of statewide C-PACE programs in Illinois and in other states launching new C-PACE programs by serving as the first capital provider to finance transactions. IGC has funded hundreds of PACE projects (both commercial and residential) in multiple states across the country, including California, Colorado, Florida, Illinois, Kentucky, Michigan, Missouri, Ohio, and Wisconsin.
Mark Pikus | President
Mark Pikus is responsible for Inland Green Capital’s overall business direction, which includes overseeing PACE project investments, capital markets and legislative affairs. Mr. Pikus has been active in the PACE market since 2012 and was instrumental in establishing Inland Green Capital’s national presence. Mr. Pikus has over 23 years of experience in commercial real estate finance and has held positions at US Bank, Credit Suisse and Inland Bancorp. He is a graduate of the University of Wisconsin – Madison.

Anna Maria Kowalik | Sr VP - Director of Business Development
Anna Maria Kowalik is responsible for the business development of PACE initiatives through the marketing, education and implementation of this next generation sustainability financing option. Ms. Kowalik possesses almost 25 years of experience in the commercial real estate and property management industries, including with a former Inland REIT where she last oversaw a portfolio of over 30 retail properties consisting of 3.4 million square feet with more than 500 tenants, and budgets close to a quarter billion dollars. She has been an active member of industry organizations and chambers of commerce, and liaisons with municipal, county and state governments. Ms. Kowalik is a graduate of Rosary College (Dominican University) with degrees in International Finance, and the Latin languages.

Email: AnnaMaria.Kowalik@inlandgroup.com  Phone: 630-586-6058

Jason Stringer | VP - Business Development
Jason Stringer is responsible for business development, strategic origination partnerships and PACE program development opportunities. Since 2015, Mr. Stringer has been active in the PACE market where he led the development of the PACE Wisconsin program and provided guidance on best practices for PACE programs around the country. He is a real estate and clean energy finance professional with nearly 20 years of experience spanning real estate finance, project development, municipal relations and PACE program administration. Mr. Stringer earned his bachelor’s degree from Michigan State University and a master’s degree in real estate & Urban Land Economics from the University of Wisconsin – Madison.

Our Team

Janet Heintz | Senior Vice President and Assistant General Counsel/Corporate
Janet Heintz is secretary of and legal counsel to Inland Green Capital LLC, where she advises on PACE transactions and strategic business partnerships in addition to having been involved in the authorship of the Illinois PACE legislation. Ms. Heintz joined the law department of The Inland Real Estate Group, Inc. in 1995 where she is Assistant General Counsel/Corporate and Senior Vice President, in addition to being Secretary, Director or Manager of a number of Inland affiliated entities. In her capacity as Assistant General Counsel/Corporate, Ms. Heintz represents entities and sponsored funds that are part of The Inland Real Estate Group of Companies, Inc., primarily in the business areas of PACE financings, commercial real estate bridge financings and investment advisors. In addition, Ms. Heintz counsels on corporate structure, marketing and other corporate wide initiatives. Ms. Heintz is admitted to practice law in the State of Illinois, and earned her bachelor’s degree from Purdue University and her law degree from Indiana University School of Law.

Email: Heintz@inlandgroup.com Phone: 630-218-8000

Kathleen Holland | Chief Accounting Officer
Kathleen Holland brings more than 25 years of experience in managing and overseeing corporate accounting teams, implementing policies and procedures, process improvements, technical accounting guidance and external financial statement reporting. In addition, Ms. Holland is also the Chief Accounting Officer for The Inland Real Estate Group, LLC, where she is responsible for external financial reporting, the corporate accounting function, development of policy and procedures, implementation of the financial accounting systems, and the internal control function for Inland. Ms. Holland is a Certified Public Accountant, a member of the American Institute of Certified Public Accountants and a member of the Illinois Certified Public Accountants Society. She holds a bachelor’s degree in accounting from Marquette University in Milwaukee.

Email: Kathy.Holland@inlandgroup.com Phone: 630-586-6435

Julie Locke | Financial Analyst
Julie Locke joined Inland Green Capital in 2020 and is responsible for the underwriting and property analysis for all PACE loan applications. Ms. Locke brings five years of commercial real estate appraisal experience, as well as over 10 years in financial product research and mortgage lending. She has experience with a multitude of property types from office and retail to industrial and special use properties. Ms. Locke earned her bachelor’s degree in economics from Benedictine University.

Underwriting, Due Diligence, Funding and Servicing Support
IGC in-house PACE financing capabilities include real estate underwriting, credit research, closing, construction draw administration, portfolio servicing, investment management, local government relations, and accounting functions.

Ability to manage delinquency of assessments.
Through IGCs in-house construction draw administration, portfolio servicing and accounting departments we will continuously monitor closed PACE assessments for quality and payment status. IGC has internal capability to manage any delinquencies that may occur in the portfolio.

Energy Reporting & Consulting Services – EE Consultants & Edison Energy
Inland Green Capital relies on EE Consultants & Edison Energy for its C-PACE energy reporting and clean energy engineering expertise. EE Consultants provides energy optimization reporting, including ASHRAE level I, II and III energy audits. EE Consultants and Edison have completed work on approximately 200 C-PACE projects with C-PACE providers nationally.
Established in 2012, Inland Green Capital is a member of The Inland Real Estate Group of Companies, Inc. (“Inland”), one of the nation’s largest commercial real estate and finance groups. Inland is headquartered in Oak Brook, Illinois, and has been creating, developing, and supporting real estate-related companies for more than 50 years.

Inland member companies share market expertise in the areas of leasing, property management, land development, commercial real estate brokerage, acquisition, commercial lending and more, serving as a single-stop resource for clients across the country.

Inland’s strong 50+-year history is a testament to the organization’s proven track record and commitment to providing the best in quality and value to clients, tenants, and investors.

As an Inland member company, IGC is steadfast in its commitment to support sustainability and environmental efforts for commercial and residential property owners.

Inland affiliates or related parties have cumulatively owned or managed properties in 49 states and have conducted over $80 billion in commercial real estate transactions since inception.
