About Meadows Seniors Apartments:

Meadows Seniors Apartments (the Project) is the new construction of 65 affordable housing units by C&C Development (C&C). The benefits of the Project for the City of Lake Forest include the following:

- 100% of the rental housing units will be rent restricted for extremely low and low-income senior tenants.
- The Project consists of one and two-bedroom units, as well as a manager's unit.
- All of the units will be restricted to households earning less than 30% to 60% of the area median income.

About the Financing:

CSCDA and C&C partnered with Bank of America and Orrick Herrington & Sutcliffe LLP to provide the affordable housing bonds for the Project. The financing for the Project requires the affordability of units for low-income senior tenants to be maintained for 55 years.
