The California Statewide Communities Development Authority (CSCDA) is pleased to announce the issuance of \$380,385,000 in tax-exempt and taxable bonds (the “Bonds”) for Enloe Medical Center located in Chico, California.

**About Enloe Medical Center:**

Enloe Medical Center, a 501c3 nonprofit organization, is a 298-bed non-profit hospital with the mission of improving the quality of life through patient-centered care. It is one of two Level II trauma centers north of Sacramento, houses the region’s only Level II neonatal intensive care unit and operates the FlightCare air ambulance service. Enloe’s comprehensive medical services include cardiac surgery and heart care, neurosurgery, orthopedics, total joint replacement, cancer care, maternity care, women’s services and bariatrics.

**About the Financing:**

CSCDA partnered with Cain Brothers, a division of KeyBanc Capital Markets, and Orrick, Herrington & Sutcliffe, LLP to provide the Bonds for Enloe. The Bonds will be used to finance the construction of a 100,000 square foot cancer center, and refinance Enloe’s prior issued Series 2008A and 2015 Bonds.

**About CSCDA:**

CSCDA is a joint powers authority created in 1988 and is sponsored by the California State Association of Counties and the League of California Cities. More than 530 cities, counties and special districts are program participants in CSCDA, which serves as their conduit issuer and provides access to efficiently finance locally-approved projects. CSCDA has issued more than \$70 billion in tax exempt bonds for projects that provide a public benefit by creating jobs, affordable housing, healthcare, infrastructure, schools and other fundamental services.
