FROM: Cathy Barna, Executive Director

PURPOSE: Consideration of agreement with the BLX Group relating to the Statewide Community Infrastructure Program (SCIP).

EXECUTIVE SUMMARY:

The Commission recently updated its agreement with Bridge Strategic Partners (BSP) to clarify that BSP does not currently provide municipal advisory services to CSCDA, including with respect to the pricing of bonds issued for the SCIP program. It is recommended that a pricing consultant be engaged to take on this role.

It is recommended that bond pricing services be added to the services the BLX Group provides to CSCDA. BLX is very familiar with the SCIP program and has acted as the program administrator of SCIP since its inception. BLX's current duties include the collection of deposits, the annual administration of assessments, advice relating to the investment of bond proceeds, and the coordination of information and communications with the participating public agencies.

DISCUSSION:

BLX is a registered municipal advisor and has the expertise and capacity to assist CSCDA as a bond pricing advisory agent for the SCIP program. The scope of services includes the following:

1. Represent and support the Authority on all pricing conference calls;
2. Evaluate the interest rate(s) proposed by the underwriter as to appropriateness in the current market prior to official pricing release to investors;
3. Study comparable issues recently issued in the market;
4. After the order period, review the buyers of bonds, priority of orders, and the composition by maturity;
5. Discuss with underwriter strategies to reduce yields for maturities that are oversubscribed;

6. Judge and advise the Authority as to the reasonableness of the underwriter's bid and offer any suggested changes or provide a verbal affirmation of the terms of the final pricing.

BLX's fee for the bond pricing advisory services will be \$15,000 per issue, will not be paid directly by CSCDA and will be paid out of each transaction's costs of issuance.

The proposed Agreement is an update to the original agreement from 2003 and has been expanded to include bond pricing services. The agreement has been reviewed and approved by CSCDA's General Counsel and can be accessed here:

RECOMMENDED ACTION:

CSCDA's Executive Director recommends approval of the updated program administration agreement with BLX Group.
